Becoming Community Olivia A. Phillips, 2021-10-15 How we minister matters especially to those who have already been hurt by the church Instead of ministering out of God s love and compassion the church has often ministered to the Queer community out of a deep rooted fear Why do we administer hatred instead of allowing the balm of the Holy Spirit s tender care to define our actions The integrity of the gospel message has been hurt by the way many of us have wielded the power we have been given Becoming Community is a call for us to renew our Christian commitment to social responsibility and justice as a primary focus of the church We must challenge the practices and visions which we hold most important in our communities Are our ministries truly inclusive to all who would seek to find solace at the feet of Christ Regardless of whether a person might adopt a philosophy of affirmation or denial of queer practices as God honoring one trait must remain in our response inclusion Without intentionally inclusive language care and practice can the church live up to the higher calling that we have been given Is it possible for every individual to be genuinely included in our communities

[Does God Have a Gay Agenda?](#) Brian King, 2021-09-28 There s a war raging all around us for the souls of men and women for the souls of not only a generation but

of an entire community An entire nation if you will That nation is the LGBTQ community and its adversary it s sad to say is the mainstream Evangelical Church in America Pastor Brian King believes that God loves the LGBTQ community and has a specific plan for them With the scripture to back it up he will attempt to prove that the Bible does not say what the Church claims it says concerning same sex relationships Scripture has been misinterpreted from its original writing sometimes accidentally and other times for ideological or political gain Does God have a Gay Agenda will show that the Church in America has fought every single new move of God s Spirit for the last hundred plus years has betrayed her savior and has sold herself for political power Being LGBTQ is not a choice but staying ignorant is It is time that Evangelical Christians were made aware of the error of their ways with respect to the LGBTQ community as well as of the Church s involvement in politics at the expense of the Gospel And it is time to let the LGBTQ community know that they are loved and bring them into relationship with their Father
