The Sacred World of Ephrata

JEFF BACH

Voices Of The Turtledoves The Sacred World Of Ephrata

Patrick M. Erben

Voices Of The Turtledoves The Sacred World Of Ephrata:

Voices of the Turtledoves Jeff Bach, 2003 Today a premier tourist destination in the heart of Amish country Ephrata was a community of radical Pietist Germans who lived in peace and contemplation among magnificent buildings and an idyllic setting This book is the first definitive work of The Ephrata Cloister and its charismatic founder Georg Conrad Beissel

Souls for Sale John Frederick Whitehead, Johann Carl Büttner, Susan E. Klepp, Farley Ward Grubb, Anne Pfaelzer De Ortiz, 2010-11 In 1773 John Frederick Whitehead and Johann Carl Büttner two young German men arrived in America on the same ship Each man sold himself into servitude to a different master and years later each wrote a memoir of his experiences leaving invaluable historical records of their attitudes perceptions and goals Despite their common voyage to America and similar working conditions as servants their backgrounds and personalities differed Their divergent interpretations of their experiences are the substance of rich and varied firsthand accounts of the transatlantic migration process the servant labor experience of Germans in colonial America and post servitude life *Souls for Sale* presents these parallel memoirs Whitehead's published here for the first time to illustrate the condition of German redemptioners as well as their religious familial and literary contexts during a crucial period of migration in Europe and America The editors provide helpful introductions to the works as well as notes to guide the reader

Before Photography Kirsten Belgum, Vance Byrd, John D.

Benjamin, 2021-03-08 Recent years have seen a wealth of new scholarship on the history of photography cinema digital media and video games yet less attention has been devoted to earlier forms of visual culture The nineteenth century witnessed a dramatic proliferation of new technologies devices and print processes which provided growing audiences with access to more visual material than ever before This volume brings together the best aspects of interdisciplinary scholarship to enhance our understanding of the production dissemination and consumption of visual media prior to the predominance of photographic reproduction By setting these examples against the backdrop of demographic educational political commercial scientific and industrial shifts in Central Europe these essays reveal the diverse ways that innovation in visual culture affected literature philosophy journalism the history of perception exhibition culture and the representation of nature and human life in both print and material culture in local national transnational and global contexts

A Companion to

German Pietism, 1660-1800 Douglas Shantz, 2014-11-06 *A Companion to German Pietism* offers an introduction to recent Pietism scholarship on both sides of the Atlantic in German Dutch and English The focus is upon early modern German Pietism a movement that arose in the late 17th century German Empire within both Reformed and Lutheran traditions It introduced a new paradigm to German Protestantism that included personal renewal new birth women dominated conventicles and millennialism The Introduction offers a concise overview of modern research into German Pietism The Companion is then organized according to the different worlds of Pietist existence intellectual devotional literary cultural and social political

A Harmony of the Spirits Patrick M. Erben, 2013-06-10 In early Pennsylvania translation served as a

utopian tool creating harmony across linguistic religious and ethnic differences Patrick Erben challenges the long standing historical myth first promulgated by Benjamin Franklin that language diversity posed a threat to communal coherence He deftly traces the pansophist and Neoplatonist philosophies of European reformers that informed the radical English and German Protestants who founded the holy experiment Their belief in hidden yet persistent links between human language and the word of God impelled their vision of a common spiritual idiom Translation became the search for underlying correspondences between diverse human expressions of the divine and served as a model for reconciliation and inclusiveness Drawing on German and English archival sources Erben examines iconic translations that engendered community in colonial Pennsylvania including William Penn's translingual promotional literature Francis Daniel Pastorius's multilingual poetics Ephrata's angelic singing and transcendent calligraphy the Moravians polyglot missions and the common language of suffering for peace among Quakers Pietists and Mennonites By revealing a mystical quest for unity Erben presents a compelling counternarrative to monolingualism and Enlightenment empiricism in eighteenth century America **How**

Books Came to America John Hruschka,2012-01-01 Traces the development of the American book trade from the colonial era through the twentieth century Explores the technological historical cultural political and personal forces that shaped the trade paying particular attention to the contributions of the German bookseller Frederick Leypoldt and his journal Publishers Weekly Provided by publisher **Resist!** Michael G. Long,2014-07-30 **Protestantism: Oxford Bibliographies Online**

Research Guide Carla Gardina Pestana,2010-06 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

