Domo's Quotes of Inspiration Part 1 D.J. Domo ,2023-07-24 On a daily we all go through things Some expected and some unexpected Some we can control the outcome and others we can t As I went back and thought about my hard times and the quotes I came up with while trying to press forward through all my tribulations and trials These quotes seem to make a lot of sense today So why not share them and hopefully they can help you right along with words of inspiration For so long after dealing with my hard times I ve always been someone who people can come to talk to We all need someone to vent to Not everyone is genuine with that listening ear either I ve given real advice and am not judgmental while giving it I allow people to see things both ways and advise them of what I would do When I approach the conversation with the advice I give I don t force a person to take my advice and use it The final choice is up to you to make the final decision in whatever choice you choose to use and I m going to support you every which way Everyone needs deserves and go looking for encouragement That happens often So why not a better way to incorporate quotes with genuine words of encouragement to inspire someone within this book *The Chocolate Industry, Plagued with Child Abuse, Rape, Sodomy & the Murdering of Children for Organ Trafficking* Raymond C.
