Llewellyn Drury, 1897 We'll Meet Again Kate McQuiston, 2013-12 We'll Meet Again illuminates music's central role in the design and reception of Stanley Kubrick's films. It brings together archival evidence and close analysis to trace the ways music serves as starting point and inspiration throughout Kubrick's working process Etidorhpa, Or, The End of Earth John Uri Lloyd, 1896 Etidorhpa is an early science fiction novel depicting a man's descent into the bowels of the Earth at the instigation of a mysterious secret society; it is presented here complete with the original illustrations. Llewellyn Drury is visited by a mysterious old man whose defining physical feature is his large protruding forehead. The man offers to tell his story promising that his life and knowledge is worth writing down. Being as the man displays certain enthralling and supernatural powers, Drury assents to the task. Etidorhpa is this story interspersed with pauses wherein Drury questions his strange houseguest. John Uri Lloyd was a popular author of mystery and science fiction books. His profession, however, was pharmacology, with his specialism being herbal medicines and ethnobotanics. The presence of giant mushrooms in one portion of the story plus the various fantastical elements described have led some readers to speculate that the author's knowledge of mind-altering substances influenced Etidorhpa's plotting. Some sixty-five illustrations populate the pages of this book. They depict the stages of the journey plus some of the scientific and metaphysical concepts explored *Speaking of Power* Di Brandt, 2006 *Speaking of Power: The Poetry of Di Brandt* introduces the reader to the lyric power and political urgency of the poetry of Di Brandt, providing an overview of her poetry written during a prolific and revolutionary twenty-year period. Particularly engaged with questions of motherhood, the land, violence, and reparation, feminism, and spirituality, Brandt explores ecopoetics, an ecology of poetry as a possible antidote to the cultural despair of the twenty-first century. Editor Tanis MacDonald's introduction outlines the major movements of Brandt's work, emphasizing the relationship of language to power and the value of a dissenting voice in a forceful cultural poetics. An afterword by Brandt completes the volume **Etidorpha and the Account of a Remarkable Journey** John U. Lloyd, 1896 with many illustrations by J. Augustus Knapp, with added chapters from the 11th edition, the strange history of a mysterious being and the account of a remarkable journey into the Hollow Earth as communicated to Llewellyn Drury.
