Working With Alienated Children And A Clinical Guidebook:

Working with Alienated Children and Families Amy J. L. Baker, S. Richard Sauber, 2013 This guidebook pulls together for the first time the best thinking in the field today about different approaches for working with these families It is written by and for mental health professionals who work directly with alienated children targeted parents and families affected by parental alienation The Handbook of Child and Adolescent Clinical Psychology Alan Carr, 2025-06-02 Now in its fourth edition The Handbook of Child and Adolescent Clinical Psychology incorporates important advances in the field to provide a practice oriented and accessible resource for clinical psychologists in training Beginning with a set of general conceptual frameworks for practice the book gives specific guidance on the management of problems commonly encountered in clinical work with children and adolescents drawing on the best practice in the fields of clinical psychology and family therapy There is comprehensive coverage of Problems of infancy and early childhood Problems of middle childhood Problems of adolescence Child abuse Adjustment to major life transitions including entering foster care parental divorce and bereavement Each chapter dealing with specific clinical problems includes cases examples discussion of diagnosis classification epidemiology clinical features assessment and treatment and practice exercises New material includes the latest advances in child and adolescent clinical psychology assessment and treatment programmes and positive psychology It also is updated in line with the latest revisions of ICD and DSM This book is invaluable as both a reference work for experienced practitioners and as an up to date evidence based practice manual for clinical psychologists in training

Surviving Parental Alienation Amy J.L. Baker, PhD, Paul R. Fine, LCSW, 2014-04-04 Half of all marriages end and when they do most parents hope to achieve a good divorce in which they can amicably raise their children with their former spouse Unfortunately about 20% of divorces are high conflict involving frequent visits to court allegations of abuse and chronic disagreements regarding parenting schedules In response to this conflict some children become aligned with one parent against the other even a parent who has done nothing to warrant the hostile rejection of their formerly loving children These targeted parents suffer from the loss of time with their children the pain of watching their children become distant even cruel and the uncertainty of not knowing if and when their children will come back to them These parents are on a painful journey with an uncertain outcome *Surviving Parental Alienation* fills the tremendous need for concrete help for these parents Too often parental alienation stories that are shared by word of mouth on the internet or in books depict unending pain and frightening outcomes *Surviving Parental Alienation* provides true stories and information about parents who have reconnected with their lost and stolen children and offers better insight and understanding into what exactly parental alienation is and how to handle it Targeted parents are desperate to be understood and to find cause for hope even as they search for answers *Surviving Parental Alienation* is where they can start to find this hope Handbook of Child Custody Mark L. Goldstein, 2015-08-03 This authoritative reference brings together leading experts for up to date theory findings and

guidelines on the core aspects of child custody evaluations Contributors offer steps for gathering more accurate family data through home observations interviews and collateral information Chapters examine psychological assessment tools commonly used in evaluations including measures relating to parenting competencies mental illness domestic violence and substance abuse and consider increasingly salient issues such as relocation and families in therapy The section on case studies shows best practices applied in real life custody situations and a chapter authored by a family court judge offers rarely seen perspective from the bench Featured in the Handbook A survey of ethical and professional issues Observing and interviewing children adolescents and adults Psychological assessment and personality testing A detailed review of the Bricklin scales Specialized issues including parental alienation attachment cults and more Illustrative case studies and psychological reports Mental health professionals who conduct child custody evaluations including psychiatrists clinical psychologists clinical social workers family and marriage counselors and licensed clinical professional counselors will appreciate the Handbook of Child Custody Family law attorneys will also find the Handbook useful in assisting them in child custody litigation Its thorough coverage will aid evaluators in making recommendations that are professional ethical and impartial and family lawyers in understanding the evaluation process and preparing for expert testimony

Overcoming Parent-Child Contact Problems Abigail M. Judge, Robin M. Deutsch, 2016-10-05 *Overcoming Parent Child Contact Problems* describes interventions for families experiencing a high conflict divorce impasse where a child is resisting contact with a parent *Parental Alienation Theory: Official Synopsis* Parental Alienation Study Group, Inc., 2025-08-11 Family law is fraught with conflict and few issues spark more debate among mental health and legal professionals than parental alienation When a child aligns strongly with one parent while rejecting the other often due to indoctrination rather than legitimate reasons the consequences can be devastating for families Yet professionals remain deeply divided on how to define diagnose and address this issue creating further polarization in both policy and practice *Parental Alienation Theory Official Synopsis* is a bold step toward consensus This synopsis provides an antidote to this issue by offering a concise comprehensive summary of current information about PA grounded in the impressive accumulation of evidence from social science about this complex area of family law It counters information on PA from sources that lack rigorous social science methodology and or propagate advocacy positions without an evidence base This concise text brings together a group of experts who have developed a shared framework on definitions terminology diagnosis prevention and intervention Designed as a foundation for ongoing dialogue this work invites contributions from researchers practitioners and policymakers to refine and expand upon its principles in future editions By fostering collaboration and standardizing approaches this book seeks to bridge professional divides and offer families a clearer path to resolution

Parental Alienation and Family Reunification Pearl S. Berman, Ethan M. Weisinger, 2024-02-01 This book on parental alienation and family reunification provides family court professionals with critical background in child development dynamics present in violent families and how to evaluate

the testimony of experts to ensure it values children's views best interests of the children and follows evidence based practice As laid out in the Child Welfare Information Gateway report 2020 Family court judges should make decisions per the best interests of the child standard High conflict custody cases make this complicated especially when reunification services are requested In the middle of contentious proceedings judges oftentimes receive conflicting information from parents Judges and family law professionals can be lead astray relying on unproven constructs and instruments not meeting the criteria of reliability and validity Mandating victimized children into reunification programs that are neither evidence based nor trauma informed can cause further harm to the children This book will be of interest to those working in the family courts particularly expert witnesses clinical psychologists therapists children's services workers including social workers child protection court workers mental health professionals involved in child custody decisions and researchers with an interest in parental alienation The chapters in this book were originally published as a special issue of Journal of Family Trauma Child Custody Child Development *High-Conflict Parenting Post-Separation* Eia Asen, Emma Morris, 2020-03-12 High Conflict Parenting Post Separation The Making and Breaking of Family Ties describes an innovative approach for families where children are caught up in their parents acrimonious relationship before during and after formal legal proceedings have been initiated and concluded This first book in a brand new series by researchers and clinicians at the Anna Freud National Centre for Children and Families AFNCCF outlines a model of therapeutic work which involves children their parents and the wider family and social network The aim is to protect children from conflict between their parents and thus enable them to have healthy relationships across both sides of their family network High Conflict Parenting Post Separation is written for professionals who work with high conflict families be that psychologists psychiatrists child and adult psychotherapists family therapists social workers children's guardians and legal professionals including solicitors and mediators as well as students and trainees in all these different disciplines The book should also be of considerable interest for parents who struggle with post separation issues that involve their children **PARENTAL ALIENATION** Demosthenes Lorandos, William Bernet, S. Richard Sauber, 2013-12-01 Parental Alienation The Handbook for Mental Health and Legal Professionals is the essential how to manual in this important and ever increasing area of behavioral science and law Busy mental health professionals need a reference guide to aid them in developing data sources to support their positions in reports and testimony They also need to know where to go to find the latest material on a topic Having this material within arm's reach will avoid lengthy and time consuming online research For legal professionals who must ground their arguments in well thought out motions and repeated citations to case precedent ready access to state or province specific legal citations spanning thirty five years of parental alienation cases is provided here for the first time in one place Over 1000 Bibliographic Entries 500 Cases Examined 25 Sample Motions in MS Word Format Note The eBook version contains the additional supplemental materials in PDF format only It does not contain the MS Word formatted sample motions **Therapeutic**

