When the Spirit Sings Chy Ugorji-Okpara, 2025-05-21 When the Spirit Sings Music Mysticism and the States Beyond Sound is a deeply personal and powerfully reflective journey into the sacred and sometimes unsettling relationship between music and spirituality Written by former worship leader Chy Ugorji Okpara this lyrical memoir expos traces her lived experiences of worship altered states and the thin veil between divine encounter and dangerous invocation From packed altars and trembling chords to eerie silences and soul stirring awakenings Chy unpacks how sound can summon heal deceive or deliver depending on what s riding the rhythm This book is for Worshipers who ve lost their song Artists who ve felt something else moving through the music Seekers discerning between power and presence And anyone who has ever asked Was that God or just sound When the Spirit Sings doesn t offer easy answers Instead it offers testimony reverence and warning inviting readers to listen deeply discern wisely and carry their sound with holy fear This is more than a book It s a spiritual awakening in chapters A hush between harmonies A reminder that music is never just music And when the Spirit sings we must be ready to hear and respond **alpha to omega from the beginning to the end** Dr C E
