Wissenspolitik und politischer Wandel

Zur Bedeutung veränderter Wissensordnungen
für die deutsche und britische Arbeitsmarktpolitik

By Marc-Christopher Krapp, Dr. Sylvia Pannowitsch and Hubert Heinelt

2015, 222 pp., pb., € 39.00

ISBN 978-3-8487-1627-2

www.nomos-shop.de/23269

The „Hartz-Reforms“ in Germany and the „New Deal“ programs in Great Britain illustrate a wide-ranging policy change. But only the German case can be classified as a paradigmatic change. Recent literature on policy change refers to explanations focusing on the role of experts, learning processes and competing knowledge claims. Nevertheless, a systematic comparative analysis of this knowledge dimension and its influence on political change has not been conducted yet. In this study the long-term enforcement of new knowledge regarding labour market policy will be traced back to the role of knowledge politics. Knowledge politics change structures and procedures of enforcement and justification of knowledge relevant for political action.

Wissenspolitik Politischer Wandel Wissensordnungen Arbeitsmarktpolitik:

Challenges to Political Decision-making Hubert Heinelt, 2019-05-22 This book analyses the ability of individuals to create meaning through communicative interaction and of what seems to constrain and enable actors in taking collectively binding political decisions The book examines why in some contexts individuals consider something as evident and relevant for their action while others perceive them as nonsense or simply as fake news As such the book follows a research perspective based on a concept emphasizing that the core function of knowledge is related to the selection and integration of data and other information which give them substance Taking an interpretive political science perspective to knowledge the book overcomes particular deficiencies of policy learning concepts where the development of an understanding of reality is thematized in a way that supposedly decrypts everyday processes through which individuals understand reality and re orient their actions to intersubjective processes To better understand these intersubjective processes communicative mechanisms are worked through where knowledge claims are selected and integrated This book will be of key interest to scholars and students of political science and policy analysis and more broadly to sociology and social theory geography planning philosophy communication studies and governance studies *Interpretative Policy-Analysis* Sybille Münch, 2015-09-25 Mit der interpretativen Wende vollzieht sich seit einigen Jahren eine Öffnung der Policy Analyse für die diskursive Konstruktion von Wirklichkeit Politikverläufe stellen sich in diesem Verständnis als Interpretationsprozesse und Interpretationskampfe dar Angesichts der Heterogenität der unter dem Dach der interpretativen oder argumentativen Policy Analyse zusammengefassten Strömungen und der überwiegend im englischen Sprachraum stattfindenden Debatten ist es bislang jedoch insbesondere für Studierende schwierig sich einen Überblick zu verschaffen Der Band gibt eine Einführung in die erkenntnistheoretischen Grundlagen dieser neueren post positivistischen Ansätze ihre zentralen Begrifflichkeiten und Fragestellungen **Wissen und Entscheiden** Hubert Heinelt, Wolfram Lamping, 2015-01-08 Wissen bildet die Voraussetzung dafür Entscheidungen treffen und in konkreten Situationen angemessen handeln zu können Hubert Heinelt und Wolfram Lamping zeigen dass das was auf lokaler Ebene als Problem definiert wird und im Hinblick auf die Lösung entscheidungsrelevant ist von einer spezifischen Deutung und Wissenswahl abhängt In ihr kommt zum Ausdruck was in spezifischen räumlichen Kontexten als sachlich und normativ angemessen gilt Anhand der Klimapolitik der Städte Frankfurt am Main München und Stuttgart untersuchen die Autoren wie solches Wissen generiert reproduziert und infrage gestellt wird und welche Mechanismen für diesen Prozess relevant sind *Wissenspolitik und politischer Wandel* Max-Christopher Krapp, Sylvia Pannowitsch, Hubert Heinelt, 2015 The Hartz Reforms in Germany and the New Deal programs in Great Britain illustrate a wide ranging policy change But only the German case can be classified as a paradigmatic change Recent literature on policy change refers to explanations focusing on the role of experts learning processes and competing knowledge claims Nevertheless a systematic comparative analysis of this knowledge dimension and its influence on political

change has not been conducted yet In this study the long term enforcement of new knowledge regarding labour market policy will be traced back to the role of knowledge politics Knowledge politics change structures and procedures of enforcement and justification of knowledge relevant for political action