Interventions for Parent-Child Contact Issues Kelley Baker, Amy Eichler, 2025-02-13 This book is for clinicians therapists counselors clinical social workers and psychologists who work directly with clients going through separation and divorce It will help to prepare practitioners for the unique demands of working with families in custody litigation Chapters are presented in a consistent format similar to training seminars and manuals They begin with learning objectives and when appropriate end with a summary of suggested resources labeled as Clinician's Toolbox The resources include forms supplies media and other practical reminders a therapist might consider adding to their repertoire of techniques when working with this population Case vignettes provide real life examples taken from the authors professional experience The book begins with a brief historical look at divorce and custodial issues The following two chapters discuss the causes for high conflict dynamics and assessment procedures appropriate for private practitioners Chapter 3 discusses assessment procedures appropriate for clinicians providing therapeutic services Chapter 4 focuses on cases involving abuse allegations Chapter 5 discusses the terminology and diagnostic codes clinicians should use when working with children affected by loyalty binds and unhealthy parental alignments Chapters 6 through 10 are treatment chapters and provide clinicians with treatment goals and common techniques used to reach those goals Chapter 11 describes specialized interventions used for severe cases of parental alienation The book closes with a chapter on how mental health professionals working with this population can protect themselves from aggressive lawyers mentally ill clients and licensing complaints The High-Conflict Custody Battle Amy J. L. Baker, J. Michael Bone, Brian Ludmer, 2014-11-01 In The High Conflict Custody Battle a team of legal and psychology experts present a practical guidebook for people going through a high conflict custody battle Readers dealing with overtly hostile inflammatory deceitful or manipulative ex spouses will learn how to find an attorney and prepare for a custody evaluation The book also provides helpful tips to defend against false accusations and gives a realistic portrayal of what to expect during the legal process Restoring Family Connections Amy J.L. Baker, PhD, Paul R. Fine, LCSW, Alianna LaCheen-Baker, 2020-01-21 Broken relationships between adult children and their parents is a widespread phenomenon While the parent child attachment relationship is of critical importance for the child in the early years of life the parent child relationship continues to be a source of great importance over the course of the individual's life span for both the child and the parent For adults and adult children who are estranged alienated from each other the pain and dissatisfaction never fully go away Despite the prevalence of the problem of ruptured relationships there are few resources available for mental health professionals working with this population This book provides a tool for clinicians to turn to when they are working with adult children and their parents seeking to resolve conflict improve communication and enhance their relationships *My Rights Are Divine* Nina Abdul Razzak, 2014-09-17 Child abuse can be curbed in the Muslim Arab World since preventive measures are really in our hands They are actually a part of a binding force that impacts almost each and every step we take in life that force is simply Islam our religion which does not only define our relationship with God Allah Almighty but is also in

actuality a way of life This book makes the argument that a culture in which true or authentic Islamic values are rightly implemented measures up to being one that safeguards and recognizes the rights granted to children by no one other than their merciful and gracious creator Allah It also proposes a practical framework that explains the types of measures cultural changes and structural modifications needed to be implemented to combat child abuse in the Muslim Arab World with all the religious cultural and social specificities of it as a region

UNDERSTANDING PARENTAL ALIENATION Karen Woodall, Nick Woodall, 2017-08-08 Understanding Parental Alienation is intended for parents who are living through a nightmare the loss of their relationship with a child which seems impossible to understand and extremely frustrating to turn around This book written by two leading experts in the field provides a balance of theoretical background and practical hands on information to guide both parents and practitioners through this devastating phenomenon The authors f many years of experience have shaped their understanding of the causes of parental alienation the manifestations of this serious mental health condition and interventions that are likely to be helpful in the short term and the long term The book is written in a readable engaging manner interspersed with interesting case vignettes As well as introducing some new theoretical concepts such as the transition bridge and helping the reader to understand the unique dynamics of the child s rejection perhaps the most original parts of the book focus on taking action to deal with the problem and strategies for healing The authors provide practical advice on preparing for court including how to develop a chronology of events and how to prepare a written submission even down to choosing a writing style that is most likely to be read by the judge Specific guidance is also provided on how to help alienated children heal through reunification Understanding Parental Alienation is a highly valuable resource for parents and a must read book for every mental health professional social worker or legal professional working with families in divorce

Parental Alienation and Factitious Disorder by Proxy Beyond DSM-5: Interrelated Multidimensional Diagnoses Michael R. Bütz, 2020-05-11 Using Munchausen s Syndrome by Proxy Factitious Disorder by Proxy and Parental Alienation as exmplars this book advances a new diagnostic category for addressing complex pathological phenomena that integrates individual characteristics and symptoms family as well as other system dynamics under one diagnosis The author examines why current diagnostic categories within the DSM 5 are inadequate and provides a framework for this new category Interrelated Multidimensional Diagnosis to better capture the complexity of MSBP FDBP and Parental Alienation The book begins with case studies and other examples to make the material accessible and then proposes step wise processes of examining family systems to determine if the phenomena exist to a reasonable degree of scientific certainty After new diagnostic process and criteria are provided several interventions and recommendations for treatment are offered in a novel way that attends to the core aspects of these pathologies This text will provide practitioners professionals and researchers with a unique vantage point from which to understand and treat these pathologies

Evidence-Informed Interventions for Court-Involved Families Lyn R. Greenberg, Barbara J. Fidler, Michael A.

