Getting Children Writing Simon Brownhill, 2013-05-13 This is a fantastic book which provides creative and practical suggestions of how to engage all children in writing Sarah Martin Denham Senior Lecturer in Primary Education University of Sunderland This book is a practical guide designed to stimulate story writing in the early years and primary classroom It offers a collection of novel and effective Ideas which can be used by

educators to energise excite and motivate children to willingly write stories across the 3-11 age phase Each chapter offers creative and innovative Ideas to get children writing stories including how to help children see the point of story writing how speaking and listening reading and phonics can be utilised to enhance written stories how technology can facilitate refreshing story writing how story writing can be physically interactive By combining theory with practice this book is ideal for those training to teach the 3 to 11 age range those beginning their teaching career and those who are established in their professional role Simon Brownhill is Senior Teaching Associate at the University of Cambridge

Children, Film and Literacy Becky Parry, 2013-10-22 Children Film and Literacy explores the role of film in children's lives The films children engage in provide them with imaginative spaces in which they create play and perform familiar and unfamiliar fantasy and everyday narratives and this narrative play is closely connected to identity literacy and textual practices Family is key to the encouragement of this social play and at school the playground is also an important site for this activity However in the literacy classroom some children encounter a discontinuity between their experiences of narrative at home and those that are valued in school Through film children develop understandings of the common characteristics of narrative and the particular language of film This book demonstrates the ways in which children are able to express and develop distinct and complex understandings of narrative that is to say where they can draw on their own experiences including those in a moving image form Children whose primary experiences of narrative are moving images face particular challenges when their experiences are not given opportunities for expression in the classroom and this has urgent implications for the teaching of literacy
