Walker, 2023-09-01 For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition of preaching This anthology with essays by an international group of scholars from several disciplines investigates the diverse voices of Christian women who claimed the authority to preach and prophesy The contributors examine the centuries of arguments grounded in Pauline injunctions against women's public speech and the different ways women from the early years of the church through the twentieth century have nonetheless exercised religious leadership in their communities Some of them based their authority solely on divine inspiration others were authorized by independent minded communities a few were even recognized by the church hierarchy With its lively accounts of women preachers and prophets in the Christian tradition this exceptionally well documented collection will interest scholars and general readers alike For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition **Voices in the Wilderness** John L. Thomas, 2018-01-30 FINALLY a scholarly description of the development of Black preaching in the United States that is

accessible to the average reader but also contributes to the academic conversation about both style and theological content. Written from the perspective of a seasoned practitioner and tenured practical theologian Thomas surveys Black preaching as it has responded to various social and historical time periods. Starting with the brutality of chattel slavery, early formations in segregated Southern life, rapid migration to and urbanization in Northern cities, and various events throughout the post civil rights era, the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change. At the heart of the book, three prime examples are presented as models of the real genius of Black preaching. The reader will never again think about Reverend Martin Luther King Jr., Malcolm X, and the Reverend Jesse Jackson in the same way. A special chapter is devoted to the contributions of Black women preachers, along with a closing chapter that makes new proposals for the future. The book is a provocative and critical analysis of why Black preaching still matters.

Origines Ecclesiasticæ; Or, the Antiquities of the Christian Church; and Other Works ... With a Set of Maps of Ecclesiastical Geography; to which are Now Added Several Sermons, and Other Matter, Never Before Published. The Whole Revised and Edited, Together with a Biographical Account of the Author, by His Great Grandson, the Rev. Richard Bingham Joseph BINGHAM (M. A.), 1829 *The Mailbag* Timothy Burr Thrift, 1921 *The American Baptist Year-book*, 1883 *Origines ecclesiasticæ; or The antiquities of the Christian church, and other works of Joseph Bingham* Joseph Bingham, 1829 The Methodist Defense of Women in Ministry Paul W. Chilcote, 2017-11-10

John Wesley promoted the ministry of women in early Methodism. Amazing women like Phoebe Palmer, Catherine Booth, and Frances Willard, founding figures in the holiness movement, the Salvation Army, and the Woman's Christian Temperance Union, claimed biblical precedent for their groundbreaking ministries. They withstood the onslaught of criticism and hostility from those who thought they had stepped out of their proper sphere. Methodists have championed the cause of women and developed biblical, spiritual, and practical arguments for their ministry for two and a half centuries. More than fifty documents from the history of Methodism chronicle the tortuous journey leading to biblical equality in this family of churches. At a time when the ministry of women is under serious attack in a number of quarters, yet again we all have much to learn from the witness of Wesleyan Christians who argued for women's ministry. This story illustrates how faithful women, when they knew they had the Lord's approval, stood like the beaten anvil to the stroke. Courage. Defiance. Perseverance. Faithfulness. These qualities define the Methodist defense of women in ministry.
