Tracks Robyn Davidson:

Tracks Robyn Davidson, 2012-10-01 Now a major motion picture starring Mia Wasikowska and Adam Driver I experienced that sinking feeling you get when you know you have conned yourself into doing something difficult and there's no going back So begins Robyn Davidson's perilous journey across 1 700 miles of hostile Australian desert to the sea with only four camels and a dog for company Enduring sweltering heat fending off poisonous snakes and lecherous men chasing her camels when they get skittish and nursing them when they are injured Davidson emerges as an extraordinarily courageous heroine driven by a love of Australia's landscape an empathy for its indigenous people and a willingness to cast away the trappings of her former identity *Tracks* is the compelling candid story of her odyssey of discovery and transformation WITH A NEW POSTSCRIPT BY THE AUTHOR AND A STUNNING COLOUR PICTURE SECTION *Tracks*. [read by Robyn Davidson].

Robyn Davidson, 1998 **Desert Places** Robyn Davidson, 2013-12-31 From the bestselling author of *Tracks* A travel writer's memoir of her year with the nomadic Rabari tribe on the border between Pakistan and India India's Thar Desert has been the home of the Rabari herders for thousands of years In 1990 Australian Robyn Davidson as natural a travel writer as she is an adventurer spent a year with the Rabari whose livelihood is increasingly endangered by India's rapid development The New Yorker Enduring the daily hardships of life in the desert while immersed in the austere beauty of the arid landscape Davidson subsisted on a diet of goat milk roti and parasite infested water She collided with India's rigid caste system and cultural idiosyncrasies confronted extreme sleep deprivation and fought feelings of alienation amid the nation's isolated rural peoples finding both intense suffering and a renewed sense of beauty and belonging among the Rabari family Rich with detail and honest in its depictions of cultural differences *Desert Places* is an unforgettable story of fortitude in the face of struggle and an ode to the rapidly disappearing way of life of the herders of northwestern India Davidson will both disturb and exhilarate readers with the acuity of her observations the sting of her wit and the candor of her emotions Booklist **Tracks** Robyn Davidson, 2013-10-22 The incredible true story of one woman's solo adventure across the Australian outback accompanied by her faithful dog and four unpredictable camels I arrived in the Alice at five a m with a dog six dollars and a small suitcase full of inappropriate clothes There are some moments in life that are like pivots around which your existence turns For Robyn Davidson one of these moments comes at age twenty seven in Alice Springs a dodgy town at the frontier of the vast Australian desert Davidson is intent on walking the 1 700 miles of desolate landscape between Alice Springs and the Indian Ocean a personal pilgrimage with her dog and four camels *Tracks* is the beautifully written compelling true story of the author's journey and the love hate relationships she develops along the way with the Red Centre of Australia with aboriginal culture with a handsome photographer and especially with her lovable and cranky camels Bub Dookie Goliath and Zeleika Adapted into a critically acclaimed film starring Mia Wasikowska and Adam Driver *Tracks* is an unforgettable story that proves that anything is possible Perfect for fans of Cheryl Strayed's *Wild* *Tracks* Robyn Davidson, 2014 I experienced that

sinking feeling you get when you know you have conned yourself into doing something difficult and there's no going back. So begins Robyn Davidson's perilous journey across 1700 miles of hostile Australian desert to the sea with only four camels and a dog for company. Enduring sweltering heat, fending off poisonous snakes and lecherous men chasing her camels when they get skittish and nursing them when they are injured, Davidson emerges as an extraordinarily courageous heroine driven by a love of Australia's landscape, an empathy for its indigenous people, and a willingness to cast away the trappings of her former identity. *Tracks* is the compelling, candid story of her odyssey of discovery and transformation. Back cover *Inside Tracks* Robyn Davidson, Rick Smolan, 2014-10-01 *Inside Tracks* is the retelling of Robyn Davidson's journey from Alice Springs to the Indian Ocean seen through the eyes of world-renowned photographer Rick Smolan and now reimagined in the major motion picture *Tracks*. In the late 1970s, Robyn Davidson undertook an epic adventure to travel solo across the Australian outback from Alice Springs to the Indian Ocean, armed only with a few camels and her dog for company. Rick Smolan, a National Geographic photographer at the time, was employed to document Robyn's journey by accompanying her along sections of her route, the result of which formed a long-lasting relationship between the two and a visually stunning account of one woman's dream of solitude captured against the backdrop of the Australian outback. *Inside Tracks* is an ode to the Australian outback and Robyn's groundbreaking journey, a stunning coffee-table book and reflection on our landscape in one. This unique story has now been turned into a major feature film featuring Mia Wasikowska and Adam Driver as the protagonists. *Inside Tracks* documents Robyn and photographer Rick Smolan's story and how her journey has resonated around the world. Featuring excerpts from the screenplay along with stills from the movie that show how closely the film mirrors the reality of the story, *Inside Tracks* is a must-have for lovers of Robyn's original book and the film alike. In addition, this book accompanies a unique photo-recognition app that plays scenes from the movie when placed over particular images in the book, a wonderful bonus for movie and tech fans. *Inside Tracks* Rick Smolan, 2014-10-01 A twenty-seven-year-old Australian woman sets off to cross the desolate outback accompanied only by four camels and a dog. *Inside Tracks* is a photographic record of this original journey as well as an inside look at the images and screenplay from the movie *Tracks*, based on the original journey. *The Global Politics of Contemporary Travel Writing* Debbie Lisle, 2006-11-02 This book brings the serious world of politics to the superficial world of contemporary travel writing. ***Tracks by Robyn Davidson*** Dianne Parsons, 1983 ***An Anthology of Women's Travel Writings*** Shirley Foster, Sara Mills, 2002 This anthology aims to challenge stereotypes of women travellers. Rather than simply presenting writings by Victorian women who travelled bravely around the world, disregarding social convention and danger, the editors present a range of writing and possible ways of being a woman traveller. As well as the eccentric woman traveller, the editors have included writings by those who might be seen as failed travellers, cautious and conventional travellers, and those who did not conform to the adventurous heroine stereotype. Because travelling as a woman and writing as a woman presents the author with a number of textual problems which must be negotiated, Foster and Mills

have chosen to include writings which confronted these problems and which resolved them or did not resolve them in different ways These textual problems include the depiction of other women the representation of spatial relations the negotiations undertaken in relation to the adventure heroine narrative and character and the position taken by the author in relation to the representation of knowledge These issues are all crucial in relation to travel writing by women and the women whose writing has been collected together in this anthology have made bold decisions in relation to them