Spiritual Alchemy Mike A. Zuber,2021-10-06 Spiritual Alchemy traces the early modern antecedents of modern alchemy through generations of followers of Jacob Boehme the cobbler and theosopher of G rlitz Spiritual alchemy combines traditional elements of alchemical literature with Christian mysticism In 1850 it inspired Mary Anne Atwood to write her landmark Suggestive Inquiry into the Hermetic Mystery usually seen as the first modern interpretation of alchemy Drawing extensively on manuscript and otherwise obscure sources Zuber challenges the received wisdom that posits a rupture

between pre modern and modern forms of alchemy *Androgynous Democracy* Aaron Shaheen,2010-07-27 *Androgynous Democracy* examines how the notions of gender equality propounded by transcendentalists and other nineteenth century writers were further developed and complicated by the rise of literary modernism Aaron Shaheen specifically investigates the ways in which intellectual discussions of androgyny once detached from earlier gonadal based models were used by various American authors to formulate their own paradigms of democratic national cohesion Indeed Henry James Frank Norris Charlotte Perkins Gilman John Crowe Ransom Grace Lumpkin W E B Du Bois and Marita Bonner all expressed a deep fascination with androgyny an interest that bore directly on their thoughts about some of the most prominent issues America confronted as it moved into the first decades of the twentieth century Shaheen not only considers the work of each of these seven writers individually but he also reveals the interconnectedness of their ideas He shows that Henry James used the concept of androgyny to make sense of the discord between the North and the South in the years immediately following the Civil War while Norris and Gilman used it to formulate a new model of citizenship in the wake of America s industrial ascendancy The author next explores the uses Ransom and Lumpkin made of androgyny in assessing the threat of radicalism once the Great Depression had weakened the country s faith in both capitalism and religious fundamentalism Finally he looks at how androgyny was instrumental in the discussions of racial uplift and urban migration generated by Du Bois and Bonner Thoroughly documented this engrossing volume will be a valuable resource in the fields of American literary criticism feminism and gender theory queer theory and politics and nationalism *Hermetic Behmenists* Dionysius Andreas Freher,Francis Lee,2017-10-01 *Hermetic Behmenists* reproduces the writings of Dionysius Andreas Freher and Francis Lee two exceptional commentators on Jacob Boehme s philosophy The texts contained in this book were originally published in 1854 in an edition of 500 given away to friends and sent to university libraries by their editor Christopher Walton They were never sold in stores Walton was an English Behmenist and devotee of William Law and the texts were assembled as part of a research project that was never completed *Notes and Materials Towards an Adequate Biography of William Law* Unfortunately Walton presented the texts haphazardly without table of contents in microscopic type with footnotes going up to one hundred pages in length that in turn contained other texts This edition of the writings aims to put the writings of Freher and Lee in a more accessible and readable format Besides Walton s book only fragments of Freher s writings have been published A great quantity of writings have been preserved in manuscript form Freher was referred to as Second to Boehme in his capacity as a commentator on Boehme s philosophy making the inaccessibility of his works an unfortunate loss

Virgin Whore Emma Maggie Solberg,2018-12-15 In *Virgin Whore* Emma Maggie Solberg uncovers a surprisingly prevalent theme in late English medieval literature and culture the celebration of the Virgin Mary s sexuality Although history is narrated as a progressive loss of innocence the Madonna has grown purer with each passing century Looking to a period before the idea of her purity and virginity had ossified Solberg uncovers depictions and interpretations of Mary

discernible in jokes and insults icons and rituals prayers and revelations allegories and typologies and in late medieval vernacular biblical drama More unmistakable than any cultural artifact from late medieval England these biblical plays do not exclusively interpret Mary and her virginity as fragile In a collection of plays known as the N Town manuscript Mary is represented not only as virgin and mother but as virgin and promiscuous adulteress dallying with the Trinity the archangel Gabriel and mortals in kaleidoscopic erotic combinations Mary's virginity signifies invulnerability rather than fragility redemption rather than renunciation and merciful license rather than ascetic discipline Taking the ancient slander that Mary conceived Jesus in sin as cause for joyful laughter the N Town plays make a virtue of those accusations through bawdy yet divine comedy she redeems and exalts the crime By revealing the presence of this promiscuous Virgin in early English drama and late medieval literature and culture in dirty jokes told by Boccaccio and Chaucer Malory's Arthurian romances and the double entendres of the allegorical Mystic Hunt of the Unicorn Solberg provides a new understanding of Marian traditions

Against Sex Kara M. French, 2021-04-27 How much sex should a person have With whom What do we make of people who choose not to have sex at all As present as these questions are today they were subjects of intense debate in the early American republic In this richly textured history Kara French investigates ideas about and practices of sexual restraint to better understand the sexual dimensions of American identity in the antebellum United States French considers three groups of Americans Shakers Catholic priests and nuns and followers of sexual reformer Sylvester Graham whose sexual abstinence provoked almost as much social moral and political concern as the idea of sexual excess Examining private diaries and letters visual culture and material artifacts and a range of published works French reveals how people practicing sexual restraint became objects of fascination ridicule and even violence in nineteenth century American culture Against Sex makes clear that in assessing the history of sexuality an expansive view of sexual practice that includes abstinence and restraint can shed important new light on histories of society culture and politics

