Vietnam A Complete Photographic History

Julian Stallabrass

Vietnam A Complete Photographic History:

Rolling Coffins Brian Richard Esher, 2015-01-06 An infantryman's honest account of his experiences during the controversial Vietnam War this book chronicles the courage and dedication that the American soldiers demonstrated while away from loved ones in a foreign land where hanging by a thread was the norm every day. It openly discusses the challenges and sacrifices each man had to make in order to survive and protect the lives of his comrades and it casts a light on the shortcomings of the US government and of those in authority who could have abated the terrifying number of casualties through proper planning and sound judgment. The author Brian Richard Esher had witnessed firsthand the horrors of the war and had many close encounters with death. He was sent to Vietnam in 1968 the worst year in terms of casualties. He served with the 25th Infantry Division 4th Battalion of the 23rd Infantry Mechanized and received several medals including the second highest military award for valor the Distinguished Service Cross. Why Vietnam Margaret Colbert

Brown, 2025-03-30 Explores the complex reasons behind the USA's involvement in Vietnam analyzing political social and military factors. The reasons behind the USA's involvement in Vietnam remain a subject of extensive debate. Initially America supported the French until their defeat at Dien Bien Phu which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia. Why Vietnam delves into the myriad reasons for US involvement examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh's plea for independence at the Treaty of Versailles through to Johnson's full commitment to the undeclared war which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia. The questions of why the USA became involved whether their involvement was justified and if the war was ever winnable have been fiercely debated for over 50 years. This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era. **Don't Cry For Us, Saigon** Major (Retired) Steven E. Cook, 2019-02-27 The United States military did not lose the Vietnam War. The South Vietnamese government lost the Vietnam War. With many inaccurate books biased statements lack of understanding and facts I decided to write a Vietnamese history book with emphasis on the Second Indochina War. This book will correct many of those misconceptions about the Vietnam War answer controversial questions and give readers a microcosm and basic dynamics of the Vietnam War. I recorded and archived highlights of the Vietnam War and the accounts of American military heroes whose sacrifices and heroic exploits might otherwise be lost to history. The poignant riveting and the gripping reality of war and the demons and misfortune of the Vietnam veterans will be depicted in the book. This book is intended for a variety of audiences veterans family members gold star mothers organizations agencies clubs college students faculty and history buffs. Search and destroy operations in South Vietnam will be described in comprehensive detail and why President Johnson later changed the name of search and destroy operations to reconnaissance in force. This book will show

that the worst atrocity of the Vietnam War occurred in the United States when America shunned and discriminated against its Vietnam War veterans and gold star mothers This book is a first person account of high school teenyboppers suddenly answering the call for duty and turning into elite combat warriors virtually overnight Vietnam War veterans saw and experienced horrific savage and direct combat repeatedly that humans aren't intended to see Testimonies of seasoned combat Airborne Infantry soldiers Pathfinders and Special Forces whose average age was twenty one will be depicted through empirical vignettes These first person vignettes will describe the carnage of firefights mortar attacks the stench of human decay and flesh torn and broken and the camaraderie and bonds of men at war Do not judge these warrior leader heroes unless you have walked a mile in their jungle boots through a jungle in a combat environment Remember once upon a time we were all like you Myths of the Vietnam War will be refuted rebutted and debunked Agent Orange and other herbicides used in the Vietnam War will be discussed This book will help all veterans their families and America to better understand and come to some closure and aid in catharsis We are awesome It is chic and vogue to be a Vietnam veteran now

