Military History Institute of Vietnam

Vietnam Infantry Tactics Elite:

Vietnam Infantry Tactics Gordon L. Rottman, 2013-05-20 This book reveals the evolving US Viet Cong and NVA tactics at battalion level and below throughout the Vietnam War Beginning with a description of the terrain climate and the unique nature of operations in this theatre of war the author a Vietnam veteran himself goes on to explain how unit organisation was broken down by combatant forces and the impact this had on the kind of tactics they employed In particular the author highlights how units were organised in reality on the battlefield as opposed to their theoretical tables of organisation US tactics included the standard US tactical doctrine as prescribed by several field manuals and in which leaders and troops were rigorously trained But it also reveals how many American units developed innovative small unit tactics specifically tailored to the terrain and enemy practices In contrast this book also reveals the tactics employed by Viet Cong and NVA units including their own Offensive Operations Reconnaissance Movement Formations and Security and Ambushes

Vietnam Marines 1965-73 Charles D. Melson, 2012-05-20 The period following World War 2 saw a number of associated Marine Corps three of whom fought together during the war in Vietnam from 1965 to 1973 These Corps were similar formations but each had its own history and traditions they were the United States Marines the Vietnamese Marines and the Korean Marines Common to them was a reputation for toughness on themselves and any foreign or domestic enemies strong unit pride and loyalty and a privileged place within the political structure of their respective countries This richly illustrated account by US Marine historian Charles Melson describes the history weapons equipment uniforms and insignia of the US Vietnamese and Korean Marines who fought in Vietnam

US Air Cavalry Trooper vs North Vietnamese Soldier Chris McNab, 2020-09-17 The tactics and technologies of modern air assault vertical deployment of troops by helicopter or similar means emerged properly during the 1950s in Korea and Algeria Yet it was during the Vietnam War that helicopter air assault truly came of age and by 1965 the United States had established fully airmobile battalions brigades and divisions including the 1st Cavalry Division Airmobile This division brought to Vietnam a revolutionary new speed and dexterity in battlefield tactics using massed helicopters to liberate its soldiers from traditional overland methods of combat manoeuvre However the communist troops adjusted their own thinking to handle airmobile assaults Specializing in ambush harassment infiltration attacks and small scale attrition the North Vietnamese operated with light logistics and a deep familiarity with the terrain They optimized their defensive tactics to make landing zones as hostile as possible for assaulting US troops and from 1966 worked to draw them into Hill Traps extensive kill zones specially prepared for defence in depth By the time the 1st Cavalry Division Airmobile withdrew from Vietnam in 1972 it had suffered more casualties than any other US Army division Featuring specially commissioned artwork archive photographs and full colour battle maps this study charts the evolution of US airmobile tactics pitted against North Vietnamese countermeasures The two sides are analysed in detail including training logistics weaponry and organization

Tunnel Rat in Vietnam Gordon L. Rottman, 2012-02-20 In 1965 soon after the first

US combat troops had arrived in Vietnam it was realized that in some areas the Viet Cong had developed vast tunnel complexes in which to hide from the enemy. It was long known that such complexes existed but it was not realized just how extensive they were in some areas how important they were to the Viet Cong and how difficult it was to detect and neutralize them. At first infantrymen volunteered to enter the tunnels armed with only pistols and flashlights the tunnel runners were soon known to the Australians as tunnel ferrets. Starting as an ad hoc force of infantrymen combat engineers and chemical troops it was not long before units were formalized as tunnel exploration personnel and 4-6 man tunnel exploitation and denial teams were created. They came to be known simply as tunnel rats with the unofficial motto *Non Gratum Anus Rodentium* Not Worth a Rat's Ass. This title will be based on the personal accounts of those who served in this unique role and will describe the specialist training and equipment not to mention the tactics and combat experiences of those who fought an underground war against the Viet Cong in Vietnam.

Fighting Elites John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U.S. Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth. Most civilians have only a vague idea of what the U.S. Special Forces are all about who they are how they differ from our normal military forces what they've accomplished throughout our history and how they operate today. *Fighting Elites: A History of U.S. Special Forces* examines the rich and varied history of U.S. Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence. In this first ever reference guide to U.S. Special Forces military historian John C. Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known. The text also contains 20 biographical entries of noted personalities associated with special purpose activities.

