Woodcutters Thomas Bernhard:

Woodcutters Thomas Bernhard, 2013-01-23 Fiercely observed often hilarious and reminiscent of Ibsen and Strindberg The New York Times Book Review this exquisitely controversial novel was initially banned in its author's homeland A searing portrayal of Vienna's bourgeoisie it begins with the arrival of an unnamed writer at an artistic dinner hosted by a composer and his society wife a couple he once admired and has come to loathe The guest of honor a distinguished actor from the Burgtheater is late As the other guests wait impatiently they are seen through the critical eye of the writer who narrates a silent but frenzied tirade against these former friends most of whom have been brought together by Joana a woman they buried earlier that day Reflections on Joana's life and suicide are mixed with these denunciations until the famous actor arrives bringing an explosive end to the evening that even the writer could not have seen coming *Thomas Bernhard* Gitta Honegger, 2001-01-01 Thomas Bernhard 1931-1989 a literary figure of international acclaim and arguably Austria's greatest post World War II writer became the first of his generation to expose unrelentingly his country's pathological denial of complicity in the Holocaust Bernhard's writings and indeed his own biography reflect Austria's fraught efforts to define itself as a nation following the collapse of the Habsburg monarchy and the trauma of World War II Repeatedly he scandalized the nation with novels plays and public statements that exposed the convoluted ways Austrians were attempting to come to terms with their Nazi past or defiantly avoiding doing so This book the first comprehensive biography of Thomas Bernhard in English examines his life and work and their intricate relationship to Austria's geographical political and cultural transformations in the twentieth century While Bernhard was the scourge of his native culture Honegger explains he was also a product of that same culture Appreciation of his controversial impact on his society is possible only through an understanding of the contradictions the shame and the achievements that mark Austrians' self-perception in the postwar years Honegger shows that for Bernhard the theater was not only a profession but also a paradigm for his life and that performance was the primary force animating his writing and self-construction Even after his death Bernhard's carefully constructed biography continues to fascinate shock and expose the Austrian culture at large **Thomas Bernhard's Afterlives** Olaf Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose fiction memoirs poetry and drama Thomas Bernhard 1931-1989 one of the 20th century's most uniquely gifted writers created a new and radical style seemingly out of thin air His books never tell a story in the received sense Instead he rages on the page he rants and spews vitriol about the moral failures of his homeland Austria in the long amnesiac aftermath of the Second World War Yet this furious prose seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards has been powerfully echoed in many writers since Bernhard's death in 1989 These explorers have found in Bernhard's singular accomplishment new paths for the expression of life and truth Thomas Bernhard's *Afterlives* examines the international mobilization of Bernhard's style Writers in Italian German Spanish Hungarian English and French have succeeded in making

Bernhard's Austrian vision and an international vision This book tells that story **The Ends of Satire** Daniel Bowles, 2015-02-24 How are we to think of satire if it has ceased to exist as a discrete genre This study proposes a novel solution understanding the satiric in the postwar era as a set of writing practices figures of inversion myth making and citation By showing how writers and theorists alike deploy these devices in new contexts this book reexamines the link between German postwar writing and the history of satire and between literature and theory

The Nihilism of Thomas Bernhard Charles W. Martin, 1995 This study examines the nihilistic basis of Bernhard's writing and traces developments in the author's nihilistic stance throughout his career In the first period of his prose fiction 1963-1975 nihilism is reluctantly accepted by Bernhard's fictional characters as a necessary response to a world perceived as meaningless Various possible sources of transcendence are explored and rejected The autobiographical texts 1975-1982 then represent a sustained attempt by the author himself to transcend his own essentially nihilistic state The apparent success of this attempt is quickly revealed to be illusory in the prose fiction of the second period 1978-1986 and it becomes apparent that nihilism is a no less necessary response to Austrian social reality than to the more purely personal problems which first motivated Bernhard's writing

The Diviners Margaret Laurence, 2010-04-01 In *The Diviners* Morag Gunn a middle aged writer who lives in a farmhouse on the Canadian prairie struggles to understand the loneliness of her eighteen year old daughter With unusual wit and depth Morag recognizes that she needs solitude and work as much as she needs the love of her family With an afterword by Margaret Atwood Mrs Laurence's novel is both poetic and muscular and her heroine is certainly one of the more humane unglorified unpolemical believable women to have appeared in recent fiction *The New Yorker*

The Novelist Jordan Castro, 2023-07-18 Brisk and shockingly witty exuberantly scatological as well as deeply wise *The Novelist* is a delight Jordan Castro is a rare new talent an author highly attuned to the traditions he is working within while also offering a refreshingly fun sendup of life beset by the endless scroll Mary South author of *You Will Never Be Forgotten* In Jordan Castro's inventive funny and surprisingly tender first novel we follow a young man over the course of a single morning as he tries and fails to write an autobiographical novel finding himself instead drawn into the infinite spaces of Twitter quotidian rituals and his own mind The act of making coffee

prompts a reflection on the limits of self knowledge an editor s embarrassing tweet sparks rage at the literary establishment a meditation on first person versus third examines choice and action an Instagram post about the ethics of having children triggers mimetic rivalry the act of doing the dishes is at once ordinary and profound one of the many small commitments that make up a life of stability *The Novelist* A Novel pays tribute to Nicholson Baker s *The Mezzanine* and Thomas Bernhard s *Woodcutters* but in the end is a wholly original novel about language and consciousness the internet and social media and addiction and recovery

Irony and the Logic of Modernity Armen Avanessian,2015-09-14 The logic of modernity is an ironical logic Modern irony a flash of genius produced by Romantic theorists is first discussed e g in Hegel and Kierkegaard as an ethical problem personified in figures such as the aesthete the seducer the flaneur or the dandy It fully develops in the novel the modern genre par excellence in novels of the early 19th century no less than in those of postmodernity or in those of the masters of citation parody and pastiche of classical modernism Musil Joyce and Proust This book however goes one step further Looking at how such different authors as Schmitt Kafka and Rorty identify the political conflicts contradictions and paradoxes of the 20th century as ironical and offers a comprehensive account of the constitutive irony of modernity s ethical poetical and political logic

Aesthetic and Philosophical Reflections on Mood Birgit Breidenbach,2020-04-19 This study explores the concept of Stimmung in literary and philosophical texts of the modern age Signifying both mood and attunement Stimmung speaks to the categories of affective experience and aesthetic design alike The study locates itself in the nexus between discourses on modernity existentialism and aesthetics and uncovers the pivotal role of Stimmung in 19th and 20th century European

narrative fiction and continental philosophy The study first explores the philosophical and aesthetic origins and implications of Stimmung to then discuss its role in the narrative fiction of three key authors of modern literature Fyodor Dostoevsky Samuel Beckett and Thomas Bernhard These readings demonstrate a significant shift towards an aesthetic of affective intensity and immediacy in which the experience of the reading process takes centre stage as each author develops an aesthetic philosophy of Stimmung in their own right Through its focus on the concept of Stimmung the study thus unearths a fundamental link between existentialist concerns and narrative practice in modern literature
