Happiness Tim Lomas, 2018-04-06 How embracing untranslatable terms for well being from the Finnish *sisu* to the Yiddish *mensch* can enrich our emotional understanding and experience Western psychology is rooted in the philosophies and epistemologies of Western culture But what of concepts and insights from outside this frame of reference Certain terms not easily translatable into English for example *nirva* from Sanskrit or *agap* from Classical Greek or *turangawaewae* from Māori are rich with meaning but largely unavailable to English speaking students and seekers of wellbeing In this book Tim Lomas argues that engaging with untranslatable terms related to well being can enrich not only our understanding but also our experience We can use these words Lomas suggests to understand and express feelings and experiences that were previously inexpressible Lomas examines 400 words from 80 languages arranges them thematically and develops a theoretical framework that highlights the varied dimensions of well being and traces the connections between them He identifies three basic dimensions of well being feelings relationships and personal development and then explores each in turn through untranslatable words *nanda* for example usually translated as bliss can have spiritual associations in Buddhist and Hindu contexts *kefi* in Greek expresses an intense emotional state often made more intense by alcohol The Japanese concept of *koi no yokan* means a premonition or presentiment of love capturing the elusive and vertiginous feeling of being about to fall for someone imbued with melancholy and uncertainty the Yiddish term *mensch* has been borrowed from its Judaic and religious connotations to describe an all around good human being and Finnish offers *sisu* inner determination in the face of adversity Expanding the lexicon of well being in this way showcases the richness of cultural diversity while reminding us powerfully of our common humanity Lomas's website www.drtilomas.com lexicography allows interested readers to contribute their own words and interpretations **Food Lit** Melissa Brackney Stoeger, 2013-01-08 An essential tool for assisting leisure readers interested in topics surrounding food this unique book contains annotations and read-alikes for hundreds of nonfiction titles about the joys of comestibles and cooking **Food Lit A Reader's Guide to Epicurean Nonfiction** provides a much needed resource for librarians assisting adult readers interested in the topic of food a group that is continuing to grow rapidly

Containing annotations of hundreds of nonfiction titles about food that are arranged into genre and subject interest categories for easy reference the book addresses a diversity of reading experiences by covering everything from foodie memoirs and histories of food to extreme cuisine and food expos s Author Melissa Stoeger has organized and described hundreds of nonfiction titles centered on the themes of food and eating including life stories history science and investigative nonfiction The work emphasizes titles published in the past decade without overlooking significant benchmark and classic titles It also provides lists of suggested read alike for those titles and includes several helpful appendices of fiction titles featuring food food magazines and food blogs
