Stanley Jones,2014-10-21 The business of life is to live and to live well But in this day and age we know almost everything about life except how to live it We can dissect life and explain its parts and then fail to put it together again in such a way that it becomes a coordinated harmonious whole Through the vibrant writings of E Stanley Jones discover not only how God desires more for us than we could ever think or imagine but freely gives us that abundant life of body mind and spirit **Abundant Living** the sequel to **Victorious Living** continues the journey toward extraordinary life through trusting God and self surrender Written in 1942 by one of the greatest Christian leaders of the day experience this classic devotional with a new foreword by Leonard Sweet Body, Mind, Heart and Soul Mary Hogg,2023-09-19 In my book there is a poem Body Mind Heart and Soul which says a lot about everything I write about There are many beautiful things and places that God has put on this earth for us to enjoy but men are destroying it all The morning sunrise the clouds the stars just look up let your eyes and mind search through it all Forget about a world that is too lost and misunderstood and like me pray to be a blessing to someone in some way each day It will put a smile on a lot of faces I hope I can touch someone with my poems It means God's blessing to all who believe *In Love with the Whirlwind* Susan Davis,2010-04 The new book *In Love with the Whirlwind When God Takes Your Heart by Storm* a true report of the author's pursuit of relationship with the Godhead Jesus the Holy Spirit and God the Father Susan Davis shares how God entered her life and how it was not ever the same again for her and her son Davis book is written to a generation that has strayed from God to other lovers entertainment career and family and
