BISOL, 2016-04-12 Evil lives in the House on South Street waiting to devour all who live within its walls Every family who has ever owned the stately Victorian mansion has experienced tragedy and misery caused by sinister spirits that haunt the House on South Street to this very day Seekers of the paranormal will not be disappointed in the story of the house Sometimes the activities of evil spirits within the premises are so subtle unbelievers could easily explain away their handiwork but at other times ghostly creatures burst upon the scene with inexplicable supernatural fury making it nearly impossible to find a rational explanation for the acts of havoc they wreak In all cases the spirits within the house are obviously bent on controlling and possessing the very souls and destinies of all the people in their midst Once you enter The House on South Street you may look at eerie old houses in a new way and thinking more about that subtle movement of a curtain or the shadow that crosses in front of a window *House Documents, Otherwise Publ. as Executive Documents* United States.
