Women In Chinas Long Twentieth Century Global Area And International Archive:

Women in China's Long Twentieth Century Gail Hershatler, 2007-03-29 An important and much needed introduction to this rich and fast growing field Hershatler has handled a daunting task with aplomb Susan L. Glosser author of *Chinese Visions of Family and State* 1915 1953

Everyday Masculinities in 21st-Century China Magdalena Wong, 2020-05-04

Everyday Masculinities in 21st Century China The Making of Able Responsible Men argues that a moral dimension in Chinese masculinity is of growing significance in fast changing China Able responsible men those who can create wealth and shoulder responsibilities have replaced the moneyed elite of the earlier reform and opening up era as the dominant male ideal With vivid and highly readable case studies Wong presents a compelling account of the forces that coerce men to live up to the able responsible standard She demonstrates the impact this pressure has on the lives of not only boys and men but also on women and shows how it invites both complicit and resistant reactions The book lays bare the socio political context that nurtures the cultural expressions of hegemonic masculinity under the rule of Xi Jinping The president himself has emerged in public consciousness as the embodiment of the ideal able responsible man Based on anthropological fieldwork in Nanchong Sichuan the book provides new perspectives on many topical issues that China faces These include urbanization labour migration the one child policy love and marriage gender and intergenerational dynamics hierarchical male relationships and the rise of mass displays of nationalism In this richly informative book Dr Wong gives us an intimate picture of masculinities in a contemporary Chinese city She explores the role of wealth in definitions of masculinity the moral dimension in gender imagery the changing desires of women and the role of the state including a striking account of the gender strategies of President Xi More than a local study this book provides valuable ideas for understanding gender men and masculinities in the contemporary world Raewyn Connell University of Sydney Magdalena Wong asks wonderful original questions Her study might be one of the most pioneering investigations into Chinese family relations I have read The strength of her book lies in its insight into kinship and cultural continuities and changes The rich nuanced case studies can make her book become an important addition to our ongoing studies on Chinese family William Jankowiak University of Nevada Las Vegas

Women in China from Earliest Times to the Present Robin Yates, 2009-07-31 This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English French German and Italian Containing more than 2500 citations of books chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses it covers works written in the disciplines of anthropology and sociology art and archaeology demography economics education fashion film and media studies history interdisciplinary studies law literature music medicine science and technology political science and religion and philosophy It also contains many citations of studies of women in Hong Kong and Taiwan

Gender and Sexuality in Modern Chinese History Susan L. Mann, 2011-09-19 Gender and sexuality have been

neglected topics in the history of Chinese civilization despite the fact that there is a massive amount of historical evidence on the subject China's late imperial government was arguably more concerned about gender and sexuality among its subjects than any other pre-modern state How did these and other late imperial legacies shape twentieth-century notions of gender and sexuality in modern China Susan Mann answers this by focusing on state policy ideas about the physical body and notions of sexuality and difference in China's recent history from medicine to the theater to the gay bars from law to art and sports More broadly the book shows how changes in attitudes toward sex and gender in China during the twentieth century have cast a new light on the process of becoming modern while simultaneously challenging the universalizing assumptions of Western modernity

Women and China's Revolutions Gail Hershatter, 2018-09-04 If we place women at the center of our account of China's last two centuries how does this change our understanding of what happened This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people using gender as its analytic lens Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events For instance did women have a 1911 revolution A socialist revolution If so what did those revolutions look like Which women had them Hershatter uses two key themes to frame her analysis The first is the importance of women's visible and invisible labor The labor of women in domestic and public spaces shaped China's move from empire to republic to socialist nation to rising capitalist power The second is the symbolic work performed by gender itself What women should do and be was a constant topic of debate during China's transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse What sorts of concerns did people express through the language of gender How did that language work and why was it so powerful Drawing on decades of Hershatter's groundbreaking scholarship and mastery of a range of literatures this beautifully written book will be essential reading for all students of China's modern history

