Shadows Kate Bruce,2024-05-30 The story of the Bible us most often told as the story of men from patriarchs to prophets kings disciples and apostles But women are there sometimes in the background sometimes striding powerfully onto the stage Their stories are frequently moving prophetic and often good news Sometimes they experience appalling violence and abuse which needs to be named In some examples their behaviour is less than appealing and power is misused which needs acknowledgement and exploration In this volume Bruce and Shercliff continue to explore the stories of the women of the bible offering exegesis and comment enabling preachers and readers with a more general interest to encounter and appreciate more of the female characters in scripture Again they seek to inspire imaginative approaches in preachers combining commentary and homiletic textbook Sin and Politics Jeong Kii Min,2009 Sin and Politics Issues in Reformed

Theology is an overview of the relationship between sin and politics from the reformational point of view This short theological history is comprised of three parts politics without sin creational politics politics with sin fallen politics and politics beyond sin redeemed politics As a creation of human culture politics have been tainted with sinful distortion in this world but will be recovered in the future Kingdom by the eternal kingship of the Lord of Lords Sin and Politics includes a summary and commentary on political discussions by various Reformed theologians It uncovers the Reformed tradition s positive regard for politics and the profound theological root of politics For the Sake of the Gospel Desmond Ford,Gillian Ford,2008 Nearly thirty years ago the Seventh day Adventist church defrocked Dr Desmond Ford for publicly challenging the denomination s prophetic views At the same time and on the same basis many other ministers also lost their positions Ford had been a top Adventist scholar who had taught ministerial students and future teachers in Adventism s tertiary institutions in Australia and the U S What led him to speak out and is the debate still current today What were the issues and who were the parties involved Why was it important then Why does it matter now This book answers all these questions and shows that the key to prophetic interpretation is Christ and his gospel not humanly devised calculations hidden in musty history books Christ clearly teaches it is not for us to know the times and seasons yet official Adventism continues to teach prophetic timelines that are based on faulty premises The Adventist teaching of the Investigative Judgment which supposedly began in 1844 mutes the New Testament gospel and most Adventist scholars know this It is time for official Adventism to renounce their errors and become fully Christian in their doctrinal teachings
