Women In Early Imperial China Asia Or Pacific Or Perspectives:

Women in Early Imperial China Bret Hinsch, 2010-08-16 After a long spell of chaos the Qin and Han dynasties 221 BCE 220 CE saw the unification of the Chinese Empire under a single ruler government and code of law During this era changing social and political institutions affected the ways people conceived of womanhood New ideals were promulgated and women's lives gradually altered to conform to them And under the new political system the rulers consorts and their families obtained powerful roles that allowed women unprecedented influence in the highest level of government Recognized as the leading work in the field this introductory survey offers the first sustained history of women in the early imperial era Now in a revised edition that incorporates the latest scholarship and theoretical approaches the book draws on extensive primary and secondary sources in Chinese and Japanese to paint a remarkably detailed picture of the distant past Bret Hinsch's introductory chapters orient the nonspecialist to early imperial Chinese society subsequent chapters discuss women's roles from the multiple perspectives of kinship wealth and work law government learning ritual and cosmology An enhanced array of line drawings a Chinese character glossary and extensive notes and bibliography enhance the author's discussion Historians and students of gender and early China alike will find this book an invaluable overview

Women in Early Medieval China Bret Hinsch, 2018-10-05 This important study provides the only comprehensive survey of Chinese women during the early medieval period of disunion which lasted from the fall of the Eastern Han dynasty in 220 AD to the reunification of China by the Sui dynasty in 581 AD also known as the Six Dynasties Bret Hinsch offers rich descriptions of the most important aspects of female life in this era including family and marriage motherhood political power work inheritance education and religious roles He traces women's lived experiences as well as the emotional life and the ideals they pursued Building on the best Western and Japanese scholarship Hinsch also draws heavily on Chinese primary sources and scholarship most of which is unknown outside China As the first study in English about women in the early medieval era this groundbreaking book will open a new window into Chinese history for Western readers

Women in Early Imperial China Bret Hinsch, 2002 Written for his dissertation at Harvard in 1993 Hinsch's history National Chung Cheng U Taiwan fascinating study of women during the Qin and Han periods in China provides a useful addition to the history of ancient women as well as life in early imperial China The lives of women and their roles are examined in several contexts including cosmology kinship law government learning and ritual Annotation copyrighted by Book News Inc Portland OR

Prosperity's Predicament Isabel Brown Crook, Christina Kelley Gilmartin, 2013-09-26 This classic in the annals of village studies will be widely read and debated for what it reveals about China's rural dynamics as well as the nature of state power markets the military social relations and religion Built on extraordinarily intimate and detailed research in a Sichuan village that Isabel Crook began in 1940 the book provides an unprecedented history of Chinese rural life during the war with Japan It is an essential resource for all scholars of contemporary China , **North Korea** Heonik Kwon, Byung-Ho

Chung,2012-03-12 This timely pathbreaking study of North Korea's political history and culture sheds invaluable light on the country's unique leadership continuity and succession. Leading scholars Heonik Kwon and Byung Ho Chung begin by tracing Kim Il Sung's rise to power during the Cold War. They show how his successor his eldest son Kim Jong Il sponsored the production of revolutionary art to unleash a public political culture that would consolidate Kim's charismatic power and his own hereditary authority. The result was the birth of a powerful modern theater state that sustains North Korean leaders' sovereignty now to a third generation. In defiance of the instability to which so many revolutionary states eventually succumb, the durability of charismatic politics in North Korea defines its exceptional place in modern history. Kwon and Chung make an innovative contribution to comparative socialism and postsocialism as well as to the anthropology of the state. Their pioneering work is essential for all readers interested in understanding North Korea's past and future, the destiny of charismatic power in modern politics, the role of art in enabling this power. **Wife or Worker?** Nicola Piper, Mina

Roces,2004-09-01 This volume challenges the dominant discourse that perceives Asian women as either mail order brides or overseas workers. Providing the first sustained critique of the artificial analytical division between brides and workers, the book demonstrates women's transition from brides to workers and from workers to brides. Focusing on how women workers use marriage as a strategy to gain citizenship and how migrants for marriage become workers, the authors present these modern Asian women in their multidimensional roles as wives, workers, mothers, and citizens. The case studies explore a wide gamut of experiences including Filipino caregivers in Canada, Thai sex workers in Germany, Filipino brides in Australia, Singaporean expatriates in Shanghai, Taiwanese families split between Taiwan and California, Asian migrants for marriage in Japan, and Filipino domestic helpers in Spain and Italy. All of these show the multiplicity of roles women maintain and emphasize the point that marriage, work, and migration are inextricably linked. Contributions by Maria W. L. Chee, Michelle Lee, Deirdre McKay, Pat Mix, Tomoko Nakamatsu, Rogelia Pe Pua, Nicola Piper, Mina Rocés, Katie Willis, and Brenda Yeoh.

Making the Foreign Serve China Anne-Marie Brady,2003-09-08 This book provides the first detailed analysis of a crucial and distinctive element of Chinese foreign policy. Anne Marie Brady follows the development of the Chinese Communist Party's foreign affairs system since 1921, focusing on *waishi*, the external policies intended to influence and control both foreigners themselves as well as Chinese citizens' contact with and perception of outsiders. The term also comprises China's external relations, both official state-to-state and so-called unofficial or people-to-people diplomacy. In effect, *waishi* activities encompass all matters related to foreigners and foreign things, not merely diplomacy. By managing the foreign presence in China and China's contacts with the outside world and by controlling the Chinese population, the author argues that *waishi* has proven to be one of the most effective tools in the CCP's repertoire for building and then sustaining its hold on power. Drawing for the first time on policy documents that underpin the phenomena they describe, Brady analyzes trends and developments in *waishi* during each chronological period. The book elucidates how the CCP's policies evolved. In

the 1930s the need for a broad united front in international relations warred with the desire to control the foreign presence in China in the 1940s and 1950s the Sino Soviet alliance and ridding China of the traces of the semi colonial past took precedence in the 1960s the Sino Soviet split led to China's claim as the center of world revolution and in the past twenty years of reform the focus has been the ongoing quest to create a modern nation state as China opens up to the outside world The author considers waishi's deeper meaning as an overriding approach to the foreign which links state to state diplomacy with the management of the foreign presence in China Her groundbreaking research is based on a previously unexplored genre of waishi materials almost all classified in Chinese extensive interviews with waishi officials and foreign participant

When the Earth Roars Gregory Smits, 2014-03-21 Japan which is among the most earthquake prone regions in the world has a long history of responding to seismic disasters However despite advances in earthquake related safety technologies the destructiveness of the magnitude 9 class earthquake and tsunami that struck the country on 3 11 raised profound questions about how societies can deal effectively with seismic hazards This important book places the devastating earthquake tsunami and nuclear meltdown disaster in historical perspective examining conceptions of earthquakes since the seventeenth century the diverse ways actual earthquakes and their aftermath played out and their enduring social and scientific significance By looking backward Gregory Smits identifies future pitfalls to avoid and assesses the allocation of resources for dealing with future earthquake and tsunami disasters He criticizes Japan's postwar quest for earthquake prediction and the concept of characteristic earthquakes Smits argues that earthquakes are so chaotic as to be unpredictable not only geologically but also in their social and cultural effects Therefore he contends the best hope for future disaster mitigation is antiseismic engineering and flexible disaster relief capabilities As the first sustained historical analysis of destructive earthquakes and tsunamis this book is an essential resource for anyone interested in Japan natural disasters seismology and environmental history

Pan-Asianism Sven Saaler, Christopher W. A. Szpilman, 2011-04-16 This first volume in a two volume set provides the only comprehensive Western language history of Pan Asianism through primary sources and commentaries The book argues that Pan Asianism often though unfairly associated with the Yellow Peril has been a powerful political and ideological force in modern Asia It has shaped national identities and strongly influenced the development of international relations across Asia and the Pacific Scholars have long recognized the importance of Pan Asianism as an ideal of Asian solidarity regional cooperation and integration but also as an ideology that justified imperialist expansion and military aggression Yet sustained research has been hampered by the difficulty of accessing primary sources Thoroughly remedying this problem this unique sourcebook provides a wealth of documents on Pan Asianism from 1850 to 1920 many translated for the first time from Asian languages All sources are accompanied by expert commentaries that provide essential background information Providing an essential overview of Pan Asianism as it developed throughout modern Asia this collection will be an indispensable tool for scholars in history political science international relations and sociology Its accessible presentation

