Spencer, 2008-03-07 The State of Loyalism in Northern Ireland examines the changes and developments within parliamentary loyalism throughout the Northern Ireland peace process Drawing from interviews with key players it charts the drama of tensions debates and negotiations and provides a compelling inside account *The Routledge Handbook of the Northern Ireland Conflict and Peace* Laura McAtackney, Máirtín Ó Catháin, 2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good

Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity

The Routledge Handbook of Far-Right Extremism in Europe Katherine Kondor, Mark Littler, 2023-09-12 The Routledge Handbook of Far Right Extremism in Europe is a timely and important study of the far and extreme right wing phenomenon across a broad spectrum of European countries and in relation to a selected list of core areas and topics such as anti gender identitarian politics hooliganism and protest mobilisation The handbook deals with the rise and the developments of far right movements parties and organisations across diverse countries in Europe Crucially it discusses the main topics and issues pertaining to far right ideology and positioning and considers how central and less central actors of far right milieus have fared within the given context Comprising a wide range of subject expertise the contributors focus on far right organisations on the margins of the electoral sphere as well as street level movements and the relationship between them and electoral politics The handbook spans nearly twenty European country cases grouped according to geographical regional area It includes case studies where the far right has gained increased momentum as well as countries where it has been much less successful in mobilising public opinion and the electorate e g Ireland and Portugal Another important feature is the inclusion of street level mobilisations such as football firms thereby expanding and updating existing research which is primarily focused on political parties and organisations Multidisciplinary and comprehensive this handbook will be of great interest to scholars and students of Criminology Political Science Extremism Studies European Studies Media and Communication and Sociology This project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska Curie grant agreement No 101029801

A People Under Siege Aaron Edwards, 2023-05-03 Since the Brexit referendum of 2016 extraordinary uncertainty has hung over the future of the Union between Great Britain and Northern Ireland creating a crisis for the unionist community A referendum that began on the question of sovereignty quickly degenerated into cries of betrayal over a redrawn border in the Irish Sea and has led to unionists becoming more insular again resurrecting ethnic and nationalist notions of what constitutes the Union In A People Under Siege historian Aaron Edwards a native of Belfast explores the profound challenges facing the community and in the process articulates what is really meant by unionism He explains key developments within unionism over the past turbulent century and examines how a people who believe themselves to be once again under siege are viewed by others beyond their

community In doing so he confronts the narrow sectional beliefs and prejudices of unionists and loyalists as well as outlining their more positive and forward thinking aspects By embracing these Edwards explains how divisions could be healed and a position reached of mutual acceptance tolerance and understanding that will benefit the entire population *Football, Politics and Identity* James Carr, Daniel Parnell, Paul Widdop, Martin J. Power, Stephen R. Millar, 2021-06-06 This book presents a series of fascinating case studies that show how the lives and bodies of clubs players and fans around the world are enmeshed with politics It draws on original research in countries including England Scotland Ireland Poland Mexico Algeria and Argentina and includes both historical and contemporary perspectives It explores some of the most important themes in the study of sport including sectarianism migration fan activism and national identity and shows how football continues to be tied to political events symbols and movements This is fascinating reading for any student or researcher working in sport studies political science sociology or contemporary history **Contentious Rituals** Jonathan S. Blake, 2019-02-25 In *Contentious Rituals* Jonathan S Blake focuses on Protestant parades in the streets of Northern Ireland and why people choose to participate in them Drawing on rich interviews survey data and ethnographic observations Blake presents a new look at the conflict in Northern Ireland and offers findings that illuminate contested symbols everywhere *UVF* Aaron Edwards, 2017-12-01 *UVF* Behind the Mask is the gripping new history of the Ulster Volunteer Force from its post 1965 incarnation to the present day Aaron Edwards blends rigorous research with unprecedented access to leading members of the UVF to unearth the startling inner workings of one of the world's oldest and most ruthless paramilitary groups Through interviews with high profile UVF leaders such as Billy Mitchell David Ervine Billy Wright Billy Hutchinson and Gary Haggarty as well as their loyalist rivals including Johnny Adair Edwards reveals the grisly details behind their sadistic torture and murder techniques and their litany of high profile atrocities McGurk's Bar the Dublin and Monaghan bombings the Miami Showband massacre and the Shankill Butchers serial killing spree amongst others Edwards life and career has led him to the centre of the UVF's long dark underbelly in this defining work he offers a comprehensive and authoritative study of an armed group that continues to play a pivotal role in Northern Irish society *Troubles of the past?* James W. McAuley, Máire Braniff, Graham Spencer, 2023-02-14 This collection brings together academics and practitioners to consider the increasingly central role that memory and recalling the past plays in determining contemporary politics and the future direction of Northern Irish society Using theoretical comparative and case study approaches it considers not only how narratives of the past are constructed reconstructed understood and commemorated but also the ways in which the key themes that emerge are harnessed and mobilised to political and social effect in the present The book draws deeply on a wide range of expert opinion and viewpoints to add significantly to existing knowledge surrounding the debates over memory and the ways it is used in Northern Irish society **Inequality, Identity, and the Politics of Northern Ireland** Curtis C. Holland, 2022-07-26 *Inequality Identity and the Politics of Northern Ireland* examines how the politics of threat and

