Walking Home To Maine My Appalachian Trail Journey:

Appalachian! An honorable route Jon Galdos Elguezabal, 2022-02-09 The Appalachian National Scenic Trail is a 2 189 mile long mountain trail with a cumulative elevation gain of 464 500 feet It runs through an impressive wealth of woodland crossing great forests and National Parks in the United States In the past these lands belonged to Indian Nations such as the Cherokees Delawares Catawbas and Abenakies The country became part of the British Colonies before becoming part of the United States of America The Appalachian trail runs across fourteen states Georgia North Carolina Tennessee Virginia West Virginia Maryland Pennsylvania New Jersey New York Connecticut Massachusetts Vermont New Hampshire and Maine Hikers who attempt to walk the trail have to survive in the forest for days on end just like other animals The author spent one hundred and forty two consecutive days on the trail to become the first Thru Hiker from Spain to finish the trail alone without any back up support A truly extraordinary experience While overcoming this tremendous challenge the author adopted the trail name Basajaun the name of a creature from Basque mythology who dwells in the woods half human half beast

Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Parks and Recreation,1977 Gone for a Walk Terri Sanders,2015-10-27 When author Terri Sanders hiked the Appalachian Trail her biggest surprise was not that the trail was difficult or long it was that the true test of endurance arose not from climbing over boulders or walking in torrential rain storms but from being willing to look inward at her emotional baggage and choose to let it go A compilation of journal entries from the trail Gone for a Walk presents a compelling look at her 2 100 mile odyssey hiking the Appalachian Trail She shares not only the story of her journey the people she met along the way and the scenery she witnessed but also a brutally honest glimpse of her life and the struggles she faced growing up and later in life She shares valuable insights as the Lord speaks to her convincing her of her self worth and His great love and acceptance for her Through these revelations she was finally able to come home to herself with true acceptance A story of hiking hope and healing Gone for a Walk offers a look at profound moments of the healing touch of God and demonstrates that His love for us is everlasting It tells of an odyssey grounded in perseverance and goal setting that changed Sanders life in unimaginable ways
