Yorba Proverbs Multilingual Edition:

Principles and Concepts of Yoruba Language and Yoruba Proverbs J. S. Olaoye, 2012-06-30 Author J S Olaoye encourages the preservation of good heritage in his new book *Principles and Concepts of Yoruba Language and 1 122 Yoruba Proverbs 2nd Edition*. Chapter one deals with the basic principles guiding the writing and speaking of correct and modern sentences in Yoruba language. It begins by drawing peoples attention to the recognition and pronunciation of the letters of Yoruba alphabet a b d correctly to the formation of syllables and difference between old and modern writings. The guide includes the composition of short sentences. Civilization seems to have brought corresponding challenges and possible changes on peoples outlook and lifestyles. Among these challenges is the preservation of their native culture and language. There is a great potential of losing their skills to use their mother tongue. Thus author J S Olaoye releases his new book to solve and help prevent this problem from occurring. Chapter two gives and explains purposes for which Yoruba uses proverbs and chapter three provides the different types of proverbs that are used in different situations. Chapter four contains one thousand one hundred twenty two Yoruba proverbs each with a literal English translation. This fourth chapter ended the first edition of this book with only eight hundred sixty two Yoruba proverbs with the title *Yoruba Proverbs*. Chapter five contains the concept of calculation which brought about Yoruba numerals from one to five hundred followed by Yoruba calendar. The Yoruba calendar in turn brought to light different festival that formed up the concept of market days including weekly monthly and yearly activities. Through *Principles and Concepts of Yoruba Language and 1 122 Yoruba Proverbs 2nd Edition* by author J S Olaoye parents or teachers will have perfect guide to teach their children or students the very basic skills in Yoruba language from A B D to proficient conversation and reading skills a step to preserve a great legacy.

French in Multilingual Anglophone Africa Michael Akinpelu, Tunde Ajiboye, 2025-09-04 Examining the impact of French language in Nigeria this book discusses the prospects of French language use for development as well as its connection to literature and translation. Despite its ambiguous and indistinct official status in the country French remains the preferred foreign language in Nigeria and academia.
