Woody Allen, film après film Jason [VNV] Solomons, 2015-10-15 Woody Allen est l'une des figures les plus connues et accomplies du septième art, un cinaste qui plus que tout autre a profondément influencé son époque et un réalisateur qui a toujours su attirer les meilleurs acteurs. Tout le monde a son Woody Allen préféré qu'il s'agisse d'une de ses comédies romantiques urbaines comme *Annie Hall* ou *Manhattan* ou d'une des comédies dramatiques plus récentes telles *Vicky Cristina Barcelona* ou *Blue Jasmine*. De quoi de neuf ? *Pussycat 1965*, *L'Homme irrationnel*, 2015. Woody Allen Film par Film explore cinquante années de cinéma. Dans un entretien exclusif, le réalisateur revient sur son incomparable carrière que la professeure Julie Delpy claire d'un tout nouveau regard. *The Ultimate Woody Allen Film Companion* Jason Bailey, 2014-10-15. A complete look at the extensive ageless unparalleled filmography of Woody Allen. Writer, actor, director, comedian, author, and musician, Woody Allen is one of the most culturally and cinematically influential filmmakers of all time. His films, he has over 45 writing and directing credits to his name, range from slapstick to tragedy, farce to fantasy. As one of history's most prolific moviemakers, his style and comic sensibility have been imitated but never replicated by countless other filmmakers over the years. In *The Ultimate Woody Allen Film Companion*, film writer Jason Bailey profiles every one of Allen's films from his debut feature *What's Up Tiger Lily* through slapstick classics such as *Take the Money and Run* and *Sleeper*, Academy Award-winning films such as *Annie Hall* and *Hannah and Her Sisters*, and recent gems such as *Midnight in Paris* and *Blue Jasmine*. Bailey also includes essays on the fascinating themes that color Allen's works, from death and Freud to music and New York City. Getting up close and personal with the actors and actresses that have brought the iconic films to life, this book's behind-the-scenes stories span the entire career of a man whose catalog has grown into a timeless cornerstone of American pop culture. Complete with full cast lists, production details, and full-color images and artwork, *The Ultimate Woody Allen Film Companion* is the ultimate indispensable reference to one of cinema's most beloved and important figures. [The Films of Woody Allen](#) Charles L.P. Silet, 2006-07-27. From *What's Up Tiger Lily* to *Match Point*, Woody Allen's work has generated substantial interest among scholars and professionals who have written extensively about the director. In *The Films of Woody Allen: Critical Essays*, Charles L.P. Silet brings together two dozen scholarly articles that address the core of Allen's work from a variety of cultural and theoretical perspectives. With a special emphasis on his films of the 1980s, this collection includes both general essays that examine various themes and issues encompassed in Allen's repertoire as well as discussions that focus on one or two specific films. General essays explore Allen's Jewish background as a religious and cultural facet, his apparent love affair with New York City, and his relation to various strains of humor, particularly American film humor, but also Allen's broad use of such traditional comic tropes as irony and parody. The essays on individual films include examinations of some of Allen's most significant work, including *Love and Death*, *Annie Hall*, *Interiors*, *Crimes and Misdemeanors*, *Hannah and Her Sisters*, *Manhattan*, and *Shadows and Fog*. A number of the articles collected here were

originally published in now hard to locate places while others were selected from journals not usually associated with film studies The result is an anthology of essays that presents an overview of the central issues raised by Allen s body of work as well as a close examination of fourteen individual films that convey these larger themes A wide ranging exploration of one of America s most innovative and productive modern directors this book should appeal to both professionals and students of contemporary film comedy *Eighteen Woody Allen Films Analyzed* Sander H. Lee,1997 While Woody Allen is generally considered to be a master of the comic genre he created his serious films are very important in understanding his role as one of this generation's more influential filmmakers In this work such Allen films as Annie Hall 1977 Broadway Danny Rose 1984 Crimes and Misdemeanors 1989 and Mighty Aphrodite 1995 are analyzed for the common philosophical themes they share Gender issues Allen's love hate relationship with God narcissism and moral relativism and the use of the so called existential dilemma are among the topics discussed The extensive research is augmented with a rare interview with Allen *Hollywood Musicals Year by Year* Stanley Green,1999 A chronologically arranged reference book on the Hollywood musical with each entry including pertinent facts about a film and a brief essay about the plot and production Includes hundreds of black white stills **The New Woman's Film** Hilary Radner,2017-01-20 With the chick flick arguably in decline film scholars may well ask what has become of the woman's film Little attention has been paid to the proliferation of films often from the independent sector that do not sit comfortably in either the category of popular culture or that of high art films that are perhaps the corollary of the middle brow novel or smart chick flicks This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience The new woman's film as a genre includes narratives with strong ties to the woman's film of classical Hollywood while constituting a new distinctive cycle of female centered films that in many ways continue the project of second wave feminism albeit in a modified form Topics addressed include The Bridges of Madison County Clint Eastwood 1995 the feature length films of Nicole Holofcener 1996 2013 the film roles of Tilda Swinton Rachel Getting Married Jonathan Demme 2008 Blue Jasmine Woody Allen 2013 Frances Ha Noah Baumbach 2012 Belle Amma Asante 2013 Fifty Shades of Grey Sam Taylor Johnson 2015 and Jane Campion's Top of the Lake Sundance Channel 2013 Women in Popular Culture Laura L. Food in the Movies, 2d ed. Steve Zimmerman, 2010-07-28 Although food has been part of motion pictures since the silent era for the most part it has been treated with about as much respect as movie extras it s always been there on the screen but seldom noticed For the most part filmmakers have settled on three basic ways to treat food as a prop in which the food is usually obscured from sight or ignored by the actors as a transition device to compress time and help advance the plot as a symbol or metaphor or in some other meaningful way to make a dramatic point or to reveal an aspect of an actor s character mood or thought process This hugely expanded and revised edition details 400 food scenes in addition to the 400 films reviewed for the first edition and an introduction tracing the technical artistic and cultural forces that contributed to the emergence of food films as a new genre originated by such films as Tampopo Babette s Feast and more recently by films like Mostly Martha No Reservations and Ratatouille A filmography is included as an appendix
