Never exhibited any vulnerability, and it made him a force to be reckoned with. Until Evangeline, his angel. A woman who slipped past his defenses like no one had ever managed. She was his to protect and ultimately to do that he had to do the unthinkable and drive the only good thing in his world away. Devastated and destroyed, Evangeline doesn't know what made Drake turn on her in such a shocking manner. She only knows she'll never be the same. He once freed her from all her inhibitions; only now she is a prisoner to never-ending pain. But when Drake finds her again, she realizes there is more to his world than she ever imagined, and she must decide if she can once more trust and submit to the man who holds her wounded heart in his hands. And he must convince her of just how far he'll go to regain her love and forgiveness. *Darkest Before Dawn* Maya Banks, 2015-10-27. The #1 New York Times bestselling author of the Surrender Trilogy and the Breathless Trilogy knows what makes readers hot. Now she turns it up in *Mastered*, the explosive first book in a new series of a desire too dangerous to resist. What he wants, he takes with no remorse or guilt. She stood out in his club like a gem, unspoiled and untouched. A lamb among wolves, she clearly didn't belong. Drawn to her innocence, he watched as she was surrounded by men who saw what he did but no one but him could touch her. He summoned her to his private quarters. He sensed her fear. He also recognized the desire in her eyes. And he knew she wouldn't leave before he possessed her. She had no need to know his secrets. Not until he had her under his complete and utter control. What he wants, she isn't sure she can give him. The moment he told her what he wanted, she couldn't resist. Instinct told her to run, but her heart said stay and walk the fine line between pleasure and pain. Though she wasn't sure she could ever completely surrender the primal part of her, she wanted to try, even knowing this man could break her in ways she never imagined. Because once he possessed her, he owned her, and it would be too late to turn back. She can only pray that he doesn't destroy her in the end. **The Spectator**, 1919. A
