From Tragedy to Triumph Alex Davis, 2016-05-06 From Tragedy to Triumph describes a man's struggle with the untimely deaths of three of his four children, all due to unusual circumstances. This is the story of a man learning how to deal with such a tragedy. You will follow Alex and see what happens when he lays down the grief and runs to God. The heartfelt pain was so intense that the man walked away from his business and settled in for a long season of prayer, going to God for the answers. It was during this time that God began to show Alex a better understanding of how life and death and God and His kingdom work. Fortunately for us, Alex was permitted to take notes and write down what he heard and saw. Though written in simple, down-to-earth English, you will find many profound truths direct from the throne of God.
