Wishbone California Poetry:

Wishbone Priscilla Lee, 2000 A fascinating eclectic mix of tongue in cheek laughter and heartbreak *Wishbone* is a reflection on life at first seen through the eyes of a child forced to grow up before her time and later by a woman facing her past These courageous poems chronicle the life of an Asian American woman at the crossroad of two cultures transforming her conflicting experiences into self acceptance strength and a wild free happiness "So There It Is" Brigitte Wallinger-Schorn, 2011 Preliminary Material Introduction Cultural Hybridity Linguistic Hybridity Narrative Hybridity Formal Hybridity Conclusion Works Cited Interviews Index **Wishbone** Anna Garcia Schaper, 2020-05-31 Pilar's mother has been extra vigilant about her fifteen year old daughter's diet after she came home from school in tears The truth is Pilar wouldn't mind losing some weight She dreams of becoming an actor and wants to try out for the school production of *Our Town* but she's reminded constantly that she's too ugly too fat too Mexican With the encouragement of some new friends and her feisty grandmother who thinks she's perfect just the way she is Pilar works up the nerve to try out for the play in spite of continued harassment by Becca Barlowe and her posse But when a handsome high school jock plays a mean trick on her that becomes a social media sensation Pilar once again finds herself using food to anesthetize her pain This appealing novel for mature teens juxtaposes Pilar's story with her grandmother's when she was married to a male chauvinist years earlier in Laredo Texas Both women must struggle to find their own voice in a world where others insist on defining them as less than Capturing the heartache of seeking and accepting one's true self Anna Garcia Schaper movingly explores the strength of family bonds and their importance in overcoming difficult and sometimes tragic circumstances *Wishbone* Laura C. Jarmon, 2003 Jarmon English U of Tennessee Martin studies the history and attempts to trace the origins of several prevalent themes in African American folklore using folk tale collections from the US and Africa The themes link subjects with symbolic content such as tar baby with binding and transcription and the skull with presence and propriety An introduction presents Jarmon's methodology her thesis is that these narratives are a type of modal discourse that is symbolized by the motifs of the wishbone and crossroads which she sees as emblematic of the concept of margins and reflective of a mood of indeterminacy Annotation c 2003 Book News Inc Portland OR booknews.com *International Who's Who of Authors and Writers 2004* Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The *International Who's Who of Authors and Writers* offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary
