Pathways to Joy in Marriage Paul W. Syltje, 2012-06-05 We live in an age of broken marriages broken homes and broken lives brought on by an adversary whose wavelength permeates this society and teaches us that a person is free to do whatever he wishes Do what feels good and fear not the consequences My wife and I have proven that a married couple and their children do not need to follow this course In fact it is much much easier not to because the fruits are infinitely better if you do not and we all like good fruit God ordained it that way because He invented marriage and family For 45 years my wife and I have witnessed the fruits of striving after God's perfect plan for married couples as outlined in His word True Sandy and I were brought up as hard working farm kids totally dedicate to each other that helped to get a good start but in today's world as in any age the pulls of the flesh and of this fallen age can easily derail a family if they take their eyes off the goal That goal is to love God and to love your neighbor as yourself starting within your own home We have proven that in spite of society and families disintegrating all around us you can have a wonderfully fulfilling marriage and as a major part of that rear a loving and joyous family Look through the pages of the photo albums especially and see snatches of the good times we had and still do have while growing up together Parents grow up too and their kids teach them a lot Do not follow the road most traveled Read this book live God's way and be amazed that happiness will indeed pursue you *When Mothers Pray* Cheri Fuller, 2009-09-30 When Moms Pray God Listens As a mom you can't always be there as your children stroll the hallways as school head for the college campus or occupy a seat in the corporate boardroom Yet a part of you goes with them when you pray preparing a highway for the release of God's protection and power in their lives guiding them toward God's best The stories in *When Mothers Pray* reveal that when the love of a mother for her child is connected with God's power

through prayer an irresistible force is released that changes kids situations families schools and entire communities Discover how this power multiplies as mothers join together and pray Overcome busyness and discouragement as you apply the simple prayer strategies within Here s fresh motivation to make a difference in the lives of your children through your faith filled prayers

The Honeymoon of Your Dreams Walt M.D. Larimore, Susan A. M.D. Crockett, 2007-02-05 Months and sometimes years of planning go into creating the perfect wedding But when the last piece of wedding cake is eaten and the rice is thrown many couples realize they ve not put much thought into their honeymoon Because it s imperative to let the honeymoon and sexual relationship for a couple set the tone for their life as a couple together two respected physicians draw from their extensive premarital counseling experiences to compile this invaluable guide of honeymoon essentials It s all here from birth control options and a calendar for travel arrangements to medications to have on hand and God s design for the honeymoon There are even ideas which will help each couple assemble a custom honeymoon kit Bride s Eyes Only and Groom s Eyes Only chapters offer solid advice for the sexual relationship A one week devotional section with daily reflections for the first week as husband and wife will help launch any marriage with the right spiritual foundation The time couples invest in preparing for this important week of marriage and life together will reap years of rewards

[The Walk Out Woman](#) Dr. Steve Stephens, Alice Gray, 2009-01-21 Every woman longs to be appreciated respected and adored but when her needs aren t met within her marriage she could be tempted to walk away As little hurts and disappointments accumulate and her heart hardens a woman s loneliness and vulnerability take over and she might find emotional fulfillment elsewhere perhaps in even a casual encounter with another man When the marriage enters this realm of real danger the woman believes it will be less painful to walk away than try to work on it With heart and wisdom Dr Steve Stephens and Alice Gray offer practical advice for how to stop this epidemic of walk out women They outline the warning signs of severe marital discontent and share how to reconnect with your spouse communicate your hurt and open your heart If both partners are willing to work at it any marriage can be saved Are You Even Thinking About Walking Out I m at the point where I don t think it is worth the effort anymore The only reason I m staying is because of the children Surely God doesn t want me to be this unhappy Every woman longs to be appreciated valued and cared for When these needs go unmet she may be tempted to leave the husband she once loved but walking out is seldom the path to happiness Like trusted friends Dr Steve Stephens and Alice Gray offer wise and gentle advice to restore hope to your marriage You ll discover proven methods for how you can move toward each other rather than away build up instead of tear down and find love rather than lose it Story Behind the Book Although a growing number of women are walking away from their marriages there are no books to help them realize that this is not the path to happiness A woman s discontentment settles like dust on furniture and although she tries she fails to make her husband understand His responses seem too little and too late Many women mistakenly believe it is easier emotionally to leave the marriage than try to restore it We want a woman to realize that even when her heart seems closed to her husband

there is a way to open it and become one again Loss of love does not equal loss of marriage Loss of hope does not mean the relationship should be abandoned *When Children Pray* Cheri Fuller,2011-05-18 For Christian parents eager to see their children come closer to the Lord Cheri Fuller s *When Children Pray* is a godsend There s no better testament to the power and effectiveness of children s prayers than these stories of how God answers the prayers of our children and youth Most important this book prepares parents to teach their children how to pray not merely the mechanics but understanding and claiming the power of their heavenly Father through prayer Busy parents and those with questions about their own prayer commitments will find *When Children Pray* now in an updated contemporary cover especially helpful in passing on a legacy of faith to the next generation *When Families Pray* Cheri Fuller,2001-12-19 It is a parent s greatest responsibility Yet in this era of high speed communication few of them know how to connect their own families with God Cheri Fuller shows how to discover the essence of prayer and experience the joy of communing with the Savior as a family for life Thought provoking questions will help parents and their kids see God in a new light Scripture present day stories of answered prayer and inspirational quotes will encourage families to begin a refreshing and rewarding lifelong walk with God *Lovers for Life (Updated Edition)* Kenneth C.
