Spivey, 2000-09-07 Fifteen years in the making this book emerges as a new approach to presenting culinary information It showcases a myriad of sumptuous mouth watering recipes comprising the many commonalities in ingredients and methods of food preparation of people of color from various parts of the globe This powerful book traces and documents the continent's agricultural and mineral prosperity and the strong role played by ancient explorers merchants and travelers from Africa's east and west coasts in making lasting culinary and cultural marks on the United States the Caribbean Peru Brazil Mexico India and

Southeast Asia Groundbreaking in its treatment of heritage survival in African and African American cooking this illuminating book broadens the scope of cuisine as it examines its historical relationship to a host of subjects including music advertising sexual exploitation and publishing Provocative in its perspective The Peppers Cracklings and Knots of Wool Cookbook dispels the long standing misnomer that African cuisine is primitive unsophisticated or simply non existent and serves as a reference in understanding how Africa s contributions continue to mark our cuisine and culture today A *Quaker Woman's Cookbook* Elizabeth Ellicott Lea,2016-01-11 One of the finest sources for studying authentic American fold diet the 1853 facsimile edition presented here contains a wealth of recipes and folk wisdom from the Quakers Tidewater South and Pennsylvania Germans This volume with an extensive introduction and glossary is the first attempt by an American food historian to analyze the cookery of the Quakers *The Comfort Diner Cookbook* Ira Freehof,Pia Catton,2005 A collection of recipes from a popular New York eatery features a wide variety of recipes that exemplify the finest in diner cuisine including more than one hundred dishes ranging from the traditional favorite macaroni and cheese and meatloaf to the innovative Cobb salad sandwich and more than a dozen milkshakes Original 17 500 first printing **The Founding Foodies** Dave DeWitt,2010-11-01 Ever wonder how certain foods came to be such huge staples of American culinary history In this fascinating mashup between history book and cook book one of America s Founding Fathers could be at the source Food writer Dave DeWitt entertainingly describes how some of America s most famous colonial leaders like George Washington Thomas Jefferson and Benjamin Franklin not only established America s political destiny but also revolutionized the very foods we eat Beyond their legacy as revolutionaries and politicians the Founding Fathers of America were first and foremost a group of farmers Like many of today s foodies they ardently supported sustainable farming and ranching exotic imported foods brewing distilling and wine appreciation Explore their passion for the land and the bounty it produced through an intriguing narrative sprinkled with recipes that showcase their love of food and the art of eating that would ultimately become America s diverse food culture Features over thirty authentic colonial recipes including Thomas Jefferson s ice cream A recipe for beer by George Washington Martha Washington s fruitcake Medford rum punch Terrapin soup
