Michael Wittmer: This planet is more than just a stopover on your way to heaven. It is your final destination. God wants you to enjoy your earthly existence, and to think otherwise is to miss the life he intends for you. Exploring the book of Genesis, Heaven Is a Place on Earth gently but firmly strips away common misconceptions of Christianity and broadens your worldview to reveal the tremendous dignity and value of everyday life. Taking you from creation to the fall to redemption and to glimpses from the book of Revelation, Michael Wittmer opens your eyes to a faith that encompasses all of life: baseball games, stock reports, church activities, prayer, lovemaking, work, hobbies, everything that lies within the sphere of human activity. To be fully Christian is to be fully human, says Wittmer, alive and responsive to the kingdom of God in all that you are and all that you do. Discover the freedom and impact God created you for. It starts with a truly Christian worldview. And its fruit is the undiluted gospel, powerful not only to save souls but to restore them to a life that is truly worth living. Includes discussion, reflection questions after each chapter.
