Training Manual For Healing:

Healing Starts Now! Joan Hunter, 2011-02-01 One day when Jesus was teaching the power of the Lord was present for Him to heal the sick Luke 5 17 His same power is present in every believer today Drawing from her experience as a worldwide healing ministry Joan Hunter desires to help equip the church to receive and to minister God's miraculous healing in the four corners of the world Many believers want to understand How can I receive and retain healing Why would God use me What's the best way to approach someone who needs healing How can I effectively pray for healing The answers to these and other questions plus practical guidance and examples are designed to help believers fulfill the Great Commission Go into all the world and preach the gospel to every creature lay hands on the sick and they shall recover Mark 16 15 18b

Having attended a great many conferences over the years my observation is that the modern church is largely concerned with matters such as leadership growing the numbers in your congregations or church planting There is no doubt at all that these are wonderful and necessary topics to facilitate the building of the Kingdom of God There is however very little focus on healing ministries and as a consequence the doctors are the first port of call for physical problems For many churches even large city congregations if there are mental or emotional issues the people are sent to psychiatrists or Christian counselors trained in secular techniques In contrast if we look at the Jesus model His focus was on healing the sick freeing those with demonic bondages and healing the broken hearted Apparently His disciples freely received this ministry from Christ themselves before they were commissioned to take the good news to the World Matthew 10 8 Heal the sick raise the dead cleanse those who have leprosy drive out demons Freely you have received freely give NIV Perhaps we could look at it in this way Imagine if you were putting together a football team and selecting your players Alright I choose that man over there with one leg the blind guy that deaf fellow the man with one eye those chaps with the back braces on and those cripples Then you launched them out onto the field yelling with great enthusiasm and encouragement Go get them guys It doesn't make much sense to me but many of us have been around churches where the focus is on trying to motivate broken people to live a victorious life of faith We have all seen the fallout and problems from people with unresolved issues active in a church environment Remember the Vasa There is an old Swedish warship housed in a museum in Stockholm called by the name of Vasa She was commissioned to be built by the King of Sweden Gustavus Adolphus for use in the war with Poland Lithuania and was constructed 1626 27 Upon completion she was considered to be one of the most powerful warships in the world at the time A tremendous amount of resource was put into her and she presented with rich and ornate decorations She was loaded with large and powerful guns Unfortunately all of the expense and efforts went into her appearance and

equipment for war Not enough time was spent on the design and what was done below the waterline out of sight The result was that she appeared to be a splendid dangerous and formidable enemy when in fact she was unstable in her foundation and not well ballasted Sadly only 1400 meters into her maiden voyage she encountered a gust of wind which caused the ship to capsize and sink The guns had just been fired as a grand salute to onlookers as the vessel left Stockholm The lesson for us is if we spend all of our time on presentation and how things look and neglect dealing with the sub surface problems of the church we may not ever even get into battle If we train people in leadership and develop or release gifts but don't deal with the unresolved issues in their lives are we building on sand We have found that if we focus on the people being set free the gifts and leadership come with motivation that God is pleased to bless At times I have ministered to leadership teams of larger churches and have been amazed at what is often going on in the background I thoroughly believe that healing the brokenhearted and setting the captives free was the main ministry of Jesus for a very good reason If we want to be the stable church that God is pleased to anoint we may need to consider spending a little more time on working below the water line and sorting out the areas that are not always visible

Reiki: Universal Gift of God's Healing Love Level I and II Training Manual Eileen Curteis, 2011

After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God's universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen's Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ-conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed
