The Woodlanders. Thomas Hardy, 2018-04-27 The Woodlanders is a novel by Thomas Hardy published in 1887 The story takes place in a small woodland village called Little Hintock and concerns the efforts of an honest woodsman Giles Winterbourne to marry his childhood sweetheart Grace Melbury It is not considered one of Hardy's best novels yet it is still read with interest and as a comparison with his better respected novels The Woodlanders marks the beginnings of controversy for Hardy's novels At this point in his career he was established enough as a writer to take risks especially in the areas of sex sexual attraction marriage divorce marital fidelity unconventional plots and tones and seemingly immoral conclusions

The Woodlanders Thomas Hardy, 2017-04-24 How is this book unique Font adjustments biography included Unabridged 100% Original content Illustrated About The Woodlanders by Thomas Hardy The Woodlanders is a novel by Thomas Hardy When country girl Grace Melbury returns home from her middle class school she feels she has risen above her suitor the simple woodsman Giles Winterborne Though marriage had been discussed between her and Giles Grace finds herself captivated by Dr Edred Fitzpiers a sophisticated newcomer to the area a relationship that is encouraged by her socially ambitious father Hardy's novel of betrayal disillusionment and moral compromise depicts a secluded community coming to terms with the disastrous impact of outside influences And in his portrayal of Giles Winterborne Hardy shows a man who responds deeply to the forces of the natural world thought they ultimately betray him Plot The story takes place in a small woodland village called Little

Hintock and concerns the efforts of an honest woodsman Giles Winterborne to marry his childhood sweetheart Grace Melbury Although they have been informally betrothed for some time her father has made financial sacrifices to give his adored only child a superior education and no longer considers Giles good enough for her When the new doctor a well born and handsome young man named Edred Fitzpiers takes an interest in Grace her father does all he can to make Grace forget Giles and to encourage what he sees as a brilliant match Grace has misgivings prior to the marriage as she sees a village woman Suke Damson coming out of his cottage very early in the morning and suspects he has been sleeping with her She tells her father that she does not want to go on with the marriage and he becomes very angry Later Fitzpiers tells her Suke has been to visit him because she was in agony from toothache and he extracted a molar Grace clutches at this explanation in fact Fitzpiers has started an affair with Suke some weeks previously After the honeymoon the couple take up residence in an unused wing of Melbury s house Soon however Fitzpiers

The Woodlanders Thomas Hardy,1887 *The Woodlanders* Thomas Hardy,2016-01-01 CHAPTER I The rambler who for old association or other reasons should trace the forsaken coach road running almost in a meridional line from Bristol to the south shore of England would find himself during the latter half of his journey in the vicinity of some extensive woodlands interspersed with apple orchards Here the trees timber or fruit bearing as the case may be make the wayside hedges ragged by their drip and shade stretching over the road with easeful horizontality as if they found the unsubstantial air an adequate support for their limbs At one place where a hill is crossed the largest of the woods shows itself bisected by the high way as the head of thick hair is bisected by the white line of its parting The spot is lonely The physiognomy of a deserted highway expresses solitude to a degree that is not reached by mere dales or downs and bespeaks a tomb like stillness more emphatic than that of glades and pools The contrast of what is with what might be probably accounts for this To step for instance at the place under notice from the hedge of the plantation into the adjoining pale thoroughfare and pause amid its emptiness for a moment was to exchange by the act of a single stride the simple absence of human companionship for an incubus of the forlorn