Killing for Show Julian Stallabrass, 2020-10-30 See firsthand how war photography is used to sway public opinion In the autumn of 2014 the Royal Air Force released blurry video of a missile blowing up a pick up truck which may have had a weapon attached to its flatbed This was a lethal form of gesture politics to send a 9 million bomber from Cyprus to Iraq and back burning 35 000 an hour in fuel to launch a smart missile costing 100 000 to destroy a truck or rather to create a video that shows it being destroyed Some lives are ended it is impossible to tell whose so that the government can pretend that it taking effective action by creating a high budget snuff movie This is killing for show Since the Vietnam War the way we see conflict through film photographs and pixels has had a powerful impact on the political fortunes of the campaign and the way that war has been conducted In this fully illustrated and passionately argued account of war imagery Julian Stallabrass tells the story of post war conflict how it was recorded and remembered through its iconic photography The relationship between war and photograph is constantly in transition forming new perspectives provoking new challenges what is allowed to be seen Does an image have the power to change political opinion How are images used to wage war Stallabrass shows how photographs have become a vital weapon in the modern war as propaganda from close quarters fighting to the drone s electronic vision as well as a witness to the barbarity of events such as the My Lai massacre the violent suppression of insurgent Fallujah or the atrocities in Abu Ghraib Through these accounts Stallabrass maps a comprehensive theoretical re evaluation of the relationship between war politics and visual culture *Killing for Show* offers 190 photographs encompassing photojournalism artists images photographs by soldiers and amateurs and drones A comprehensive comparison of the role of photography in the Vietnam and Iraq Wars An explanation of the waning power of iconic images in collective memory An analysis of the failure of military PR and the public display of killing A focus on what can and cannot be seen photographed and published An exploration of the power and limits of amateur photography Arguments about how violent images act on

democracy This full color book is an essential volume in the history of warfare and photography **The military intelligence story: A Photo History** John Patrick Finnegan, 1997 **Ban Bak: A Historian's Notebook**, 2014 Nail 213, 2015 Ban Bak is a definitive study of the discovery and destruction of a secret Laotian logistics complex on the Ho Chi Minh Trail Forward Air Controllers observed suspicious activity near the Ban Bak river crossing CHECO reports of the COVEY Bomb Dump were flawed but COVEY 257 Gary Beard corrects the record with first person accounts by participants Additional information both historical and fictional is provided by veteran authors whose writings lend both resource and context Ban Bak is third of three FAC related volumes associated with FACs in the Vietnam War Cleared Hot Vol I and Cleared Hot Vol II BAN BAK extends these accounts by including tributes to fallen FACs a Time Line of Forward Air Controllers in history an Lexicon of FAC Terms and Information a classified report on COMBAT INK surveillance methods and an extensive bibliography of FAC related literature and sources useful to all readers of Vietnam history Ban Bak is 474 pages long A4 format in soft binding only **Picturing the Past** Bonnie Brennen, Hanno Hardt, 1999 Explores the relations between photo journalism and history investigating how photographs shape both what we remember and how we remember This book provides insight into how photographs generate a sense of national community and reinforce prevailing social cultural and political values **Special Warfare**, 2003 *U.S. Government Books*, 1987 **The ^ARepublic of Rock** Michael J. Kramer, 2013-04-05 The Republic of Rock uncovers the lost story of rock music and citizenship in the sixties counterculture by tracing the way people in two key places San Francisco and Vietnam used rock to make sense of their lives and the world around them **The Military Intelligence Story** John Patrick Finnegan, 1997 2nd edition On cover and spine The Military Intelligence Story A Photographic History Illustrates the multifaceted diversity of modern Military Intelligence MI Aims to portray both the continuities between the past and the present and the successes of the MI community today Consists chiefly of photographs which represent the different intelligence disciplines and depict a representative sampling of the organizations within the MI community **La Crosse, Wisconsin**, 1999 La Crosse Wisconsin a Midwestern town with Midwestern sensibilities is located in the western part of the state on the Mississippi River In the twentieth century La Crosse has seen all of the same changes that the rest of the United States has experienced two world wars depression natural disasters the emergence of the automobile great technological advances and the day to day family existence that has defined small town America In this new addition to the Images of America series the La Crosse County Historical Society has drawn from its wonderful collection of historic images to offer readers a glimpse into the area s past Even if you did not grow up in La Crosse you will recognize these scenes from everyday life that are a part of us all **A Shau Valor** Thomas R. Yarborough, 2016-04-05 From the author of Da Nang Diary A military history of the Battle of Hamburger Hill and other fights between the NVA and the US and its Vietnamese allies Throughout the Vietnam War one focal point persisted where the Viet Cong guerrillas and Army of the Republic of Viet Nam ARVN were not a major factor but where the trained professionals of

