WANDERING SON

VOLUME
FIRST

WANDERING SON

Shimura Takako's groundbreaking, critically acclaimed, and beloved series continues to explore gender identity among its cast of middle school students.

With eight grade seven new chapters, book readers, and continue about Hana, Adachi, and the other characters meeting with Takako, and Takako's narrative with Takako from one a perspective for Hana. Takako's new continues to show the main conflict in school, bringing some and taking others. Will Hana find, who's actually gone out in women's clothes, have the courage to wear a dress to school? Hana's (Hana can continue new model. How then, there's a female character).

"It's a very sweet manga with realistic characters—no dead parents or crazy teachers, just ordinary loving families and supportive friends. This manga is...worth every page!"

—Rey M. Reyes, MTV.com

"Wandering Son is particularly accurate in its details, but universal in its emotions. They're not, and we shouldn't feel it so difficult to identify with kids who feel like their bodies and their hearts are equally visible in the worst kind of betrayal, preventing them from realizing the potential they see in themselves."

—Paul M. Murray, The AV Club
