The Swedish Nuclear Dilemma William D. Nordhaus,2014-04-04 Renowned economist William Nordhaus has developed many innovative approaches for analyzing complex environmental questions He applies them to the possible phaseout of nuclear power in Sweden in *The Swedish Nuclear Dilemma* Energy and the Environment While making a major contribution to that debate this book has value that extends well beyond the Swedish issue to the careful and well informed consideration of environmental and energy questions that industrialized nations and developing regions now face It is essential for anyone interested in nuclear power issues and climate change The Swedish parliament has moved closer to eliminating nuclear energy even while repeating commitments to reduce the greenhouse gas emissions associated with fossil fuels Nordhaus s Swedish Energy and Environmental Policy SEEP model quantifies the economic results of such a path He analyzes the impact of factors such as deregulation of electricity generation global climate change policies the decline of Sweden s economic growth and the rethinking of its welfare state He also sets the stage for more informed analysis of similarly difficult issues where economic and environmental goals clash

Hazing (Ragging) at Universities: A Legal Perspective Aashish Srivastava,Neerav Srivastava,D.K. Srivastava,2024-01-11 This is the first socio legal multi jurisdictional study on hazing ragging This book considers four countries the USA India Sri Lanka and Australia It states the legal position identifies lacunas in law and proposes possible legal solutions Unfortunately laws regulations and policies have failed to stamp out hazing from university campuses and residential colleges Hazing has spiralled out of control in a number of countries It has descended into a cruel barbaric and inhuman practice The number of students subjected to hazing and sexual abuse is alarming According to a 2022 survey more than half 53% of American students who were part of a fraternity or sorority experienced hazing Students are murdered harmed abused and suffer long term trauma The prevention of hazing is one of the most important responsibilities of 21st century universities The theme of the book is that universities are in the best position to protect students from hazingand must play a vital role As a sociological study the book also considers why hazing occurs and what can be done to prevent it Without engaging with the underlying causes legal punitive measures continue to address the symptom rather than the cause The book therefore explores how a more innovative approach to regulation can help tackle the cause The book will be of interest to policy makers regulators at universities education and legal academics and personal injury lawyers
