you've been following Jesus Luke 1-5 MacArthur New Testament Commentary John MacArthur, 2009-10-01 Luke 1:5 begins The MacArthur New Testament Commentary's look at the longest of the four gospels. The commentary provides a verse by verse and phrase by phrase exposition of the text taking into account the cultural, theological, and Old Testament contexts of each passage. Interpretive challenges are fully dealt with and differing views are fairly evaluated. The gospel of Luke is unique and provides valuable insight into Christ's life and ministry. For example, it gives the fullest account of Christ's birth and is the only gospel to record several of our Lord's parables, including the Good Samaritan and the Two Sons. Use this volume of The MacArthur New Testament Commentary series to assist you in your study of this cherished New Testament book.

Hearing God Through Physical Disorders Fred C. Frost, 2017-04-29 Hearing God Through Physical Disorders is written to educate and inspire readers to take charge of their health and listen to what God is telling them about their spiritual lives. As a pastor over churches and pastors, this book is a must read. In this book, Pastor Frost gives the answer to so many questions that pastors have. Dr. Ann L. Hardman, Ann Hardman Ministries, I was introduced to nurse Fred Frost and Pastor Fred Frost during late nights on duty in the ER. As medical co-workers and more so as fellow brothers in Christ, I can say Fred is the real deal as a nurse and as a believer in Christ. This fascinating book could only be possible from a man who lives the life Fred lives. He knows medical pathology and he knows the Lord Jesus. He's crafted a very insightful work using one of God's most amazing creations, the human body, to teach invaluable spiritual principles for those who desire to honor God with their lives. It's worth reading. Dr. James Dell Crosby, M.D., Bullock County Hospital Medical Director of Mercy Medical Ministry. Pastor Fred Frost is uniquely gifted with special motivation and powerful insight as a result of many outstanding years of pastoral care and hospital emergency room health care. It's amazing how he combines his pastoral and medical experiences and studies to produce such a book with both sound biblical and proven medical treatment. I highly recommend, endorse, and support the ministry work and writing of this author. Bishop G. F. Austin, Diocesan Pentecostal Assemblies of the World, 9th Episcopal Diocese of Alabama.