resentment undergirded by persistent poverty and class and gender inequalities across Catholic and Protestant communities shape dynamics of political conflict while simultaneously giving way to critical subjectivities at the community level through which more transformative visions of peace may emerge

An Introduction to the Geopolitics of Conflict, Nationalism, and Reconciliation in Ireland Kara E. Heritage after Conflict Elizabeth Croke, Thomas Maguire, 2018-07-18 The year 2018 marks the twentieth anniversary of the signing of the Belfast Agreement that initiated an uneasy peace in Northern Ireland after the forty years of the Troubles The last twenty years however has still not been sufficient time to satisfactorily resolve the issue of how to deal with the events of the conflict and the dissonant heritages that both gave rise to it and were in turn fuelled by it With contributions from across the UK and Europe Heritage after Conflict brings together a range of expertise to examine the work to which heritage is currently being put within Northern Ireland Questions about the contemporary application of remembering infiltrate every aspect of heritage

studies including built heritages urban regeneration and planning tourism museum provision and intangible cultural heritages These represent challenges for heritage professionals who must carefully consider how they might curate and conserve dissonant heritages without exacerbating political tensions that might spark violence Through a lens of critical heritage studies contributors to this book locate their work within the wider contexts of post conflict societies divided cities and dissonant heritages Heritage after Conflict should be essential reading for academics researchers and postgraduate students engaged in the study of the social sciences history peace studies economics cultural geography museum heritage and cultural policy and the creative arts It should also be of great interest to heritage professionals

Contemporary

Orangeism in Canada James W. McAuley, Paul Nesbitt-Larking, 2017-08-22 This book uses original research and interviews to consider the views of contemporary members of the Orange Order in Canada including their sense of political and societal purpose awareness of the decline of influence views on their present circumstances and hopes for the future of Orangeism in Canada In so doing it details the organisational structure of Canadian society the role of religion in public life the changing context of multicultural Canada and the politics of resistance of a political and social organisation in decline This book offers a social scientific complement to existing historical work on the role of the Orange Order in Canadian society and builds upon it through an analysis of contemporary Orangeism It considers the Orange Order as a worldwide body and makes some comparisons and contrasts with its organisational status and membership in Ireland and elsewhere As such the book makes a distinctive contribution to our knowledge of a fraternal organisation and the role of religious belief and politics in contemporary society

The Companion to Peace and Conflict Fieldwork Roger Mac Ginty, Roddy Brett, Birte Vogel, 2020-08-26 This unique companion is a much needed guide for those who are embarking on field research in conflict affected countries In a break with academic tradition the chapters are mainly written in the first person and contain personal accounts of the ethical and practical challenges of fieldwork In the book over thirty scholars reflect on the complexity of dealing with human subjects in conflict affected contexts This indispensable book provides insider knowledge and gives confidence to researchers both those at the very start of their careers or during their studies and experienced researchers who want to consider positionality responsibility and the moral obligation of the researcher in new ways Essential reading for students and scholars embarking upon fieldwork in International Relations Politics Sociology Political Geography and Anthropology

