Woo Awakening Teenagers Desire To Follow In The Way Of Jesus

Sir James Augustus Henry Murray

Woo Awakening Teenagers Desire To Follow In The Way Of Jesus:

Woo Morgan Schmidt, 2014-03-01 What if teenagers wanted to follow Jesus not just avoid hell Desire makes us who we are What teenagers want whether they possess it long for it are terrified by it deny it pursue it or give up on it impacts their relationships dictates their actions forms their character and shapes their beliefs So if they actually want Jesus or the church or the kingdom then they re more likely to keep wanting their faith beyond youth group Woo connects teenagers good desires with the Good News It s an invitation to reimagine the church as a place where students desires are honored where they will encounter the One who desires and can participate with God in restoring the world Woo isn t another method or gimmick that will bring students flocking to youth group Instead it suggests a way of being one that begins with us This isn t sexy youth ministry but it s good

Youth Beyond the Developmental Lens Wesley W. Ellis, 2024-01-23 What happens when we stop thinking of young people as projects and recognize them for who they are here and now Wesley Ellis exposes the insidious impact of developmental psychology upon youth ministry and practice arguing instead for a theological anthropology of youth that can help us see all people including adolescents as uniquely created in the image of God Propelled by the conviction that ministry requires us to see youth as beings rather than becomings Ellis demonstrates how we can reorient our vision toward ministry that prioritizes relationship and inclusion over rigid developmental frameworks A veteran youth minister across multiple denominations Ellis knows his subject deeply as both practitioner and theologian Youth beyond the Developmental Lens mines personal accounts the biblical narrative and a vast array of theological expertise to release readers from restrictive assumptions that have long bound youth ministry Ellis s finely tuned pastoral sensibilities bring all these elements into focus helping us understand ministry as relational and all humans as part of God s story Rostered ministers lay leaders and others engaged with youth will find an antidote to anxiety about the future of the church Ellis reminds us that God is here already Our call is simply to be *Delighted* Kenda Creasy Dean, Wesley W. Ellis, Justin Forbes, Abigail Visco Rusert, 2020-04-28 What would youth ministry look like if it were based on a pursuit of authentic Christian joy Joy is not often a word young people associate with church but it should be By reimagining three common practices in youth ministry through the theological lens of joy veteran youth workers Kenda Creasy Dean Wesley Ellis Justin Forbes and Abigail Visco Rusert demonstrate how to shift this association and become more honest about what youth ministry can and can t do to support young people and their faith Grounding youth ministry in joy rather than in fear also models a way forward for the church It reminds us that youth ministry is not a tool for anxious congregations to use to ensure their survival Rather youth ministry like all ministry is a way to help people name and experience God s delight free from fear and anxiety about their futures *Delighted* is the first book to emerge from the Yale Center for Faith and Culture s Adolescent Faith and Flourishing project offering a sustained reflection on joy s practical importance for youth ministry With reflection questions offered at the end of each chapter *Delighted* is easy for youth ministers volunteers and pastors to pick up and use

immediately tapping into young people's instinctive desire for joy for the entire church as well as for ministry with teenagers
