My Life and Work with Alfred Vogel Jan de Vries, 2011-04-08 My Life and Work with Alfred Vogel is the third instalment of Jan de Vries's memoirs covering his life and career as a renowned alternative health practitioner. This volume focuses on his long and fruitful working relationship with Alfred Vogel, which prospered right up until Vogel's death in 1996. Jan de Vries was the only person to whom Vogel taught his unique healing methods and philosophies, and as a result of their close professional links, they also became great friends, sharing a mutual respect and trust over a period of 40 years. In this revealing and informative memoir, de Vries details the methods employed by Vogel and the profound influence that the Swiss naturopath had on him and his career. De Vries reflects upon the controversial, often almost impossible situations that he shared with Vogel as they travelled throughout the world to promote their methods and practices. De Vries also provides invaluable practical advice for daily living and stresses how, by employing old folklore methods and taking on board aspects of dietary management, long-term health and happiness can be achieved by all.