Nationalisms of Japan Brian J. McVeigh, 2004-10-26 In this fresh and original analysis Brian J McVeigh confronts both the demonizers and apologists of Japan He argues persuasively that far from being unique Japanese nationalism becomes demystified once management and mysticism the same processes and practices that operate in other national states are taken into account Stripping away Orientalist inspired misconceptions the author stresses the variety and relative intensity of nationalisms ranging from economic ethnic and educational to cultural gendered and religious He moves beyond state centered ideologies to explore the linkages between official and popular nationalisms and the complex interplay of ethnocultural ethnopoltical and ethnoracial forms of identity The ambiguity and everydayness of nationalism McVeigh contends explain its enduring power He concludes that modern Japan is imbued with a deeply rooted legacy of renovationism or reform nationalism that accounts for its streamlined state structures guarded economic nationalism and highly scrutinized relationship with the rest of the world Highlighting the pluralism of identity among Japanese this book will be an invaluable corrective to recent works that glibly proclaim the emergence of globalization internationalization and convergence The United States and China Dong Wang, 2021-07-28 Now fully revised and updated The United States and China offers a comprehensive synthesis of US Chinese relations from initial contact to the present Balancing the modern 1784 1949 and contemporary 1949 present periods Dong Wang retraces centuries of interaction between two of the world s great powers from the perspective of both sides She examines state to state diplomacy as well as economic social military religious and cultural interplay within varying national and international contexts As China itself continues to grow in global importance so too does the US Chinese relationship and this book provides an essential grounding for understanding its past present and possible futures **Contentious Kwangju** Gi-Wook Shin, Kyung Moon Hwang, 2003-08-01 One of the largest political protests in contemporary Korean history the May 1980 Kwangju Uprising still exerts a profound often contested influence in Korean society Through a deft combination of personal reflections and academic analysis Contentious Kwangju offers a comprehensive examination of the multiple shifting meanings of this seminal event and explains how the memory of Kwangju has affected Korean life from politics to culture The first half of the book offers highly personal perspectives on the details of the uprising itself including the Citizens Army the fleeting days of Kwangju citizen autonomy the activities of American missionaries and the aftermath following the uprising s suppression by government forces The second half provides a wide ranging scholarly assessment of the impact of Kwangju in South Korea from democratization and the fate of survivors to regional identity and popular culture concluding with an examination of Kwangju s significance in the larger flow of modern Korean history In keeping with the book s title the essays offer competing interpretations of the Kwangju Uprising yet

together provide the most thorough English language treatment to date of the multifaceted sweeping significance of this pivotal event Contributions by Jong chul Ahn Don Baker Ju na Byun Jung kwan Cho Jung woon Choi Kyung Moon Hwang Keun sik Jung Linda S Lewis Gi Wook Shin Jean W Underwood and Sallie Yea **Social Movements in India** Raka Ray, Mary Fainsod Katzenstein, 2005-03-25 Social movements have played a vital role in Indian politics since well before the inception of India as a new nation in 1947 During the Nehruvian era from Independence to Nehru s death in 1964 poverty alleviation was a foundational standard against which policy proposals and political claims were measured at this time movement activism was directly accountable to this state discourse However the role of social movements in India has shifted during the last several decades to accompany a changed political focus from state to market and from reigning ideologies of secularism to credos of religious nationalism In the first volume to focus on poverty and class in its analysis of social movements a group of leading India scholars shows how social movements have had to change because poverty reduction no longer serves its earlier role as a political template Nonetheless particular sectors of social movement politics remain the holding vessels for India s egalitarian conscience With distinctive chapters on gender lower castes environment the Hindu Right Kerala labor farmers and biotechnology Social Movements in India will be attractive to students and researchers in many different disciplines Contributions by Amita Baviskar Anuradha Chakravarty Vivek Chibber Gopal Guru Patrick Heller Ron Herring Mary John Mary Fainsod Katzenstein Neema Kudva Gail Omvedt Raka Ray and Tanika Sarkar **The Indonesian Presidency** Angus McIntyre, 2005-03-11 This pioneering study of the Indonesian presidency significantly redefines our understanding of Indonesian politics from independence to the present Angus McIntyre blends political biography with constitutional history to locate Indonesian leaders within both Indonesian cultural frameworks and the global biographical literature on political leaders *Islands of Discontent* Laura Hein, Mark Selden, 2003-04-09 Exploring contemporary Okinawan culture politics and historical memory this book argues that the long Japanese tradition of defining Okinawa as a subordinate and peripheral part of Japan means that all claims of Okinawan distinctiveness necessarily become part of the larger debate over contemporary identity The contributors trace the renaissance of the debate in the burst of cultural and political expression that has flowered in the past decade with the rapid growth of local museums and memorials and the huge increase in popularity of distinctive Okinawan music and literature as well as in political movements targeting both U S military bases and Japanese national policy on ecological developmental and equity grounds A key strategy for claiming and shaping Okinawan identity is the mobilization of historical memory of the recent past particularly of the violent subordination of Okinawan interests to those of the Japanese and American governments in war and occupation Its intertwining themes of historical memory nationality ethnicity and cultural conflict in contemporary society address central issues in anthropology sociology contemporary history Asian Studies international relations cultural studies and post colonial studies Contributions by Matt Allen Linda Isako Angst Asato Eiko Gerald Figal Aaron Gerow Laura Hein Michael Molasky

