address current events including deforestation in Costa Rica and Brazil emerging social movements Ecuador's new constitution and Obama's stated objectives to repair U.S. relations with the region. In addition, key topics such as women and Latin American politics, socialist governments, and anti-American sentiment. Argentina's deteriorating economy and Colombia's struggle with military and narcotics issues receive expanded and revitalized treatment. Other updated material covers outcomes of recent elections in Bolivia, Brazil, and Nicaragua among others. Through a hybrid thematic and regional organization, this text provides an essential foundation for introductory courses on Latin America.

MMPI And MMPI-2
Jane C. Duckworth, Wayne P. Anderson, 2019-01-22. This text is intended to be of use as a reference for practitioners and textbook for graduate level courses. The fourth edition correlates validity, clinical, and supplementary scales and summarizes interpretations for each. Experts in the field, the authors interpret MMPI and MMPI-2 profiles, applying them to mental health, private practice, and counselling center populations. Their expertise is based on a comprehensive review of both research and major authoritative literature. Updating content with the latest research findings on all three scales plus additional supplementary scales and content scale, this edition adds a new chapter on the MMPI and MMPI-2 in medical settings. Most important, it interprets in terms of possible behaviours and thoughts rather than clinical labels or emotionally laden words.