Saini,2019-03-19 Evidence Informed Interventions for Court Involved Families provides a critical research informed analysis of the core factors to consider when developing child centered approaches to therapy and other family interventions both in formal treatment settings and in promoting healthy engagement with the other systems and activities critical to children s daily lives Addressing common problems obstacles and the backdrop of support needed from other professionals or the court an international team of experts provide chapters covering a variety of service models and drawing on a wealth of relevant research on the legal context central issues for treatment and other services and specialized issues such as trauma family violence parent child contact problems and children with special needs Offering extensive practical guidance for applying research understanding its limitations and matching service plans to families needs this book will be an essential resource for all mental health professionals evaluating or providing services to these families and to the lawyers and judges seeking a better understanding of what works

Understanding and Managing Parental Alienation Janet Haines,Mandy Matthewson,Marcus Turnbull,2019-09-17 In Understanding and Managing Parental Alienation A Guide to Assessment and Intervention Janet Haines Mandy Matthewson and Marcus Turnbull offer a comprehensive analysis of contemporary understanding of parental alienation Grounded in recent scientific advances this is the first book of its kind providing resources on how to identify parental alienation and a guide to evidence based intervention Parental alienation is a process in which one parent manipulates their child to negatively perceive and reject the other parent Recognising this phenomenon and knowing when to intervene is often the biggest challenge faced by practitioners and this book provides a guide to this process Divided into six parts it examines what parental alienation is and how it is caused how it affects each family member as a mental health concern and form of violence and how to assess identify and intervene successfully from a legal and therapy standpoint Taking on a gender neutral approach the book is filled with contemporary case examples from male and female perspectives cutting edge research practitioner client dialogues and practitioners reflections to show the difficult realities of parental alienation Practical and accessible this is an essential resource for mental health professionals working with families experiencing parental alienation as well as postgraduate students of clinical psychology counselling family therapy social work and child and family psychology This book will also be of immense interest to family lawyers and mediators due to its multidisciplinary approach

New Paths for Acceptance Márcia Machado,Francisco Machado,2015-07-31 New Paths for Acceptance Opening Awareness in Interpersonal Acceptance Rejection gathers global data from recent studies on interpersonal relationships The book focuses specifically on the influence of perceived acceptance and rejection by significant others on children s adolescents and adults well being and development In doing this it offers valuable insight for academics researchers practitioners teachers and service agencies to better understand the importance of including the issue of quality of interpersonal relationships in their research teaching and clinical practice Based primarily on interpersonal acceptance rejection theory IPARTheory the book broadens and advances scientific

knowledge about fundamental issues such as psychological adjustment masculinity school and academic related issues family functioning parental alienation intimate adult relationships and other such topics With contributions from researchers from three continents the volume helps raise awareness about the crucial role that interpersonal acceptance plays across cultures on key issues such as these The uncommon cultural diversity and multi context nature of studies included in the book give readers the opportunity to learn about some of the most recent studies in this field and at the same time to have a privileged view of the broad scope and application of IPARTheory and research

Restoring Family Connections Amy J.L. Baker, PhD, Paul R. Fine, LCSW, Alianna LaCheen-Baker, 2020-01-21 Broken relationships between adult children and their parents is a widespread phenomenon While the parent child attachment relationship is of critical importance for the child in the early years of life the parent child relationship continues to be a source of great importance over the course of the individual s life span for both the child and the parent For adults and adult children who are estranged alienated from each other the pain and dissatisfaction never fully go away Despite the prevalence of the problem of ruptured relationships there are few resources available for mental health professionals working with this population This book provides a tool for clinicians to turn to when they are working with adult children and their parents seeking to resolve conflict improve communication and enhance their relationships
