documents and reduce paper clutter Version 4 0 1 updated February 2 2024 The paperless office doesn t have to be a myth
Turn paper into usable digital files reducing clutter and increasing convenience This book helps you assess your situation
develop a strategy and learn clever techniques for keeping more paper at bay with detailed discussion of the hardware
software and processes needed to get the job done Join Joe Kissell as he helps you clear the chaos of an office overflowing
with paper With Joe s guidance you can develop a personal clean up strategy and choose your tools including a scanner and
the software you need to perform OCR optical character recognition You ll also learn about devices and services for storing
your digitized documents and document management apps that help you categorize locate and view your digital document
collections Once you have your gear in hand Joe shows you how to convert your paper documents to digitized files and gives
you ideas for how to organize your office workflow explaining how to develop day to day techniques that reduce the amount
of time you spend pressing buttons launching software and managing documents You ll also master paper reducing skills
such as Scanning or photographing documents you find while out and about business cards receipts menus flyers and more
so you keep only digitized versions Joe discusses a variety of mobile scanning options for iOS iPadOS and Android Creating a
digitized image of your signature so you can sign and share documents digitally rather than printing them for the sole
purpose of signing them with a pen Using paperless options for bills invoices bank statements and the like Cutting down on
unwanted catalogs and junk mail Switching to mostly paperless postal mail Using your computer to send and receive faxes
without a fax machine fax modem or separate phone line Amazingly some people still need to do this even in the 21st century
The book contains answers to numerous questions including What is a searchable PDF and why is it key to a paperless office
