Words of Prayer Tomas Vium Olesen, 2001 This devotional and meditation tool combines the beauty of biblical prayers with full color paintings The prayers of Jesus Moses David Jonah and others illustrate such themes of prayer as the nature of prayer mystery and struggles *Words of Prayer* Scandinavia Publishing House, 2003-03-01 **Prayer and the Word of God** Cynthia Hyle Bezek, 2014-06-04 Connect the dots between prayer and God s Word Many studies are aimed at gaining information about the Bible or a spiritual topic Prayer and the Word of God aims to transform how you relate with God through prayer It offers practical hands on opportunities for you to grow deeper in your personal relationship with Jesus Christ through prayer In other words you will not learn stuff about prayer but how to pray In six lessons Prayer and the Word of God will give you a greater understanding of the ways God speaks both through His written Word and His spoken word Its format weaves Bible study with experience in a way that will increase your passion both for the Word of God and prayer A Leader s Guide is available at harvestprayer.com/resources/free-downloads **Meditating on the Word** Dietrich Bonhoeffer, 1986-01-25 Daily quiet reflection on the Word of God as it applies to me becomes for me a point of crystallization for everything that gives interior and exterior order to my life wrote Dietrich Bonhoeffer to his colleagues at the warfront in the winter of 1942 Now back in print after a decade this collection of Bonhoeffer s writings sermons and letters on meditation including his unfinished meditation on Psalm 119 reveals his deep love for the Bible as a focus for his prayer life and a support in his courageous political life Why do I meditate asks Bonhoeffer Because I am a Christian Therefore every day in which I do not penetrate more deeply into the knowledge of God s Word in Holy Scripture is a lost day for me *How to Pray and How to Study the Bible* R. A. Torrey, 2022-05-17 As valuable as when they were first published a century ago Torrey s two disciple making classics *How to Pray* and *How to Study the Bible* encourage believers to grow in the knowledge and love of God Brimming with practical wisdom *How to Pray* describes varieties of biblical prayer that availeth much *How to Study the Bible* details seven fruitful methods of inductive Bible study Now together for the first time in one binding R A Torrey 1856-1928 an evangelist author and educator was a prolific writer with over forty books to his credit He was a major force in helping shape the Bible school now known as Moody Bible Institute **A Handbook of the Christian Faith** John Schwarz, 2004-08 This is a unique one volume overview of the Bible church history Christian beliefs and more A revised edition of the *Compact Guide to the Christian Faith* *Theology the Lutheran Way* Oswald Bayer, 2007-09-14 Rather than asking if theology is theoretical or practical a question that reveals a fundamental lack of understanding about the nature of theology in general it is better to ask What exactly is theology It is this question that Oswald Bayer attempts to answer in *Theology the Lutheran Way* clearing up misconceptions about the essence of theology Along with Luther himself Bayer claims that theology rather than being something that we do is really what God does Based primarily on the third section of Bayer s original German work of the same title this book evaluates certain approaches to theology that have been influential

from Schleiermacher's understanding of theology to debates with Kant, Hegel and Bultmann. It also includes a substantial section on Luther from the original in order to clarify the Lutheran tradition.

Words to God, Word from God Howard Neil Wallace, 2017-07-05 The psalms challenge and sustain us in a number of ways and in times of new challenges to the very fabric of the church to its faith and its values we need to re-examine these ancient prayers and songs. This book explores the place and function of the psalms in Christian prayer, preaching and worship. Examining the dual nature of the psalms as both words to God and word from God, the author brings together the historical experience of the church, biblical studies and theological reflection to focus on the application of the psalms in contemporary Christian life. A number of individual psalms are explored in terms of what they have to say about prayer or what theological issues they raise for contemporary life. This book encourages a reclamation of the psalms in the private and public prayers of the church and in the preaching of the word.

Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day, 732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational but also educational, challenging and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.
