Borchard, 2022-02-22 Journalism permeates our lives and shapes our thoughts in ways that we have long taken for granted Whether it is National Public Radio in the morning or the lead story on the Today show the morning newspaper headlines up to the minute Internet news grocery store tabloids Time magazine in our mailbox or the nightly news on television journalism pervades our lives The Encyclopedia of Journalism covers all significant dimensions of journalism such as print broadcast and Internet journalism U S and international perspectives and history technology legal issues and court cases ownership and economics The encyclopedia will consist of approximately 500 signed entries from scholars experts and journalists under the direction of lead editor Gregory Borchard of University of Nevada Las Vegas **Nigeria's Digital Diaspora** Farooq A. Kperogi, 2020 Over a decade ago when Nigeria's migratory digital elite in the United States pioneered a newfangled form of citizen online journalism that disrupted the professional certainties of domestic legacy journalism the country's professional journalists held out hope that the disruptive effect of this insurgent non professionalized non routinized but nonetheless transformative form of journalism would be transitory But diasporic citizen online journalism is not only now an integral part of Nigeria's media ecosystem it has also inspired successful homeland digital native emulators and is challenging even supplanting in some cases traditional domestic media formations as sites of consequential democratic discourse With Nigeria's frenetic and deeply engaged social media scene diasporan citizen journalism homeland news and social media activism are merging to create the most energetic moment in Nigeria's media history This book chronicles the emergence and transformation of Nigeria's diasporic citizen journalism from the margins to the mainstream of the country's journalistic landscape and draws parallels with the mainstreaming of alternative media formations in other parts of the world Farooq A. Kperogi is Associate Professor of Journalism and Emerging Media at Kennesaw State University Georgia USA He is a columnist for the Nigerian Tribune and blogs at <https://www.farooqkperogi.com> **The Pink Tide** Lee Artz, 2017-04-12 Over the last two decades military and authoritarian regimes in Latin America have receded as indigenous social movements and popular protests have demanded and won peaceful transitions to democratically elected governments Across the entire Southern hemisphere democracy arose with a radical flourish bringing dramatic changes in politics education civil society and the media Historically revolution in Latin America has been depicted as civil war violent conflict and armed resistance but recent social change has resulted from the political power of mass social movements reflected in elections and government policy change rather than guerrilla insurgencies The Pink Tide investigates the relationship between media access and democracy arguing that citizen participation in broadcasting is a primary indicator of the changed social relations of power in each country Democracy has meaning only to the extent that citizens participate in discussion and decisions This book demonstrates that participation in public communication is a prime ingredient in democratic action and citizen self organization a vital means for constructing new cultural practices and social norms Women's Rights in the United States

Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

The Yellow Journalism David Ralph Spencer, 2007-01-23 Most notable among Hearst's competitors was The World owned and managed by a Jewish immigrant named Joseph Pulitzer In The Yellow Journalism David R Spencer describes how the evolving culture of Victorian journalism was shaped by the Yellow Press He details how these two papers and others exploited scandal corruption and crime among New York's most influential citizens and its most desperate inhabitants a policy that made this journalism of action remarkably effective not just as a commercial force but also as an advocate for the city's poor and defenseless

BOOK JACKET I Mix What I Like! Jared A. Ball, 2011-06-21 I Mix What I Like is a study of the hip hop mixtape as a tool of emancipatory journalism Looking at colonialism the media education intellectual property and popular culture Jared Ball examines the ways in which the grassroots history of the rap music mixtape can encourage new forms of political organization and struggle

Colonial Australian Women Poets Katie Hansord, 2021-01-08 My book traces the significant poetic and political contributions made by non canonical women poets situating women's poetry both in colonial Australian print culture and in wider imperial and transnational contexts Women poets in colonial Australia have tended to be represented as marginal and isolated figures or absent This study intervenes by demonstrating an alternative networked tradition of transnational feminist poetics and politics beyond and around emergent masculine nationalism particularly within newspapers and periodical print culture Without the inclusion of periodical literature women's poetry in Australia during the colonial period would appear to have been fairly limited When periodical literature is taken into account this picture is radically altered and poets emerge as consistent contributors often across a variety of newspapers and journals who were well known influential and connected with political figures and literary circles In examining this poetry in the original context of the newspapers and journals the political intervention and the reception of that poetry is made much more apparent

The Struggle for Free Speech in the United States, 1872-1915 Janice Ruth Wood, 2011-10-25 Passed in 1873 the Comstock Act banned obscene materials from the mail without defining obscenity leaving it open to interpretation by courts that were hostile to free speech Literature that reflected changing attitudes toward sexuality religion and social institutions fell victim to the Comstock Act and related state

laws Dr Edward Bliss Foote became among the earliest individuals convicted under the law after he mailed a brochure on birth control methods For the next four decades Foote Sr and his son Dr Edward Bond Foote challenged the Comstock Act in Congress legislatures and courts and also offered personal assistance to Comstock defendants This book chronicles the Footes struggle examining not just the efforts of these cruising champions of freedom of expression and women s rights but also the larger issues surrounding free speech and censorship in the Gilded Age of American history
