

A black and white portrait of W.B. Yeats, a man with dark hair, wearing a suit and a bow tie. He is looking slightly to the left of the camera with a serious expression. The background is a soft, out-of-focus grey.

W. B. Yeats IN CONTEXT

EDITED BY
David Holdeman
and Ben Levitas

W Yeats Context David Holdeman

Nicholas Grene

W Yeats Context David Holdeman:

Unlocking the Poetry of W. B. Yeats Daniel Tompsett, 2018-06-13 *Unlocking the Poetry of W B Yeats* undertakes a thorough re reading of Yeats oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats death in 1939 while demonstrating the centrality of the occult to Yeats art

Reframing Yeats Charles I. Armstrong, 2013-10-24 Provides a new sense of the historical specificity of W B Yeats s writings over a wide range of genres leading to innovative readings of classic texts

Yeats's Poetic Codes Nicholas Grene, 2008-06-12 Nicholas Grene explores Yeats s poetic codes of practice the key words and habits of speech that shape the reading experience of his poetry Where previous studies have sought to decode his work expounding its symbolic meanings by references to Yeats s occult beliefs philosophical ideas or political ideology the focus here is on his poetic technique its typical forms and their implications for the understanding of the poems Grene is concerned with the distinctive stylistic signatures of the *Collected Poems* the use of dates and place names within individual poems the handling of demonstratives and of grammatical tense and mood certain nodal Yeatsian words dream bitter sweet and images birds and beasts dialogue and monologue as the voices of his dramatic lyrics The aim throughout is to illustrate the shifting and unstable movement between lived reality and transcendental thought in Yeats the embodied quality of his poetry between a phenomenal world of sight and an imagined world of vision

[The Oxford Handbook of W.B. Yeats](#) Lauren Arrington, Matthew Campbell, 2023-05-30 The forty two chapters in this book consider Yeats s early toil his practical and esoteric concerns as his career developed his friends and enemies and how he was and is understood This Handbook brings together critics and writers who have considered what Yeats wrote and how he wrote moving between texts and their contexts in ways that will lead the reader through Yeats s multiple selves as poet playwright public figure and mystic It assembles a variety of views and adds to a sense of dialogue the antinomian or deliberately divided way of thinking that Yeats relished and encouraged This volume puts that sense of a living dialogue in tune both with the history of criticism on Yeats and also with contemporary critical and ethical debates not shirking the complexities of Yeats s more uncomfortable political positions or personal life It provides one basis from which future Yeats scholarship can continue to participate in the fascination of all the contributors here in the satisfying difficulty of this great writer

The Critical Thought of W. B. Yeats Wit Pietrzak, 2017-08-29 This book focuses on W B Yeats s critical writings an aspect of his oeuvre which has been

given limited treatment so far It traces his critical work from his earliest articles through to his occult treatises and all the way to his last pamphlets in which he sought to delineate the idea of a literary culture a community of people willing to credit poetry with the central role in imagining and organising social praxis throughout society The chapters of this study investigate the contexts in which Yeats's thought developed his many disputes over the shape of Irish cultural politics the future of poetry and the place literature occupies in the world What transpires is an image of Yeats who is strung between the impulses of faith in the existence of a supernatural order and ironic scepticism as to the possibility of ever capturing that order in language This study is distinguished by its grounding of Yeats's critical agenda in a broader context through textual analysis In addition it organises and systematises his conceptions of poetry and its social role through its approach to his criticism as a fully fledged area of his artistic practice The monograph has been written within the framework of the project financed by The National Science Centre Cracow Poland pursuant to the decision number DEC 2013 09 D HS2 02782

Yeats, Revival, and the Temporalities of Irish Modernism Gregory Castle, 2024-04-11 *Yeats Revival and the Temporalities of Irish Modernism* offers a new understanding of a writer whose revivalist commitments are often regarded in terms of nostalgic yearning and dreamy romanticism It counters such conventions by arguing that Yeats's revivalism is an inextricable part of his modernism Gregory Castle provides a new reading of Yeats that is informed by the latest research on the Irish Revival and guided by the phenomenological idea of worldmaking a way of looking at literature as an aesthetic space with its own temporal and spatial norms its own atmosphere generated by language narrative and literary form The dialectical relation between the various worlds created in the work of art generate new ways of accounting for time beyond the limits of historical thinking It is just this worldmaking power that links Yeats's revivalism to his modernism and constructs new grounds for recognizing his life and work *A Handbook of Modernism Studies* Jean-Michel Rabaté, 2013-02-26 Featuring the latest research findings and exploring the fascinating interplay of modernist authors and intellectual luminaries from Beckett and Kafka to Derrida and Adorno this bold new collection of essays gives students a deeper grasp of key texts in modernist literature Provides a wealth of fresh perspectives on canonical modernist texts featuring the latest research data Adopts an original and creative thematic approach to the subject with concepts such as race law gender class time and ideology forming the structure of the collection Explores current and ongoing debates on the links between the aesthetics and praxis of authors and modernist theoreticians Reveals the profound ways in which modernist authors have influenced key thinkers and vice versa ***Irish Writing London: Volume 1*** Tom Herron, 2012-12-06 The presence of Irish writers is almost invisible in literary studies of London *Irish Writing London* redresses the critical deficit A range of experts on particular Irish writers reflect on the diverse experiences and impact this immigrant group has had on the city Such sustained attention to a location and concern of Irish writing long passed over opens up new terrain to not only reveal but create a history of Irish London writing Alongside discussions of Wilde Shaw Joyce and Yeats the writing of the political

nationalist Katharine Tynan and work of Irish Language writer Conaire is considered Written by an international array of scholars these new essays on key figures challenge the deep seated stereotype of what constitutes the proper domain of Irish writing producing a study that is both culturally and critically alert and a dynamic contribution to literary criticism of the city

The Oxford Handbook of Victorian Poetry Matthew Bevis,2013-10 The Oxford Handbook of Victorian Poetry offers an authoritative collection of original essays and is an essential resource for those interested in Victorian poetry and poetics

The Poems of W.B. Yeats Peter McDonald,2023-05-31 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this third volume Yeats s poetry of the first decade of the twentieth century is brought into sharp focus revealing the extent of his efforts to re fashion a style that had already made him a well known poet All of the major modes in Yeats s earlier work are subject to radical re imagining in these years from poetic narrative founded in Irish myth in poems such as Baile and Ailinn and The Old Age of Queen Maeve to the symbolist drama poetry of The Shadowy Waters here edited in its two completely different versions of 1900 and 1906 In a decade when the theatre was one of Yeats s principal concerns his lyric poems which were becoming increasingly explicit in personal terms began to discover new intensities of conversational pitch and mythic resonance Poems such as The Folly of Being Comforted Adam s Curse No Second Troy and The Fascination of What s Difficult are given close attention in this new edition alongside topical and epigrammatic pieces that are often passed over in accounts of Yeats s development The evolving complexities of Yeats s personal and political lives are crucial to his artistic growth in these years and the commentary gives these generous attention showing how the poetry both feeds upon and often transcends the circumstances of its composition The volume offers strong evidence for this decade as a crucial one in Yeats s poetic life in which the poet created wholly new registers for his verse as well as new dimensions for his imaginative vision

The Top Books of the Year W Yeats Context David Holdeman The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. W Yeats Context David Holdeman : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. W Yeats Context David Holdeman : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
