Food for Thought Rev. Dr. Darlington I. I. Ndubuike,2025-09-15 Food for Thought began with a playful question What if food could speak Not with words but through memory meaning and metaphor What if a kiwi could whisper Can we inviting possibility What if a prune reminded us of the grace in letting go or a peach

encouraged us to pitch our ideas with courage From that question grew a banquet of 70 meditative reflections where everyday ingredients became vessels of insight Grounded in biblical truth and seasoned with spiritual wisdom this book invites readers to slow down and savor not just their meals but their lives It s not a cookbook though it may feed you It s not a manual though it may guide you It s a table set with stories symbols and soul each bite offering a mirror to what s within We ve peeled onions of meaning heard the pitch of a peach the reason in a raisin and the rise in rice Even the humble beet and cabbage carry stories of grace and transformation In a world of fast answers and loud voices Food for Thought is an invitation to pause reflect and listen to the quiet wisdom simmering in the ordinary As you close this book may your meals become moments of mindfulness your table a place of transformation and your life full of flavor meaning and grace And one last thing If this Food nourished you give thanks to the Master Chef who prepared it not the waiter who served it **God's**