Steve Rabson James E Roberson Mark Selden and Julia Yonetani **Marketing Dictatorship** Anne-Marie Brady,2009-11-16
Click here to hear Anne Marie Brady s BBC World Service radio documentary titled The Message from China China s government is no longer a Stalinist Maoist dictatorship yet it does not seem to be moving significantly closer to democracy as it is understood in Western terms After a period of self imposed exclusion Chinese society is in the process of a massive transformation in the name of economic progress and integration into the world economy The Chinese Communist Party CCP is seeking to maintain its rule over China indefinitely creating yet another new China Propaganda and thought work play a key role in this strategy In this important book noted China scholar Anne Marie Brady answers some intriguing questions about China s contemporary propaganda system Why have propaganda and thought work strengthened their hold in China in recent years How has the CCP government strengthened its power since 1989 when so many analysts predicted otherwise How does the CCP maintain its monopoly on political power while dismantling the socialist system How can the government maintain popular support in China when the uniting force of Marxist Leninist Maoist ideology is spent and discredited What has taken the place of communist ideology Examining propaganda and thought work in the current period offers readers a unique understanding of how the CCP will address real and perceived threats to stability and its continued hold on power This innovative book is a must read for everyone interested in China s growing role in the world community

Cross-Generic Perspectives on Traditional Chinese Literature Manling Luo,2024-12-30 This volume explores cross generic analysis as a hermeneutic approach to traditional Chinese literature through nine case studies which cover a combined temporal span from the tenth to the twentieth century The contributors examine connections parallels and dialogic relations among canonical literary forms and other kinds of materials both diachronically and synchronically across and within texts and between different modes of representation A wide range of theoretical issues are elucidated including cultural memory gender sexuality visibility theatricality and regional identity Expanding conventional understanding of what constitutes the literary these studies also complicate and contribute to intellectual discourses beyond China studies

Women in Qing China Bret Hinsch,2022-03-10 This groundbreaking work provides an original and deeply knowledgeable overview of Chinese women and gender relations during the Qing Dynasty 1644 1912 Bret Hinsch explores in detail the central aspects of female life in this era including family and marriage motherhood political power work inheritance education religious roles and ethics He considers not only women s experiences but also their emotional lives and the ideals they pursued Drawing on a wide range of Western Japanese and Chinese primary and secondary sources including standard histories poetry prose literature and epitaphs Hinsch makes an important period of Chinese women s history accessible to Western readers **Biology and Revolution in Twentieth-Century China** Laurence Schneider,2005-10 In this first comprehensive analysis of biological science in modern China Laurence Schneider traces its troubled development from the 1920s across the 1949 boundary and into contemporary post socialist China Schneider uses his detailed portrayals

of influential scientists and key education and research institutions to explore both internal and external forces at work in scientific development. The author examines the largely U.S. sources of its technical development and the subsequent quality of its research and educational accomplishments. At the same time, he firmly grounds these in the context of China's national economic and social revolutions. These upheavals have been the source of periodic obsessions to use science to regulate nature, to manage foreign influence on science, and to control scientists. The author argues that populist mass science was Mao's solution to problems of control, especially in the 1950s when Soviet Lysenkoism was granted the power in China to monopolize biology and ban genetics. This book provides the only detailed study of Lysenkoism in China, linking its ascendance to the Great Leap Forward and the Cultural Revolution. It concludes with an analysis of the phoenix-like rise of genetics in recent decades and the assignment of biotechnology to a leading role in plans for economic development. Based on a broad range of archival materials and interviews with major actors in the story, this book will be a rich resource for all those interested in contemporary China.
