Word And Power Church The:

The Word and Power Church Douglas Banister, 2009-09-03 You don't have to head overseas to find a war. In the church, the rhetorical crossfire between evangelical and spirit-filled Christians over the past hundred years has been withering. No scriptural foundations is the charge evangelicals have leveled at the charismatics. No spiritual power, the latter have countered. The boundaries are clear. The positions are taken and guarded. Either you're a Word person or a Power person. Today though such black and white either/or thinking is giving way to the liberty and promise of a Word and Power church. Pastor Doug Banister shows why we cannot afford to settle for less. It's time to bury our differences which are largely artificial and discover the incredible potential that arises when evangelicals combine their strengths with Pentecostals and charismatics. Taking a long, careful and honest look at the Scriptures, church history and at the state of the church and the world today, Pastor Banister reveals why Pentecostalism and evangelicalism need each other. Each tradition possesses strengths that are essential to a balanced life-changing faith. The Word and Power Church shows how these two mighty rivers add to rather than subtract from each other. At the cusp of a new millennium they are in fact merging into one river. Word and Power churches may experience turbulence where the waters meet but they teem with life, hope, faith and power to reach a desperate world with the Gospel. Filled with personal anecdotes, this fascinating, thought-provoking and candid book supplies the why-tos and how-tos of a Word and Power approach. What you won't find is preferential treatment of one view over another. What you will find are thoughtful biblical insights that will challenge you and inspire you. And you'll discover practical guidance for charting your own course whether as an individual or as a church toward a faith that embraces the truth of the Word and the power of the Spirit. As a solidly evangelical seminary graduate and pastor, Banister admits to having disdained charismatics. That is, until meticulous study of God's Word convinced him that miraculous gifts of tongues, healing and prophecy are indeed valid for today. As he details his journey beyond categories, Banister explores the reasons for the age-old rift between the two camps and the ways in which healing is taking place in new Word and Power churches all over America. When evangelicals and charismatics bring together the best from each tradition, he has discovered that the result is a strong, unified body. Word and Power churches affirm the authority of Scripture and encourage the prophetic embrace of those who pray in a spiritual language, pursue obedience to Christ, edify the believer and evangelize the seeker, heal the sick and comfort the suffering. The Word and Power Church will speak to Christians everywhere who want to walk in both the integrity of Scripture and the power of the Holy Spirit.

Revival Preaching Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God, Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost. He believes strongly that God-honoring, Christ-exalting and Spirit-empowered preaching plays a critical role in revival and awakening. No one models this dynamic better than Jonathan Edwards. He was a pastor who was a protagonist of the First Great Awakening. He thought deeply and critically about religious movements and his reflections and sermons provide

valuable fodder for reflection Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world

A. B. Simpson Michael G. Yount, 2016-10-25 This volume looks at the Third Great Awakening one of the most exciting times in the history of American Christianity A B Simpson's impact on the Third Great Awakening and his influence on the modern church is examined Emphasis is placed on the denomination he founded the Christian and Missionary Alliance Simpson's message the Fourfold Gospel is also explored The Fourfold Gospel is Christ as the Christian's Savior Sanctifier Healer and Coming King The denomination Simpson founded took this message not only to North America but also throughout the world Five movements made up the Third Great Awakening and Simpson's contribution to each one is examined These five movements include Evangelizing Holiness Movement Healing Movement Pre-millennial Movement and Urban and Worldwide Outreach As this book concludes with a look at Simpson's influence on the church today we are reminded that as the church goes through the twenty-first century the Fourfold Gospel continues to be proclaimed just as it was during the Third Great Awakening

Ten Great Ideas from First Corinthians George Renner, Mark Shaw, 2021-10-19 First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the Western world in the twenty-first century The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus's death and resurrection God has begun his new creation agenda amid the broken world of today This is not just another commentary there are many very good ones but rather we present a biblical theology of church renewal based on solid exegesis and our experience as teachers and pastors in both Africa and North America This book will pull out the essential teaching of Paul on renewal in ten manageable principles or great ideas Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope When churches make the shift from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things the church begins to move and the world begins to change

The Word Before the Powers Charles L. Campbell, 2002-01-01 In this examination of the ethical significance of preaching Charles Campbell provides both fresh insights into the relationship between preaching and ethics and a challenging moral vision for the contemporary church Moving beyond a narrow focus on moral decision making or social issues sermons Campbell argues that a particular ethic nonviolent resistance is inherent in the practice of preaching and shapes the moral life of the church In the face of the powers the fundamental ethical task of preaching involves building up the church as a community of resistance Employing three dimensions of character ethics vision practices and virtues Campbell demonstrates the concrete ways in which preachers may undertake this task

The Church of the Word Incarnate: Vol. 1

The Apostolic Hierarchy Charles Journet, 2025-04-01 The monumental work of renowned twentieth century Swiss ecclesiologist Charles Journet *The Church of the Word Incarnate* is among the most comprehensive and spiritually profound studies of the mystery of the Church Presented here for the first time in English translation is Journet's complete five volume essay in speculative theology in which he undertakes a Thomistic presentation of the Church in light of her four causes efficient material formal and final corresponding to her four marks of apostolicity catholicity unity and sanctity In this first volume Journet examines the apostolic hierarchy the Twelve chosen by Christ along with their successors and collaborators as the Church's immediate and instrumental efficient cause After an initial consideration of the prior stages involved in the divine institution of the Church Journet devotes much of the rest of the volume to the apostolic hierarchy itself and to its unified exercise of its distinct sacramental and jurisdictional powers from which the Church's existence in the world flows The volume concludes with his reflections on apostolicity as both a property and sign of the true Church **The Grown up**

Church Earl Lambdin, 2014-01-17 This book is dedicated to the unrelenting pursuit of Biblical truth concerning our apostolic founders vision of Christ's interactive maturing church As the early apostles were committed to the growing up of each individual disciple of the Body of Christ so this book is written to challenge and exhort all believers and followers of Christ to not settle for the same old predictable church style of stale hierarchal leadership with mediocre followers and results If the reader would be willing to humble oneself and dare to become boldly unchained and unafraid of embracing what is presented in this book through scriptural truth then a much greater understanding of the goals of early Christian discipleship could be greatly realized for the full stature and steely strength of united saints in these most desperate of latter times
