Voices Heart Second Journey Faith:

The Second Journey Robert P. Vande Kappelle, 2020-07-24 Spirituality is our connection to a greater whole It is a journey from God to God and with God and thus a journey toward Self Through this process we come to differentiate between our temporary self called ego and our permanent self the part of us made for ongoing relationship with God In the end we discover that we know God by being known much like one loves by being loved There are two halves or phases in spirituality sometimes flawed sometimes overlapping and other times distinct While many people experience first half of life spirituality most never get to second half of life thinking and living Designed as a study guide for group or individual use The Second Journey examines the development of Christian spirituality starting with its conception in the biblical and Greek philosophical tradition and continuing in orthodox and heterodox expressions Reading this book is like looking through one's favorite album of photographs each illustrating some aspect or dimension vital to spirituality The range of portraits examined is extensive including groups such as Platonists Stoics Gnostics Quakers Revivalists Neo Orthodox and Eastern Orthodox and individuals such as Philo Valentinus Origen Dionysius Augustine Julian of Norwich John of the Cross Jonathan Edwards John Wesley Schleiermacher Kierkegaard Barth Tillich and Richard Rohr Examining traditional and non traditional thinkers readers will discover that knowing God involves both light and darkness usually in that order Spirituality does not make us otherworldly it renders us more fully alive Matthew Fox

Faith Finding a Voice Cardinal Vincent Nichols, 2018-04-05 In *Faith Finding a Voice* Cardinal Vincent Nichols invites us to join him in an exploration of the presence of God in our lives How might we attune our ears to listen with greater attention to the voice of God through Scripture the teachings of the Church divine worship and the exercise of Caritas How might the gift of faith be realised in our lives in order that an authentic voice might be heard through our words and actions The reader is encouraged to reflect upon the mystery of the Triune God revealed to humanity and seen uniquely in Jesus Christ Drawing primarily upon the altarpiece *The Nativity with Saints* by Pietro Orioli Cardinal Vincent shows how by following the way and ministry of Jesus we are drawn into union with the divine now and for all eternity Through this vision the Cardinal advocates the necessity of theological and religious literacy for the common good of society This engagement encourages us to nourish the seeds of hope and to strive to build a more peaceful world through inter faith dialogue Such dialogue is enhanced the

A Disruptive Faith A.W. Tozer, 2011-05-12 The word faith is common these days but placing one's faith in God is a weighty action uncommonly fraught with consequence and by His design inconvenience Faith in God is reassuring and comforting only insofar as believers trust Him and that depth of trust is the mark of a mature Christian who has allowed faith to intrude on his life and shift his gaze away from his own aims needs and desires This is nothing if not a painful and disturbing process A Disruptive Faith is A W Tozer's never before published teaching on what he termed faith that perturbs faith that contradicts the unbelieving man and threatens the complacency of the Christian The renowned pastor and teacher insists in these pages that genuine faith breeds dissatisfaction with this life by God's design it weans us from this temporary life and prepares us for the life to come Readers will learn to be content with this faith inspired discontent and to experience a fresh hope for eternity with God

Ironies of Faith Anthony Esolen,2023-04-04 In Ironies of Faith celebrated Dante scholar and translator Anthony Esolen provides a profound meditation upon the use and place of irony in Christian art and in the Christian life Beginning with an extended analysis of irony as an essentially dramatic device Esolen explores those manifestations of irony that appear prominently in Christian thinking and art ironies of time for Christians believe in divine Providence but live in a world whose moments pass away ironies of power for Christians believe in an almighty God who took on human flesh and whose weakness is stronger than our greatest enemy death ironies of love for man seldom knows whom to love or how or even whom it is that in the depths of his heart he loves best and the figure of the Child for Christians ever hear the warning voice of their Savior who says that unless we become like unto one of these little ones we shall not enter the Kingdom of God Esolen s finely wrought study draws from Augustine Dante Shakespeare Tolkien Mauriac Milton Herbert Hopkins and Dostoyevsky among others including the anonymous author of the medieval poem Pearl Such authors Anthony

Esolen believes teach us that the last laugh is on the world because that grim old world taking itself so seriously that even its laughter is a sneer will finally despite its proud resistance be redeemed That is the ultimate irony of faith Readers who treasure the Christian literary tradition should not miss this illuminating book **An Infinite Journey** Dr. Andrew M. The Voice of Conscience Mika Ojakangas, 2013-07-18 In Western thought it has been persistently assumed that in moral and political matters people should rely on the inner voice of conscience rather than on external authorities laws and regulations This volume investigates this concept examining the development of the Western politics of conscience from Socrates to the present and the formation of the Western ethico political subject The work opens with a discussion of the ambiguous role of conscience in politics contesting the claim that it is the best defense against totalitarianism It then looks back at canonical authors from the Church Fathers and Luther to Rousseau and Derrida to show how the experience of conscience constitutes the foundation of Western ethics and politics This unique work not only synthesizes philosophical and political insights but also pays attention to political theology to provide a compelling and innovative argument that the experience of conscience has always been at the core of the political Western tradition An engaging and accessible text it will appeal to political theorists and philosophers as well as theologians and those interested in the critique of the Western civilization **The Impact of One Voice, Volume 1: Your Voice, Story, and Message Matters** Arvee Robinson, 2022-07-18 Each of us possesses unique gifts that we can give to the world that we owe to ourselves and to our communities to share Hidden within these pages is the inspiration you've been waiting for to let your inner voice shine Dive into the inspiring lives of the empowered authors of The Impact of One Voice Your Voice Story and Message Matters as they harness their voices to create meaningful change in their lives and careers
