iglesia católica romana estableció el sentir individual sobre la conciencia colectiva en supremacía como la única verdad existente sobre la tierra metodológica dogmática que se logra a sangre y fuego. Profecías del Nuevo Ciclo: Neptuno, Saturno, Urano y Plutón Transforman la Humanidad Alina Rubi, 2025-05-22 La humanity is found crossing a point of inflection. Four planetary forces, Neptune in Aries, Saturn in Aries, Uranus in Gemini, and Pluto in Aquarius, are activating profound transformations in the individual and collective consciousness. Neptune ignites fire in the beliefs, Saturn redefines action and duty, Uranus dismantles mental structures, and Pluto uproots established systems. This book offers an astrological reading that is clear, profound, and visionary, showing how these transits remodel the spirituality, technology, politics, human relationships, and the very structure of the modern soul. More than predictions, these are coordinates for navigating the new evolutionary cycle that is already in progress.