Unionisms in Times of Change Jennifer Todd, Dawn Walsh, 2021-09-05 Unions and unionisms are important because they offer an alternative form of politics to that of nation states and nationalisms They allow a wider variety of relations between a plurality of peoples opening prospects of resolving territorial politics But unionisms as state or polity centred perspectives are also typically power centred often using the resources of the polity to resist assertion by their members thereby turning democratic challenges into secessionist ones Unionisms in Times of Change Brexit Britain and the Balkans focusses on these two faces of unionisms the flexible alternative to the nation state and the assertor of central power

This book is particularly timely at a period when the unions of the British Isles and of Europe have been disrupted by the process of British exit from the European Union creating new dilemmas and options for unionisms in Northern Ireland. The chapters in this volume map the conceptual structure of unionisms the ways unions are defined and defended in Northern Ireland the United Kingdom the European Union the Balkans and Moldova the ways they deal with challenge conflict and change the prospects of negotiation the ways unionisms move from flexibility and accommodation to repression and back and the opportunities for agreement and conflict resolution. The chapters in this book were originally published as a special issue of the Irish Political Studies.

The Troubles in Northern Ireland and Theories of Social Movements Lorenzo

Bosi, Gianluca Fazio, 2025-10-01 This volume focuses on a number of research questions drawn from social movement scholarship. How does nonviolent mobilisation emerge and persist in deeply divided societies? What are the trajectories of participation in violent groups in these societies? What is the relationship between overt mobilisation clandestine operations and protests among political prisoners? What is the role of media coverage and identity politics? Can there be non sectarian collective mobilisation in deeply divided societies? The answers to these questions do not merely try to explain contentious politics in Northern Ireland instead they inform future research on social movements beyond this case. Specifically we argue that an actor based approach and the contextualisation of contentious politics provide a dynamic theoretical framework to better understand the Troubles and the development of conflicts in deeply divided societies.

100 Years of Irish Republican Violence: 1916-2016 John Morrison, Paul Gill, 2018-04-19 At Easter of 1916 an armed insurrection launched by paramilitary republicans took place in Ireland. When the General Post Office in Dublin was seized on Easter Monday the rebels declared a free Irish Republic independent from Great Britain. In the century that has passed since the Easter Rising each generation of Irish republicans has mounted their own paramilitary campaign to bring about an independent united Ireland from the War of Independence to The Troubles and right up to the modern day dissident republican violence. By bringing together a range of researchers from across a variety of academic disciplines this edited volume analyses the one hundred years of Irish republican violence from 1916 to 2016. The assembled authors assess the evolution of paramilitary violence through a variety of themes including the IRA from 1919-21 the case of the Disappeared the relationship between counterterrorism killings and Provisional IRA bombings and the analysis of modern day violent dissident republican statements. Bringing the volume to a close are two long form interviews with two key actors within the Troubles Danny Morrison and Billy Hutchinson. In these interviews they discuss their own perspective on one hundred years of Irish republican paramilitary violence. This book was originally published as a special issue of *Terrorism and Political Violence*.

Memory and Recovery in Times of Crisis Fiona Larkan, Fiona Murphy, 2017-11-09 This book presents a social scientific reading of the challenges of memory and recovery in times of crisis. Drawing on different interpretations of what constitutes crisis this collection uses lenses of economics identity and commemoration to question how memory and recovery is being constituted through larger discourses of political claims.

of moving forward healing and identity Memory and Recovery in Times of Crisis examines how memory is dis or re interred through social processes and further how recovered memories are challenged or legitimized It also presents a set of questions that will stimulate further reflections on what kind of role understandings of memory of crisis can play in recovery Given the world we find ourselves living in in 2017 a world subject to multiple intersecting crises how we understand the dynamics of memory and recovery is a pressing issue indeed This book will appeal to both scholars and students of anthropology and sociology
