Women's Health Nancy Worcester, Mariamne H. Whatley, 2009 **Women's Health** Dawna Marie Thomas, 2022

Women's Health Dawna M. Thomas, 2017-08-23 **The Politics of Women's Health** Susan Sherwin, Feminist Health Care Ethics Research Network, 1998 Examines the real world of women's health status and health care delivery in different countries and the assumptions behind the dominant medical model of solving problems without regard to social conditions This book asks what feminist health care ethics looks like if we start with women's experiences and concerns **Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **What Makes Women Sick** Lesley Doyal, 1995-06-19 Lesley Doyal draws on a wide range of disciplines to highlight the limitations of medical models in understanding global patterns of health and disease in women Examining in detail the impact of sexuality fertility control reproduction domestic labour and waged work on women's well-being she shows how gender divisions in economic and social life affect their experiences of illness disability and mortality A concluding chapter illustrates the multiplicity of ways in which women around the world are challenging the threats to their health *Women's Health and Medicine: Transforming Perspective* Alice J. Dan, Sue V. Rosser, 2003-06 A vital collection of essays on women's health and women's health studies edited by leaders in the field **Evaluating Women's Health Messages** Roxanne Louiselle Parrott, Celeste Michelle Condit, 1996-02 The increased attention currently being paid to women's reproductive health issues has produced a corresponding interest in the role that communication plays in promoting better health care Groundbreaking and comprehensive this book is the first systematic examination of the major types and forms of messages about women's reproductive health medical social scientific and public and the degree to which these messages compare with and contradict each other Within the broad framework of communication a range of women's health issues are examined in this book from political historical technological and feminist perspectives The issues examined include abortion infertility drug and alcohol use in pregnancy childbirth AIDS menst *Women, Medicine, Ethics and the Law* Susan Sherwin, Barbara Parish, 2020-09-10 This title was first published in 2002 A collection of articles focused on women within a general study of medicine ethics and the law Topics covered include areas where the institutions of medicine ethics and the law intersect in women's reproductive and sexual lives the impact of legal policies and dominant ethical beliefs on many aspects of women's health and the health practices and policies of bioethics and health law The editors recognise that it is important not to lose sight of social differences other than gender such as race ethnicity class age sexuality religion level of

physical and mental ability and family relationships In their approach they seek to consider the lives and experiences of women as primary Hence they focus on the question of how women s encounters with the health care system are structured by gender and other socially significant dimensions of their lives rather than the question of how women differ from the male norm

Women and Health AnnJanette Alejano-Steele,2019-11-15 This volume on global women s health provides a broad overview of many conditions that impact women s health including social and economic inequities and examples of health advocacy The health and wellbeing of the world s population matters but many of the female half experience unequal access to information and care that increases their health risks This global women s health volume delves into a number of health and social factors that combine to create a lower quality of life for women Each chapter represents a global region featuring three to four countries and reviews health goals and outcomes relative to the United Nations Sustainable Development Goals and World Health Organization discussions on social determinants of health Chapters are organized to invite readers to consider environmental conditions and social determinants that create gender inequities in health around the globe Cultural forces that impact health including environmental risks access to health care reproductive health infectious and noncommunicable diseases behavioral mental health and intersectional identity considerations such as religion ethnicity and LGBTQ identity issues

James,2005-06-28 *Theorizing Black Feminisms* outlines some of the crucial debates going on within contemporary Black feminist activity In doing so it brings together a collection of some of the most exciting work by contemporary Black women scholars celebrating Black women s agency and pragmatic activism The volume encompasses a wide range of diverse subjects refusing to be limited by notions of disciplinary boundaries or divisions between theory and practice Essays on literature sociology history political science anthropology and art are included making the collection vital reading for anyone activist student artist or scholar interested in exploring the multidisciplinary possibilities of Black feminisms An exciting and innovative book which both reflects and intervenes in a rapidly growing field

Cabo Verdean Women Writing Remembrance, Resistance, and Revolution Terza A. Silva Lima-Neves,Aminah N. Pilgrim,2021-05-11 *Cabo Verdean Women Writing Remembrance Resistance and Revolution* Kriolas Poderozas documents the work and stories told by Cabo Verdean women to refocus the narratives about Cabo Verde on Cabo Verdean women and their experiences The contributors examine their own experiences the history of Cabo Verde and Cabo Verdean diaspora to highlight the commonalities that exist among all women of African descent such as sexual and domestic violence and media objectification as well as the different meanings these commonalities can hold in local contexts Through exploring the literary and musical contributions of Cabo Verdean women the Cabo Verdean state and its transnational relations food and cooking traditions migration and diaspora and the oral histories of Cabo Verde the contributors analyze themes of community race sexuality migration gender and tradition

Velvet Jihad Faegheh Shirazi,2009-09-27 There are numerous conflicts ensuing in the Middle East but not all are being fought with rockets and

rifles While the Internet has proven invaluable to those who wish to uphold a patriarchal society and spread the message of Islamic fundamentalism Muslim women have used the Web to build a transnational community intent on growing women's rights in the Middle East There is a large disparity between a Muslim woman's role according to the Qur'an and her role as some corners of Muslim society have interpreted it In Velvet Jihad Faegheh Shirazi reveals the creative strategies Muslim women have adopted to quietly fight against those who would limit their growing rights Shirazi examines issues that are important to all women from routine matters such as daily hygiene and clothing to controversial subjects like abortion birth control and virginity As a woman with linguistic expertise and extensive life experience in both Western and Middle Eastern cultures she is uniquely positioned as an objective observer and reporter of changes and challenges facing Muslim women globally

Coming Out of the Classroom Closet Karen M Harbeck, 2014-03-05 This landmark book empowers educators to become visible positive influences and role models for gay and lesbian students in their classrooms and schools As most homosexual educators and even students remain invisible due to possible hostilities of coming out this eye opening book presents recent research to help gay and lesbian teachers break their silence It encourages them to speak out on issues of homosexuality where curricula civil rights personal freedoms and social entitlements are concerned It promotes the development of school based intervention for gay lesbian and bisexual students While the controversy over education and homosexuality is one of the most personally threatening in this nation's history the timely research presented in *Coming Out of the Classroom Closet* will hearten gay and lesbian educators to continue to strive for fair treatment as peers and for equal representation in educational materials Pointing to reports of greater social support and legal protection than is assumed by most in the educational system this book should be required reading for all persons concerned about continuing to provide high quality education at all levels college and university secondary and even elementary Chapters of *Coming Out of the Classroom Closet* look closely at many issues surrounding the issue of homosexuality in schools including a history of treatment of gay and lesbian educators and their legal rights effects of internalized homophobia on homosexual educators gay and lesbian student's perceptions of their counselors and teachers ability to understand and help beliefs lack of knowledge and lack of training of counselors and teachers about the needs of gay and lesbian youth images of gays and lesbians in sexuality and health textbooks important AIDS education and the issue of homophobia
