Torture Porn Steve Jones,2013-07-09 The first monograph to critically engage with the controversial horror film subgenre known as torture porn this book dissects press responses to popular horror and analyses key torture porn films mapping out the broader conceptual and contextual concerns that shape the meanings of both torture and porn *Torture Porn in the Wake of 9/11* Aaron Kerner,2015 *Torture Porn in the Wake of 9 11* challenges the conventional wisdom about horror movies like *Hostel* and the *Saw* series Aaron Kerner argues that even as these films express anxieties and sadistic fantasies that have emerged from the War on Terror they are rooted in a much longer tradition of American violence He also reveals how the torture porn aesthetic has gone mainstream popping up in everything from the television thriller *Dexter* to the reality show *Hell s Kitchen* **Torture Porn in the Wake of 9/11** Aaron Michael Kerner,2015-04-24 *Saw Hostel The Devil s Rejects* this wave of horror movies has been classed under the disparaging label torture porn Since David Edelstein coined the term for a New York magazine article a few years after 9 11 many critics have speculated that these movies simply reflect iconic images anxieties and sadistic fantasies that have emerged from the War on Terror In this timely new study Aaron Kerner challenges that interpretation arguing that torture porn must be understood in a much broader context as part of a phenomenon that spans multiple media genres and is rooted in a long tradition of American violence *Torture Porn in the Wake of 9 11* tackles a series of tough philosophical historical and aesthetic questions What does it mean to call a film sadistic and how has this term been used to shut down critical debate In what sense does torture porn respond to current events and in what ways does it draw from much older tropes How has torture porn been influenced by earlier horror film cycles from slasher movies to J horror And in what ways has the torture porn aesthetic gone mainstream popping up in everything from the television thriller *Dexter* to the reality show *Hell s Kitchen* Reflecting a deep knowledge and appreciation for the genre *Torture Porn in the Wake of 9 11* is sure to resonate with horror fans Yet Kerner s arguments should also strike a chord in anyone with an interest in the history of American violence and its current and future ramifications for the War on Terror **Torture Porn** John Putignano,2014-03-20 *Eighteen tales of extreme horror* Three serial killers seek out to hunt the perfect victim but have no idea that the perfect victim may be more than they can handle In a subterranean hell a woman is tied to a table as she prepares to give birth what follows is an revolting ritual A boy with a sexual attraction to anything dead finds the love of his life These tales and much more fill this collection *Splatterpunk* short stories about erotic cannibalism necrophilia mutilation grotesque deformities infanticide incest extreme torture and much more From the author of *Pleasures in Putrefaction* and *Flesh of Society* comes this new collection of horror tales **Torture Porn** John Putignano,2016-04-03 *Torture Porn* is back with this second volume which features even more depraved gorey and disgusting tales of hardcore horror This volume is in print for the first time and certainly not for those with a weak stomach **Digital Horror** Xavier Aldana Reyes,Linnie Blake,2015-10-13 In recent years the ways in which digital technologies have come to shape our experience of the world has

Screening the Tortured Body Mark de Valk, 2016-11-11 Inspired by Michel Foucault's examination of state subjugation and control this book considers post structuralist notions of the political technology of the body and the spectacle of the scaffold as a means to analyse cinematic representations of politically motivated persecution and bodily repression Through a critique of sovereign power and its application of punishment for transgressions against the state the collected works herein assess the politicised body via a range of cinematic perspectives Imagery character construction and narrative devices are examined in their account of hegemonic sanctioned torture and suppression as a means to a political outcome Screening The Tortured Body The Cinema as Scaffold elicits philosophical and cultural accounts of the restrained body to deliberate on a range of politicised films and filmmakers whose narratives and mise en scene techniques critique corporeal subjugation by authoritarian factions