M50 Ontos and M56 Scorpion 1956-70 Kenneth W. Estes, 2016-11-17 Designed in the 1950s the US Marines M50 Ontos and the US Army's M56 Scorpion were both intended to be fast light air droppable tank killers for the Cold War battlefield an answer to the cumbersome and ineffective World War II vintage tanks that had taken to the battlefield during the Korean War. Although they shared the aim of bringing light mobile and lethal antitank firepower to the infantry the two vehicles varied wildly in design to cater for their unique mission demands. They first saw service in the Lebanon intervention of 1958 but it was in the Vietnam War that they made their name with the M50 Ontos seeing intense combat action in the Battle of Hue in 1968. Detailed illustrations and expert analysis provide the reader with a comprehensive history of these deadly antitank vehicles from early development through to their combat history and the eventual disbandment of the Marine Corps last antitank battalion with M50A1s in 1971.

Victory 1945 Gordon L. Rottman, 2015-11-20 Even when Western Allied troops gained a foothold in Normandy World War II in Europe was far from over. The route to Germany's interior and the Nazis' final surrender was long arduous and blood stained.

The Wehrmacht's stubborn resistance and the shocking losses suffered by US British Canadian and Free European troops meant that the Allies had to adapt and refine small unit tactics battle drills and their use of weapons and munitions The troops who finally met up with the Red Army in Germany were a very different fighting force to the one that struggled up the beaches of northern France This book offers a comprehensive guide to the late war Allied troops exploring their uniforms equipment organization and tactics Detailed description and accurate colour pictures illustrate the means by which the Allied troops on the ground evolved to the point of winning the war on the Western Front

World War II Winter and Mountain Warfare Tactics Stephen Bull, 2013-04-20 From the siege of Leningrad to the Battle of the Bulge many of the most famous and brutal battles of World War II were fought in winter conditions This book describes and illustrates the tactics used by the men who fought one another in this uniquely demanding environment The twentieth century saw an unprecedented emphasis on fighting in all terrains seasons and weather conditions Such conditions made even basic survival difficult as subzero temperatures caused weapons to jam engines to seize up and soldiers to suffer frostbite snow blindness and hypothermia The conditions often favoured small groups of mobile lightly armed soldiers rather than the armoured forces or air power that dominated other combat environments Some European armies developed small numbers of specialist alpine troops before and during World War I but these proved to be insufficient as nearly all the major combatants of World War II found themselves fighting for extended periods in extremely hostile cold weather and or alpine environments Drawing upon manuals memoirs and unit histories and illustrated with period tactical diagrams and specially commissioned full colour artwork this study sheds new light on the winter warfare tactics and techniques of the US British German Soviet and Finnish armies of World War II

Encyclopedia of Military Science G. Kurt Piehler, 2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today's military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events

Napoleonic Heavy Cavalry & Dragoon Tactics Philip Haythornthwaite, 2013-07-20 During the Napoleonic Wars the supreme battlefield shock weapon was the heavy cavalry the French cuirassiers and their British Austrian Prussian and Russian counterparts Big men mounted on big horses the heavy cavalry were armed with swords nearly a metre long used for slashing or thrusting at their opponents many wore steel armour a practice revived by Napoleon They were tasked with smashing a hole in the enemy's line of battle with exploiting a weakness or with turning a flank Their classic manoeuvre was

the charge arrayed in close order lines or columns the heavy cavalry would begin their attack at the walk building up to a gallop for the final 50 metres before impact Illustrated with diagrams relevant paintings and prints and specially prepared colour plates this is the first volume of a two part study of the cavalry tactics of the armies of Napoleon and those of his allies and opponents Written by a leading authority on the period it draws upon drill manuals and later writings to offer a vivid assessment of how heavy cavalry actually fought on the Napoleonic battlefield

World War II Jungle Warfare Tactics Stephen Bull,2013-08-20 This book describes and illustrates in fascinating detail the slow and painful learning curve followed by the Allies in the mid war years as they attempted to end the Japanese stranglehold on Southeast Asia and the Pacific Based on the actual wartime training documents and front line memoirs it shows how the British Australian and US armies transformed their tactics attitudes and equipment to master the art of jungle warfare In 1944 45 the Allies finally conquered the jungle environment exploiting their new strengths and their enemy s weaknesses to win crushing victories in Burma and on the Pacific islands

World War II US Army Combat Equipments Gordon L. Rottman,2016-02-25 A soldier s web gear is as important to his ability to live and fight on the battlefield as are his clothing and weapons In World War II the US Army issued equipment items that had originated in 1910 though modified and augmented in the 1920s and 1930s and again during the war itself as a result of combat experience This book describes and illustrates the great majority of the personal equipment provided for infantry riflemen GIs armed with other weapons and their ammunition bearers officers and medics In addition to the web gear itself it covers canteens mess kit and first aid items weapons related and other specialist items the long struggle to produce a practical backpack bivouac and shelter gear and the most commonly carried tools The text also explains the basics of materials colors markings nomenclature and weights for the guidance of collectors It is illustrated with wartime photos and color close ups and the wide ranging color plates specially prepared for this book offer more than 130 images

U.S. Army Counterinsurgency and Contingency Operations Doctrine, 1942-1976 Andrew James Birtle,2006 CMH Pub 70 98 1 This study examines the nature of counterinsurgency and nation building missions the institutional obstacles inherent in dealing effectively with such operations and the strengths and weaknesses of U S doctrine including the problems that can occur when that doctrine morphs into dogma

Legend Eric Blehm,2016-04-26 The true story of the U S Army s 240th Assault Helicopter Company and a Green Beret Staff Sergeant s heroic mission to rescue a Special Forces team trapped behind enemy lines during the Vietnam War from New York Times bestselling author Eric Blehm On May 2 1968 a twelve man Special Forces team covertly infiltrated a small clearing in the jungles of neutral Cambodia where U S forces were forbidden to operate Their objective just miles over the Vietnam border was to collect evidence that proved the North Vietnamese Army was using the Cambodian sanctuary as a major conduit for supplying troops and materiel to the south via the Ho Chi Minh Trail What the team didn t know was that they had infiltrated a section of jungle that concealed a major enemy base Soon they found themselves surrounded by hundreds of NVA under attack low

on ammunition stacking the bodies of the dead as cover in a desperate attempt to survive the onslaught When Special Forces Staff Sergeant Roy Benavidez heard their distress call he jumped aboard the next helicopter bound for the combat zone What followed would become legend in the Special Operations community Flown into the foray of battle by the 240th Assault Helicopter Company Benavidez jumped from the hovering aircraft ran nearly 100 yards through withering enemy fire and despite being immediately and severely wounded organized an extraordinary defense and rescue of the Special Forces team Written with extensive access to family members surviving members of the 240th Assault Helicopter Company on the ground eye witness accounts never before published as well as recently discovered archival and declassified military records Blehm has created a riveting narrative both of Roy Benavidez s life and career and of the inspiring almost unbelievable events that defined the brotherhood of the air and ground warriors in an unpopular war halfway around the world Legend recounts the courage and commitment of those who fought in Vietnam in service of their country and the story of one of the many unsung heroes of the war

Russian Security and Paramilitary Forces since 1991 Mark Galeotti,2013-08-20 While the size of Russia s regular forces has shrunk recently its security and paramilitary elements have become increasingly powerful Under the Putin regime they have proliferated and importantly seem set to remain Russia s most active armed agencies for the immediate future In parallel within the murky world where government and private interests intersect a number of paramilitary private armies operate almost as vigilantes with government toleration or approval This book offers a succinct overview of the official semi official and unofficial agencies that pursue Russian government and quasi government objectives by armed means from the 200 000 strong Interior Troops through Police and other independent departmental forces down to private security firms Featuring rare photographs and detailed colour plates of uniforms insignia and equipment this study by a renowned authority explores the Putin regime s shadowy special forces apparatus active in an array of counter terrorist and counter mafia wars since 1991