American Aurora Timothy Grieve-Carlson, 2024 American Aurora explores the impact of climate change on early modern radical religious groups during the height of the Little Ice Age in the seventeenth century Focusing on the life and legacy of Johannes Kelpius 1667-1707 an enormously influential but comprehensively misunderstood theologian who settled outside of Philadelphia from 1604 to 1707 Timothy Grieve Carlson explores the Hermetic and alchemical dimensions of Kelpius's Christianity before turning to his legacy in American religion and literature This engaging analysis showcases Kelpius's forgotten theological intricacies spiritual revelations and cosmic observations illuminating the complexity and foresight of an important colonial mystic As radical Protestants during Kelpius's lifetime struggled to understand their changing climate and a seemingly eschatological cosmos esoteric texts became crucial sources of meaning Grieve Carlson presents original translations of Kelpius's university writings which have never been published in English along with analyses and translations of other important sources from the period in German and Latin Ultimately American Aurora points toward a time and place when climate change caused an eruption of esoteric thought and

practice and how this moment has been largely forgotten *Benjamin Franklin* Thomas S. Kidd, 2017-05-23 A major new biography illuminating the great mystery of Benjamin Franklin's faith Renowned as a printer scientist and diplomat Benjamin Franklin also published more works on religious topics than any other eighteenth century American layperson Born to Boston Puritans by his teenage years Franklin had abandoned the exclusive Christian faith of his family and embraced deism But Franklin as a man of faith was far more complex than the thorough deist who emerges in his autobiography As Thomas Kidd reveals deist writers influenced Franklin's beliefs to be sure but devout Christians in his life including George Whitefield the era's greatest evangelical preacher his parents and his beloved sister Jane kept him tethered to the Calvinist creed of his Puritan upbringing Based on rigorous research into Franklin's voluminous correspondence essays and almanacs this fresh assessment of a well known figure unpacks the contradictions and conundrums faith presented in Franklin's life

Pennsylvania Germans Simon J. Bronner, Joshua R. Brown, 2017-02-15 This comprehensive encyclopedia the first of its kind maps out three hundred years of German history and culture in Pennsylvania and beyond Winner of the CHOICE Outstanding Academic Title of the Choice ACRL Destined to become the standard reference on Pennsylvania Germans also known as the Pennsylvania Dutch this book is the first survey of this extensive American group in nearly seventy five years Nineteen broad interpretive essays written by a distinguished group of historians anthropologists sociologists linguists and folklorists tell the rich and nuanced story of Pennsylvania German history and culture United by a distinct and distinctly American language the Pennsylvania Germans have been slower to assimilate than other ethnic groups This sweeping volume reveals though that the group is much less homogenous and isolated than was previously thought From architecture media and farming techniques to food folklore and medicine the Pennsylvania Germans and their descendants display a wide range of cultural variation In *Pennsylvania Germans* editors Simon J Bronner and Joshua R Brown broaden the geographical and social coverage of the group touching both on Pennsylvanian communities and the Pennsylvania German diaspora including settlements in Canada and Mexico They also expand historical coverage of the Pennsylvania Germans to the twentieth and twenty first centuries Beautifully illustrated this volume while paying tribute to the historical and cultural legacy of the Pennsylvania Germans is the most comprehensive book on the subject to date Contributors R Troy Boyer Simon J Bronner Joshua R Brown Edsel Burdge Jr William W Donner John B Frantz Mark H berlein Karen M Johnson Weiner Donald B Kraybill David W Kriebel Gabrielle Lanier Mark L Loudon Yvonne J Milspaw Lisa Minardi Steven M Nolt Candace Perry Sheila Rohrer and Diane Wenger **Religion, Food, and Eating in North America** Benjamin E. Zeller, Marie W. Dallam, Reid L.

