## **Video Poker For The Intelligent Beginner:**

**Video Poker for the Intelligent Beginner** Bob Dancer, 2009-03 Bob Dancer's real life video poker successes are legendary but he's also a world class teacher. Now after years of creating the industry standards in video poker reports, strategy cards and software, Dancer has brought the best book on the subject. **Video Poker for the Intelligent Beginner** is a how to win blueprint for players seeking the fast track to the upper levels of this beatable game. First you'll master the techniques for finding and identifying the highest returning games, then you'll learn how to generate, understand and implement the computer perfect strategies that yield the ultimate goal: monetary profit. Dancer also offers his professional insight regarding the game's many nuances and related considerations, including in-depth coverage of slot clubs, casino promotions, progressives, team play, scouting and tournaments. PLUS this is the first book to explain in detail how his powerful **Video Poker for Winners** software can be employed to solve previously unanswered questions about bankroll needs, promotions analysis and profit potential.

**Frugal Video Poker** Jean Scott, 2006-08 **Frugal Video Poker** is the most comprehensive book ever written on practicing playing and winning at this popular casino game. Video poker is beatable when you know what pay schedules to look for and how to play when you find them. Whether you want to play for profit or merely make your money last longer in a casino, **Frugal Video Poker** will take you where you want to go. Beginners are walked through the basics, first learning to distinguish between good and bad paytables, then playing the strategies that maximize the machine's potential. Players who already have some experience will discover crucial bridge concepts that lead to improved results. For experts, **Frugal Video Poker** covers special opportunities such as tournaments, promotions, progressives and the cutting edge new games. An extensive resource section paves the way to advanced study. And everyone can benefit from the detailed lessons on how to use readily available video poker computer software to take the game to its highest level.