Pirates 1660-1730 Angus Konstam,2013-09-20 This book gives an accurate picture of the pirates who sailed in the waters of the Caribbean and off the American coastline during the golden age of piracy between 1660 and 1730 It traces the origins of piratical activity in the 16th century and examines the Boucaneer Buccaneer culture in Jamaica and Hispaniola It details what drove individuals to a life of piracy how they dressed their weaponry the ships they used and the codes by which they operated Whether viewed as villains or victims the Pirates were a major threat to shipping and commerce in the western Atlantic for more than 70 years Elite 67 69 and 74 are also available in a single volume special edition as Pirates

Ho Chi Minh's Blueprint for Revolution Virginia Morris,Clive A. Hills,2018-08-29 When Saigon fell to North Vietnamese forces on April 30 1975 the communist victory sent shockwaves around the world Using ingenious strategy and tactics H Chi Minh had shown it was possible for a tiny nation to defeat a mighty Western power The same tactics have been studied and replicated by revolutionary forces and terrorist organizations across the globe Drawing on recently declassified documents and rare interviews with H Chi Minh s strategists and operatives this book offers fresh

perspective on his blueprint and the reasons behind both the French 1945 1954 and the American 1959 1975 failures in Vietnam concluding with an analysis of the threat this model poses today The Condor Legion Carlos Caballero Jurado,2013-10-20 The Condor Legion was the expeditionary force of soldiers and airmen sent by Hitler to aid Franco s Nationalists in the Spanish Civil War The Germans used the war as an opportunity to develop equipment and tactics and their force included not only instructors but also combat units of artillery tanks and aircraft These units tested guns tanks and planes and perfected techniques which were used in the 1940 Blitzkrieg Many of officers prominent in the early campaigns of World War II won their first successes in Spain This book details the Legion and its unique uniform and insignia *U.S. Army counterinsurgency and contingency operations doctrine, 1942-1976 (Paperbound)* Andrew James Birtle,2006

American Civil War Marines 1861-65 Ron Field,2013-08-20 The part played in the Civil War by the small Marine Corps of the United and Confederate States is overshadowed by the confrontations of the great armies Nevertheless the coastal and riverine campaigns were of real importance given the strategic significance of the Federal blockade of southern ports and of the struggle for the Mississippi River Marines wearing blue and grey fought in many dramatic actions afloat and ashore ship to ship engagements cutting out expeditions and coastal landings This book offers a comprehensive summary of all such battles illustrated with rare early photographs and meticulously researched color plates detailing the often obscure minutiae of Marine uniforms and equipment

Vietnam Infantry Tactics Elite Introduction

In today's digital age, the availability of Vietnam Infantry Tactics Elite books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Vietnam Infantry Tactics Elite books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Vietnam Infantry Tactics Elite books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Vietnam Infantry Tactics Elite versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Vietnam Infantry Tactics Elite books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Vietnam Infantry Tactics Elite books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Vietnam Infantry Tactics Elite books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Vietnam Infantry Tactics Elite books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Vietnam Infantry Tactics Elite books and manuals for download and embark on your journey of knowledge?

FAQs About Vietnam Infantry Tactics Elite Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Vietnam Infantry Tactics Elite is one of the best book in our library for free trial. We provide copy of Vietnam Infantry Tactics Elite in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Vietnam Infantry Tactics Elite. Where to download Vietnam Infantry Tactics Elite online for free? Are you looking for Vietnam Infantry Tactics Elite PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Vietnam Infantry Tactics Elite. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Vietnam Infantry Tactics Elite are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides

make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Vietnam Infantry Tactics Elite. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Vietnam Infantry Tactics Elite To get started finding Vietnam Infantry Tactics Elite, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Vietnam Infantry Tactics Elite So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Vietnam Infantry Tactics Elite. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Vietnam Infantry Tactics Elite, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Vietnam Infantry Tactics Elite is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Vietnam Infantry Tactics Elite is universally compatible with any devices to read.