Neilson, Nora L Rubel, 2014-03-11 The way in which religious people eat reflects not only their understanding of food and religious practice but also their conception of society and their place within it This anthology considers theological foodways identity foodways negotiated foodways and activist foodways in the United States Canada and the Caribbean Original essays explore the role of food and eating in defining theologies and belief structures creating personal and collective identities

establishing and challenging boundaries and borders and helping to negotiate issues of community religion race and nationality Contributors consider food practices and beliefs among Christians Jews Muslims and Buddhists as well as members of new religious movements Afro Caribbean religions interfaith families and individuals who consider food itself a religion They traverse a range of geographic regions from the Southern Appalachian Mountains to North America s urban centers and span historical periods from the colonial era to the present These essays contain a variety of methodological and theoretical perspectives emphasizing the embeddedness of food and eating practices within specific religions and the embeddedness of religion within society and culture The volume makes an excellent resource for scholars hoping to add greater depth to their research and for instructors seeking a thematically rich vivid and relevant tool for the classroom

An Introduction to German Pietism Douglas H. Shantz, 2013-04-15 An up to date portrait of a defining moment in the Christian story its beginnings worldview and cultural significance Winner of the Dale W Brown Book Award of the Young Center for Anabaptists and Pietist Studies at Elizabethtown College An Introduction to German Pietism provides a scholarly investigation of a movement that changed the history of Protestantism The Pietists can be credited with inspiring both Evangelicalism and modern individualism Taking into account new discoveries in the field Douglas H Shantz focuses on features of Pietism that made it religiously and culturally significant He discusses the social and religious roots of Pietism in earlier German Radicalism and situates Pietist beginnings in three cities Frankfurt Leipzig and Halle Shantz also examines the cultural worlds of the Pietists including Pietism and gender Pietists as readers and translators of the Bible and Pietists as missionaries to the far reaches of the world He not only considers Pietism s role in shaping modern western religion and culture but also reflects on the relevance of the Pietist religious paradigm of today The first survey of German Pietism in English in forty years An Introduction to German Pietism provides a narrative interpretation of the movement as a whole The book s accessible tone and concise portrayal of an extensive and complex subject make it ideal for courses on early modern Christianity and German history The book includes appendices with translations of German primary sources and discussion questions

Community of the Transfiguration Paul R. Dekar, 2008-02-01 In the 1930s German theologian Dietrich Bonhoeffer anticipated the restoration of the church after the coming second world war through a new kind of monasticism a way of life of uncompromising adherence to the Sermon on the Mount in imitation of Christ Since then the renewal of Christian monasticism has become a great spiritual movement Imbued with a love for God and neighbor and with a healthy self love people are going to monasteries to deepen their relationship with God to pray and to find peace While some monastic institutions are suffering a decline in traditional vocations many Christians are exploring monastic lifestyles This book introduces The Community of the Transfiguration in Australia the story of a new monastic community and an inspiring source of hope for the world at another time of spiritual social and ecological crisis

Religion on the Margins Benjamin M. Pietrenka, 2024-09-30 In the eighteenth century missionaries of the radical Pietist Moravian Church wandered from

Germanic Europe to the edges of the known world in search of tolerance and a closer relationship to God. This open minded cosmopolitan undertaking led to unintended consequences however both for the Moravians and for the other persecuted peoples European African and Indigenous they sought to convert. *Religion on the Margins* examines the complexities of early modern Moravians as a cosmopolitan community focused on an eschatological global vision while having to negotiate diverse cultures and most importantly the institution of slavery. Drawing on a transatlantic archive of teachings letters and diaries Benjamin M. Pietrenka sheds light on how a professedly anti colonial cast of characters navigated and found themselves taking part in a deeply colonial narrative. Ultimately Pietrenka shows how the Moravians operating from within the constraints of mission work became complicit in the European imperial project in spite of their stated values and their own experience of marginalization. For scholars of early modern religion empire and politics Pietrenka's book challenges tendencies in the field to equate modernity with secularization and invites us to consider how non elite actors understood religion and ethnicity through each other in ways that contributed to the emergence of modern scientific racism and white supremacy.

Voices Of The Turtledoves The Sacred World Of Ephrata Introduction

In the digital age, access to information has become easier than ever before. The ability to download Voices Of The Turtledoves The Sacred World Of Ephrata has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Voices Of The Turtledoves The Sacred World Of Ephrata has opened up a world of possibilities. Downloading Voices Of The Turtledoves The Sacred World Of Ephrata provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Voices Of The Turtledoves The Sacred World Of Ephrata has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Voices Of The Turtledoves The Sacred World Of Ephrata. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Voices Of The Turtledoves The Sacred World Of Ephrata. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Voices Of The Turtledoves The Sacred World Of Ephrata, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Voices Of The Turtledoves The Sacred World Of Ephrata has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Voices Of The Turtledoves The Sacred World Of Ephrata Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Voices Of The Turtledoves The Sacred World Of Ephrata is one of the best book in our library for free trial. We provide copy of Voices Of The Turtledoves The Sacred World Of Ephrata in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Voices Of The Turtledoves The Sacred World Of Ephrata. Where to download Voices Of The Turtledoves The Sacred World Of Ephrata online for free? Are you looking for Voices Of The Turtledoves The Sacred World Of Ephrata PDF? This is definitely going to save you time and cash in something you should think about.
