

How To Train Your Dog Like A Pro: The Basics Of Dog Training

If you're anything like most pet owners, your pooch is the star of your home and the center of your social circle. However, that doesn't mean they don't sometimes have trouble understanding some things. Such as why you have to leave for a few hours, or why it's not okay to chew up your favorite green sock again. This is where training comes in. Dog training helps teach your dog what he needs to know about new situations and associated behaviors so that he understands what you want him to know and behaves accordingly in new and unfamiliar circumstances. Training also helps reinforce positive behavior patterns whenever possible, which can reduce the occurrence of undesirable actions in the future.

What is dog training?

Dog training is a process through which a person teaches a dog certain behaviors. It aims to teach the dog what to do, as well as how to do it. Dog training is often associated with dog obedience training. But it's also used to teach a variety of other skills and capacities, such as how to recognize the owner's absence, or that it's not okay to chew up your blue shoes.
