

Server Functions & Responsibilities

Successful sales and service result from confidence, which can only be developed through knowledge. We will provide you with ample material to develop the necessary knowledge and confidence in relation to service techniques, the menu and the wine list. You, as a server for Blue Fish Grill, must learn it.

GENERAL JOB GUIDELINES AND RESPONSIBILITIES

- When taking an order, always look the customer directly in the eyes, and stand erect. Never lean or write on the table. Never crouch down on your knees.
- Never handle a glass by the rim with your hand over the drinking surface.
- Never handle silverware with your hand over the eating surface.
- When handling plates or food, never let your hand touch the eating surface or the food.
- Help your guests as much as possible. Get them cigarettes, be aware of the city's favored bars and dance places, know what movies are showing nearby.
- Know your schedule.
- Know what time to be here for each shift.
- Know what the daily specials are and what they cost.
- Know the history of the restaurant.
- Know the managers.
- Avoid any long conversations at any particular table. This will only upset your other customers.
- Clear your mind of everything except work when you walk in the door. When you're at the table make sure your mind is at the table too. Guests can tell when their server is not totally mentally present with them at the table and it has a negative impact on the guests' experience and the server's tip.
- If you get behind, ask for assistance. You'll never get in trouble for asking.