Women Writers in Postsocialist China Kay Schaffer, Xianlin Song, 2013-07-31 What does it mean to read from elsewhere Women Writers in Postsocialist China introduces readers to a range and variety of contemporary Chinese women's writing which has seen phenomenal growth in recent years The book addresses the different ways women's issues are understood in China and the West attending to the processes of translation adaptation and the grafting of new ideas with existing Chinese understandings of gender feminism subjectivity consumerism and post-modernism By focusing on women's autobiographical biographical fictional and historical writing the book engages in a transcultural flow of ideas between western and indigenous Chinese feminisms Taking account of the accretions of social cultural geographic literary economic and political movements and trends cultural formations and ways of thinking it asks how the texts and the concepts they negotiate might be understood in the social and cultural spaces within China and how they might be interpreted differently elsewhere in the global locations in which they circulate The book argues that women-centred writing in China has a direct bearing on global feminist theory and practice This critical study of

selected genres and writers highlights the shifts in feminist perspectives within contemporary local and global cultural landscapes *Merchants' Daughters* Helen F. Siu, 2010-03-01 Annotation Historians and anthropologists have long been interested in South China where powerful lineages and gendered hierarchies are juxtaposed with unorthodox trading cultures multi ethnic colonial encounters and market driven consumption The divergent paths taken by women in Hong Kong and Guangdong during thirty years of Maoist closure and the post reform cross border fluidities have also gained analytical attention **Chinese Modernity and the Individual Psyche** A. Kipnis, 2012-12-18 Rapid industrialization urbanization and marketization have led to startling social changes in reform era China Mindful of the many forms of social theory that relate modernity to individualism this volume addresses social and cultural change through the lens of psychological anthropology

Discourses of Weakness in Modern China Iwo Amelung, 2020-06-24 Die Vorstellung China sei ein schwacher Staat der in einer zunehmend darwinistisch konzipierten Welt nicht konkurrenzfähig sei beherrschte vom Ende des 19 Jahrhunderts besonders seit dem verlorenen Krieg gegen Japan 1894 95 bis in die 1930er Jahre den politischen Diskurs in China selbst wie auch in anderen Ländern der Welt Der Band zeichnet diese Untergangsgeschichte des kranken Mannes Asiens nach und hilft somit das Selbstverständnis und die Identität des heutigen China zu verstehen *Sexuality in a Changing China* Nicole Zarafonetis, 2017-05-18 Library of Congress Cataloging in Publication Data Names Zarafonetis Nicole author Title Sexuality in a changing China young women sex and intimate relations in the reform period Nicole Zarafonetis Description New York NY Routledge 2017 Series Routledge research on gender in Asia series Includes bibliographical references and index Identifiers LCCN 2017001825 ISBN 9781138240148 hardback ISBN 9781315293936 ebook Subjects LCSH Sex China Sex instruction China Sex role China Dating Social customs China Marriage China Women China Social conditions Classification LCC HQ18 C6 Z37 2017 DDC 306 70951 dc23 LC record available at <https://lcn.loc.gov/2017001825> **Engendering the Woman Question: Men, Women, and Writing in China's Early Periodical Press** Yun Zhang, 2020-08-31 In *Engendering the Woman Question* Zhang Yun adopts a new approach to examining the early Chinese women's periodical press Rather than seeing this new print and publishing genre as a gendered site coded as either feminine or masculine this book approaches it as a mixed gender public space where both men and women were intellectually active and involved in dynamic interactions to determine the contours of their discursive encounters Drawing upon a variety of novel textual modes such as polemical essays historical biography public speech and expository essays this book opens a window onto men's and women's gender specific approaches to a series of prominent topics central to the Chinese woman question in the early twentieth century *Re-envisioning the Chinese Revolution* Ching Kwan Lee, 2007 A comprehensive study of contemporary memories of China's revolutionary epoch from the time of Japanese imperialism through the Cultural Revolution This volume examines the memories of a range of social groups including disenfranchised workers and rural women who have often been neglected in scholarship *Gender and Mission Encounters in Korea* Hyaeweol Choi, 2009-11-15 This book vividly traces the

genealogy of modern womanhood in the encounters between Koreans and American Protestant missionaries in the early twentieth century during Korea's colonization by Japan Hyaewool Choi shows that what it meant to be a modern Korean woman was deeply bound up in such diverse themes as Korean nationalism Confucian gender practices images of the West and Christianity and growing desires for selfhood Her historically specific textured analysis sheds new light on the interplay between local and global politics of gender and modernity

At Home in the World Xia Shi, 2018-03-20 During the years spanning the late Qing dynasty and the early Republican era the status of Chinese women changed in both subtle and decisive ways As domestic seclusion ceased to be a sign of virtue new opportunities emerged for a variety of women Much scholarly attention has been given to the rise of the modern independent new women during this period However far less is known about the stories of married nonprofessional women without modern educations and their public activities In *At Home in the World* Xia Shi unearths the history of how these women moved out of their sequestered domestic life engaged in charitable philanthropic and religious activities and repositioned themselves as effective public actors in urban Chinese society Investigating the lives of individual women as well as organizations such as the YWCA and the Daoyuan she shows how her protagonists built on the past rather than repudiating it drawing on broader networks of family marriage and friendship and reconfiguring existing beliefs into essential components of modern Chinese gender roles The book stresses the collective forms of agency these women exercised in their endeavors highlighting the significance of charitable and philanthropic work as political social and civic engagement Shi also analyzes how men alive dead or absent both empowered and constrained women's public ventures She offers a new perspective on how the public private and domestic realms were being remade and rethought in early twentieth century China in particular how the women navigated these developing spheres *At Home in the World* sheds new light on how women exerted their influence beyond the home and expands the field of Chinese women's history

Fact in Fiction Kristin Stapleton, 2016-08-17 Historical novels can be windows into other cultures and eras but it's not always clear what's fact and what's fiction Thousands have read Ba Jin's influential novel *Family* but few realize how much he shaped his depiction of 1920s China to suit his story and his politics In *Fact in Fiction* Kristin Stapleton puts Ba Jin's bestseller into full historical context both to illustrate how it successfully portrays human experiences during the 1920s and to reveal its historical distortions Stapleton's attention to historical evidence and clear prose that directly addresses themes and characters from *Family* create a book that scholars students and general readers will enjoy She focuses on Chengdu China Ba Jin's birthplace and the setting for *Family* which was also a cultural and political center of western China The city's richly preserved archives allow Stapleton to create an intimate portrait of a city that seemed far from the center of national politics of the day but clearly felt the forces of and contributed to the turbulent stream of Chinese history

Embracing the Tune of Appearance: An Mental Symphony within **Women In Chinas Long Twentieth Century Global Area And International Archive**

In a global used by monitors and the ceaseless chatter of fast connection, the melodic beauty and psychological symphony produced by the prepared term often diminish in to the backdrop, eclipsed by the persistent sound and interruptions that permeate our lives. However, set within the pages of **Women In Chinas Long Twentieth Century Global Area And International Archive** a charming literary prize full of raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this charming masterpiece conducts visitors on a psychological journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of the moving examination, we will investigate the book is main harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Women In Chinas Long Twentieth Century Global Area And International Archive Introduction

In todays digital age, the availability of Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Women In Chinas Long Twentieth Century Global Area And International Archive versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared

to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Women In Chinas Long Twentieth Century Global Area And International Archive books and manuals for download and embark on your journey of knowledge?

FAQs About Women In Chinas Long Twentieth Century Global Area And International Archive Books

1. Where can I buy Women In Chinas Long Twentieth Century Global Area And International Archive books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book

Depository, and various online bookstores offer a wide range of books in physical and digital formats.