the North Vietnamese and US armies repeatedly fought head to head A Shau Valor is a thorough study of nine years of American combat operations encompassing the crucial frontier valley and a fifteen mile radius around it the most deadly killing ground of the entire war Beginning in 1963 Special Forces A teams established camps along the valley floor followed by a number of top secret Project Delta reconnaissance missions through 1967 Then US Army and Marine Corps maneuver battalions engaged in a series of sometimes controversial thrusts into the A Shau designed to disrupt NVA infiltrations and to kill enemy soldiers part of what came to be known as Westmoreland's war of attrition The various campaigns included Operation Pirous 1967 Operations Delaware and Somerset Plain 1968 and Operations Dewey Canyon Massachusetts Striker and Apache Snow 1969 which included the infamous battle for Hamburger Hill culminating with Operation Texas Star and the vicious fight for and humiliating evacuation of Fire Support Base Ripcord in the summer of 1970 the last major US battle of the war By 1971 the fighting had once again shifted to the realm of small Special Forces reconnaissance teams assigned to the ultra secret Studies and Observations Group SOG Other works have focused on individual battles or units but A Shau Valor is the first to study the campaign for all its courage and sacrifice chronologically and within the context of other historical political and cultural events

Oversight Hearings United States. Congress. Senate. Select Committee on POW/MIA Affairs, 1994

Fighting Elites John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they've accomplished throughout our history and how they operate today

Fighting Elites A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities

American Photo , 1989-05

Unlikely Warriors Gary B. Blackburn, Lonnie M. Long, 2013-05-14 In early May 1961 a U S military aircraft taxied toward a well guarded terminal building The plane slowed to a halt steps were maneuvered up to its side and

the door was pulled open The tropical night air was heavy and dank and the moon shone dimly through high thin clouds On board the aircraft were ninety two members of a specially selected team The men were dressed in indistinguishable dark suits with white shirts and dark ties and each man carried a new red U S diplomatic passport inside his breast pocket The men held copies of their orders and records in identical brown Manila envelopes and each mans medical records were stamped If injured or killed in combat report as training accident in the Philippines In such clandestine fashion the first fully operational U S military unit arrived at Tan Son Nhut Air Base in South Vietnam The unit was so highly classified even its name was top secret It was given a codename a cover identity to hide the true nature of its mission The units operation was housed in a heavily guarded compound near Saigon and within two days of its arrival Phase I was implemented Its operatives were intercepting Viet Cong manual Morse communications analyzing it for the intelligence it contained and passing the information to the U S Military Assistance Advisory Group Vietnam The Army Security Agency was on duty

The American Revolution Geoffrey C. Ward, Ken Burns, 2025-11-11 From the award winning historian and filmmakers of *The Civil War* *Baseball* *Jazz* *The Roosevelts* and others a richly illustrated human centered history of America s founding struggle expanding on the landmark six part PBS series to be aired in November 2025 From a small spark kindled in America a flame has arisen not to be extinguished Thomas Paine In defeating the British Empire and giving birth to a new nation the American Revolution turned the world upside down Thirteen colonies on the Atlantic coast rose in rebellion won their independence and established a new form of government that radically reshaped the continent and inspired independence movements and democratic reforms around the globe The American Revolution was at once a war for independence a civil war and a world war fought by neighbors on American farms and between global powers an ocean or more away In this sumptuous volume historian Geoffrey C Ward ably steers us through the international forces at play telling the story not from the top down but from the bottom up and through the eyes of not only our Founding Fathers but also those of ordinary soldiers as well as underrepresented populations such as women African Americans Native Americans and American Loyalists asking who exactly was entitled to life liberty and the pursuit of happiness Enriched by guest essays from lauded historians such as Vincent Brown Maya Jasanoff Jane Kamensky and Alan Taylor and by an astonishing array of prints drawings paintings texts and pamphlets from the time period as well as newly commissioned art and maps and woven together with the words of Thomas Paine *The American Revolution* reveals a nation still grappling with the questions that fueled its remarkable founding

SOG John L. Plaster, 2022-05-19 New edition The classic illustrated history of the special ops unit an unprecedented look into this little known aspect of the Vietnam conflict *American Rifleman* In 1972 the U S military destroyed all known photos of the top secret Studies and Observations Group with the intention that details could never be made public But unknown to those in charge SOG veterans had brought back with them hundreds of photographs of SOG in action and would keep them secret for more than three decades In this new edition of *SOG A Photo History* more than 700

irreplaceable photos bring to life the stories of SOG legends Larry Thorne Bob Howard Dick Meadows George Sisler Q and others and document what really happened deep inside enemy territory Operation Tailwind the Son Tay raid SOG s defense of Khe Sanh Hatchet Force operations Bright Light rescues HALO insertions string extractions SOG s darkest programs and much more
